Pittsburg, Oct. 13.—It is summer weather here today as compared to the chilly blasts the Pirates and Tigers encountered in Detroit yesterday, but it was sufficiently warm to bring out a record breaking crowd. Many of the reserved seat tickets are in the hands of speculators. No tickets were available at the box office.

Both teams arrived in good shape this morning but Manager Jennings sent Cobb around by way of Buffalo, to dodge the warrant for Cobb's arrest which is outstanding in the state of Ohio. Today's pitchers are Adams for Pittsburg and Summers for Detroit.

Never before in a Pittsburg ball park has a crowd of ball fans shivered as the one that thronged all the stands and crowded the field to the fences today. The rooting nevertheless was vociferous. The grounds are in glittering contrast to those at Bennett park, Detroit. The paths are smooth, hard and dry and the field in perfect order.

Four umpires are working today, Johnson behind the plate; O'Loughlin on bases; Evans in left field and foul line and Klem in right field and foul line.

BRAUN GETS COIN BY A NEW METHOD

Man Arrested Here, Taken to Springfield, Ill., for a Hearing.

A FRAUD ORDER ISSUED

"MENTIOPATHY" AND TELEPATHY "CURES" INVESTIGATED BY GOVERNMENT—WAS A VERY UNIQUE SCHEME.

Indianapolis, Oct. 13.—John F. Braun who was arrested in Richmond, was taken to Springfield, Illinois, today by a deputy United States Marshal, on the order of Judge Anderson.

The postal department has issued a fraud order against John F. Braun and Kate A. Braun, the former of whom was arrested here about two weeks ago.

A Washington account says:

Washington, Oct. 13.—Mentiopathy and telepathy are new devices by which money is obtained from credulous people, according to a statement made by the postoffice department.

The department, acting upon allegations in a report of its inspectors, has issued what is known as a "fraud order" against John F. Braun and Kate A. Braun, conducting the "Braun Institute of Mentiopathy." "The Braun Health Institute," at Bloomington, Ill., and the "Mo-Bo Herb Remedy company," and Manhattan Collecting Agency of Bloomington, Indianapolis and Greenfield, Ind.

Collected Large Sums.

Persons suffering from any conceivable disease were advised by circulars sent to them through the mails that they could certainly be cured by the Brauns through the use of Mentiopathy and telepathy. The charge made by the Brauns was \$5 a month for two "absent treatments," a day. The receipts of the various institutes conducted by the Brauns were discovered by postoffice inspectors to be large, as much as \$100 a day being received by them in money orders at Bloomington alone.

The report to the postmaster-general by the inspectors alleges that Braun was indicted by an Illinois grand jury for fraud in the conduct of his business, and that he disappeared and is now a fugitive.

Little Girl is Near Death: Grandfather Walks to See Her

Greatly encumbered by the burdens of many years, alone and without friends or money and suffering the privations of many hardships endured on his long journey, a white-haired and stoop-shouldered old man, who gave his name as Captain Christopher P. Rathbun, of Scranton, Pa., arrived in Richmond this morning enroute to St. Louis, having walked every step of the hard, weary trip.

The old captain is not on pleasure bent. Neither is he walking for the benefit of his health. Nor is he attempting to break Weston's feat or other endurance records that have been made from time to time across the continent. His mission is purely one of the heart, and he's walking, not through choice, but because he has not the money to ride. He is trying to get to St. Louis before his little granddaughter, the only relative he has in the world, who lies critically ill in a hospital in that city, dies.

With faltering voice and quivering lip the old man briefly told his pitiful

YINGLING IMPROVED

Harry Yingling, who was injured on the Pennsylvania railroad near the Nineteenth street crossing about four weeks ago, is considerably improved and it is thought he will be able to leave the hospital within the course of the next few days. Yingling's arm was cut off and his hip fractured. Large heavy weights are now attached to his hip in the hope of straightening it out. Yingling's recovery was considered very doubtful for several weeks.

ITS UP TO MURPHY

Pittsburg, Oct. 13.—The National Baseball Commission today gave Charles W. Murphy, president of the Chi-

cago National baseball club, two hours to pay his fine of \$500 or forfeit his franchise. The vote was unanimous. Murphy was accused of tampering with a player by the name of Pfeffer, who was under contract to the Toronto club.

JAFFE CASE WAS ON TRAIL TODAY

Young Russian Jew Placed on Stand and Proved a Good Witness.

ACCUSED 23 YEARS OLD

IT IS ALLEGED BY THE STATE THAT THE YOUTH RECEIVED STOLEN GOODS—ARGUMENT THIS AFTERNOON.

The state and defense rested this afternoon about 2 o'clock in the case of the state versus Samuel Jaffe, charged with grand larceny. The jury was excused for a short intermission after which Charles Ladd, prosecuting attorney, opened the arguments for the state and was followed by Byram Robbins. Henry U. Johnson for the defendant spoke and the arguments were concluded by Ray K. Shiveley for the state. Each side had an hour and a half in which to present its facts to the jury.

The trial today developed nothing of particular interest, other than that which has been published. Jaffe, the defendant, was on the stand this morning and made a good witness in his own behalf. Everything alleged by the state was practically denied. Jaffe is a Russian Jew, coming to this country about seven years ago. He is 23 years old. He landed at New York, came to Richmond and from here went to Sidney, Ohio and then returned to this city again.

NEAR FIRST PLACE

The Colonials moved dangerously close to first place and the Entre Nous took fourth place last evening as a result of the match between these two clubs of the City Bowling League. The Colonials won the first two games in easy fashion but played off color in the third. The team scores resulted as follows: Colonials, 403, 857 and 770; Entre Nous, 725, 819 and 849. In the railroaders' league, the High Balls won two games from the Specials, in three interesting games.
