HUNDREDS KILLED; 2,000 HOMELESS

Prairie Fires Are Now Sweeping the Steppes of Old Russia.

MANY HOMES DESTROYED

COMMUNICATION HAS BEEN INTERRUPTED AND ONLY VAGUE REPORTS HAVE SO FAR BEEN RECEIVED.

(American News Service)
London, Oct. 2.—Odessa dispatches received here today say 500 are dead and 2,000 homeless in the prairie fires which are sweeping the steppes. At Sadoma, in the government of

Saratoff, fifty-six peasants were compelled to flee from their farms and their homes were destroyed. At Riadt, in the government of Iver, 98 farmsteads were destroyed and two women perished. At Vovens, in the government of Tchernigoff, sixty farms were ravaged by fire and a girl burned to death. Near Ivanofka-Ginlusa twenty farm houses were burned.

Communication has been interrupted and only vague stories are received from Odessa from refugees. These people tell with thrilling details how the lurid glow of the fires can be seen for miles and miles and how great armies of human beings and wild animals flee before the rush of the conflagration. In one day 1,200 persons were rendered homeless. The suffering is intense and the government is taking steps for relief.

Students of the Crustacea often find the cod a useful assistant collector. Thus the circular crab seems to be a favorite food of cod and rays, and was chiefly from the stomachs of these fish that some of the oldest naturalists obtained their specimens. Another hunting ground of the naturalist is the sailing ship which has been in foreign parts.

Earlham Gossip

Miss Sarah Addington.

A meeting of Ionian, the boys' literary society, at Earlham, was held Friday evening for the purpose of electing officers for the coming term. The results of the election are as follows: President—Payne Comstock. Vice President—Vincent Nicholson. Secretary—Harold Kimball.

At a similar meeting of Phoenix, the girls' society, the following officers were elected: President—Jeannette Fennimore. Vice President—Olive Wright. Secretary—Luelle Wilson.
Miss Louise Estes was chosen as assistant editor of the "Earlhamite," and Miss Olive Wright as assistant business manager.
Last night in the girls' parlor in Earlham hall, about two hundred and fifty students gathered together for the "opening reception," a time honored annual event at the college. After a few minutes of introductions, the program of the evening was given. President Kelly gave a short talk on the social life at Earlham and its advantages. Mr. Pennington and Miss Estes gave short addresses of welcome on behalf of the men and the girls respectively, and Mr. Tretlow, Brooklyn, New York, son of a prominent minister of that city, responded in behalf of the new students. The traditional ice cream and cake were served, and the evening altogether was a delightful affair.

Doctor Sues Woman for Services Rendered Aged Man and Wife.

CLAIM NOTE WAS FORGERY

Winchester, Ind., Oct. 2.—The case of Caroline Hamilton against the estate of George W. Cutler, which has been on trial in the Randolph Circuit court all week, was settled by an agreed payment to the plaintiff of eighteen hundred dollars by the executor, Dr. Du-laney S. Wiggins, of New Castle.
The case was predicated upon a note of six thousand dollars, which Mrs. Hamilton alleges was given to her by George W. Cutler in August, 1890, in consideration of services and attention she had rendered to him and his wife. Mr. and Mrs. Cutler were an aged couple who were childless and in their family Mrs. Hamilton's husband, James Hamilton, was reared, having come there as a mere boy. The relations that existed between the families were largely broken off upon the death of Mrs. Cutler who for years, it is alleged was a confirmed invalid.
State Note Was a Forgery.
The heirs of the Cutler estate alleged that the note was a forgery and the fight against its payment was made on that basis. A large number of old friends, acquaintances and employees of the Cutler family were present as witnesses, coming principally from Rush and Henry counties. Many of them held that the signature to the note was in Cutler's handwriting, while others claimed it was not. The settlement was reached at noon today after the evidence had been closed and a portion of the arguments of counsel made.
