

## GOVERNOR IS TO HONOR THIS CITY

He Will Arrive Next Thursday  
As Guest of the Fall  
Festival.

### HE WILL ATTEND BANQUET

EDITORS WHO WILL ARRIVE ON  
SAME DAY GOVERNOR DOES,  
WILL BE GIVEN AUTO RIDE OV-  
ER THE CITY.

If Governor Thomas R. Marshall so desires, the fall festival reception committee will take him to various parts of the city in an automobile, following his arrival at 4 o'clock, Thursday afternoon, October 7. However as the chief executive will travel considerably on this date, it is probable that he will prefer to go to the hotel and rest for the banquet, to be given in honor of him and the editors, at the coliseum that evening. The committee will see that all of Governor Marshall's desires are carried out.

The editors will be taken over the city in automobiles. C. A. Gaar, has been made chairman of a special committee and has charge of the arrangements for the trip. He will secure sufficient number of machines for the accommodation of the editors.

The editors will be members of the party to welcome Governor Marshall at the depot, upon his arrival.

They will have seats in close proximity to Governor Marshall at the press banquet, that evening. A number of the editors will have places on the program, responding to informal toasts.

### STOMACH TROUBLE

Had It For Years Until He Heard of  
Mi-o-na. L. H. Fife, a Rich-  
mond Druggist, Sells It.

If you suffer from indigestion, belching of gas, lump of lead in stomach, biliousness, dizziness, foul breath, nervousness, constipation or headache, give L. H. Fife 50 cents today for a box of Mi-o-na, the celebrated stomach prescription, and if it doesn't cure you, he will give you your money back. It relieves painful stomach distress in five minutes. Read the following:

"I had stomach trouble for years. After eating I would be troubled for an hour or so with indigestion. I bought one box of Mi-o-na tablets from Gaffney Drug Co., which completely cured me. That was 12 months ago and to this day I have not been troubled again." J. B. Haskey, Gaffney, S. C., April 20, 1900.

Mi-o-na is the best prescription for stomach trouble ever written; not only does it give quick relief, but it cures permanently because it thoroughly cleanses, renovates, builds up and puts elasticity into the stomach and bowels. Mi-o-na is put up in tablet form and is small and easy to swallow. Sold by leading druggists everywhere and in Richmond by L. H. Fife, who rigidly guarantees them. Test sample free. Address Booth's Mi-o-na, Buffalo, N. Y.

## TO BAR ALL CLAIMS

Heirs of the Robinson Estate  
Ask a Year's Delay of  
Court.

### ESTATE QUITE LARGE ONE

A petition of the heirs of Henry E. Robinson, who committed suicide at his home, North Tenth and D street, January 10, 1909, by shooting himself to bar all claims against the estate for a period of one year after November 1, 1909, has been filed in the circuit court. The estate is a very large one and the petition is merely a matter of law.

Following the death of Mr. Robinson, the heirs met and transferred the estate to the hands of William P. Robinson and Henry Rayburn Robinson, as trustees. The trustees were to hold the estate in trust for their own benefit as well as for the other heirs. The report of the trustees will be made November 1, according to the petition to Judge Fox after which time it is prayed that Judge Fox rule all claims barred for a period of one year, leaving the estate free and clear of any claim of creditors, and prohibiting the sale of any portion of the estate to pay debts or liabilities.

Disproved: Parke—I know your wife didn't like it because you brought me home unexpectedly to dinner last night. Late-Nonsense! Why, you hadn't been gone five minutes before she remarked that she was glad it was no one else but you.

Fatigue of the eyes and more or less persistent ocular troubles are produced by the rapid and brief excitations of the retina by the cinematograph.
