## ODDS FAVOR TIGERS

Betting Has Quickly Switched, Making Detroit the Favorite.

## PIRATE MONEY IS SHORT

(American News Service)  
Detroit, Oct. 15.—For the first time since the world's series began, the Tigers are favorites in the betting in their home town. Odds quickly have switched from ten to six that Pittsburgh wins to 10 to 8 that Detroit wins. Around the hotels odds of five to 3 that Detroit wins, was freely offered and not accepted in quantities sufficient to shorten the odds. The supreme confidence of the Detroiters rests on the fact that in no game after the first have the Tigers scored less than four runs and they have demonstrated their ability to get any pitcher Pittsburgh has worked.

Paris French Restaurants. Student restaurants in Paris are an institution that Americans may well envy. They are run solely for the benefit of the students, although strangers are welcome. There are certain little formalities that must be observed. For instance, it is the duty of every one entering to bow to the madame and say, "Bonjour, madame," or "Bonsoir, madame," according to the time of day. After one has finished his meal he asks for the "addition," as the bill is called. When it is presented by the trim little waitress it is considered only proper to say, "Merci, mademoiselle." He then leaves tip of 10 centimes, or 2 cents, and, again bowing to the madame and saying "Bonjour" or "Bonsoir," he is at liberty to leave. The highest priced article on the bill of fare is 75 centimes, or 15 cents, and this in all students' restaurants is a chateaubriand, a tender piece of beefsteak surrounded with potatoes soufflé. Never drink French coffee. It is execrable. The French do not consider coffee good unless the beans are to a black crisp—Lyceumite.

Oak Mark For Government Surveyors. The sky line north of Mountain Home, Ark., rises in two long curves, then flattens out and leaves in silhouette above the crest of what is known as Wallace knob a solitary tree. It is such a strikingly lovely tree that no visitor to the town fails to notice it and ask how it got there. There he learns that several years ago the government engineers decided to find out the exact fall of the land from Denver to Atlanta. Ga. Wallace knob on account of its elevation was chosen as one of the three chief observation points in a huge triangle. To mark this knob with a conspicuous object to sight at all the trees on it were cut off but this one marker. It is an oak fifty or sixty feet in height—Kansas City Star.

An Expensive Wedding Gift. Harwood—But if you hate the chap that won your old girl why did you send him an expensive wedding present? Cogger—Hist! I sent him my old automobile for revenge. It breaks down every few miles and costs a rich man's income to keep in repair—Chicago News.

Chicago, Oct. 15.—Troy, N. Y., and Visalia, Cal., defeated the Corner of Thirty-ninth Street and Wentworth Avenue in the hardest-fought game of the internece series yesterday and put the Cubs within one game of the championship of Chicago.

Evers, of Troy, worrying big Ed Walsh by his waiting tactics and his slashing place hitting, worrying him on the bases until he also passed Sheppard while trying to keep the little Trojan from stealing, managed to wriggle, squirm and scoot around the bases twice with the only two runs the West Siders made, while big Orval Overall held the Sox to one lone tally and with the aid of nine strike-outs and the untimeliness of the Sox, managed to cling to his narrow advantage to the finish of the fiercely fought game.

The day would have been a delightful one for I-Took-A-Chew and Dr. Cook to have a lawn party on some festive glacier, but in spite of the cold, the gloom, but chilly gale that swept the field, nearly 10,000 persons came to witness the fourth battle of the series.

The cold weather kept the attendance down. The paid attendance today was 9,917. Gross receipts were \$5,122, divided as follows: National Commission, \$531.20; players' share, \$2,668.48; each club \$956.16. The total amount to be divided among the players is \$23,910.65. Of this amount the team to win four games will receive 60 percent and the losing team 40 percent. Score: R. H. E.

BOSTON AMERICANS

Won the Post Season Series With the Giants.

New York, Oct. 15.—The Boston Americans wound up the post-season series with the New York Nationals here yesterday by winning their fourth straight victory, 5 to 4. Only 789 fans braved the cold weather to witness the contest. The locals put up a poor exhibition throughout. Speaker again starred for Boston, batting in the first three runs scored by the visitors. The series in a financial way was a disappointment to the promoters. The total receipts for the five games were \$12,862.50. Of this amount the Boston team received \$4,006.73, to be divided between 20 players, the manager, trainer and secretary. The New York players get as their share of the receipts \$2,671.16. Score: R. SUSPECTS ARE HELD

## EARLHAM TO MEET ANTIOCH OUTFIT

Two Old Rivals Will Clash Tomorrow Afternoon at Yellow Springs.

## A FAST GAME IS EXPECTED

RESULT OF CONTEST SATURDAY WILL HAVE NO BEARING ON SECONDARY CHAMPIONSHIP IN THIS STATE.

Sixteen determined Quakers will leave tomorrow for Yellow Springs, Ohio, to meet their old rivals on the gridiron at Antioch college. Both squads are courting a victory and the pigskin will have a hard trip before it is lodged behind either goal post.

All the "dope" available places the contest in the balance. Antioch won from Cedarville college and so did Earlham. Each squad scored about the same number of points. Antioch team is reputed as being heavy and well trained while the Quakers are light and fast.

The game with Antioch may point out some of the weak points in the Quaker line, which it was expected Cedarville would do. The Antioch men have been trained to team work, while Earlham has developed team work only during the past week.

Preparing for Butler.

The football game tomorrow cannot harm the chances of Earlham for the secondary championship of Indiana. Win or lose it will not affect the standing of the Quakers among the Indiana colleges. Coach Thistlethwaite will take the men there, first to develop a squad to meet Butler and second to win from Antioch. This game may pave the way for a victory October 23 with Butler, by showing the weak places of the Quakers.

Connolly and Beebe will play quarter and the Quakers. Connolly is the New Haven, Conn., man who has made good during the three weeks of practice and unless he is bothered by his left leg, he will make a good man for the Quakers. During one of the scrimmage games this week a member of the squad kicked him in the left thigh and he has received the care of a physician and rub downs by the assistants all week. In the practice last evening however, he showed his usual form and he will be a strong quarter.

Larrance, another freshman, will be played at left end. Larrance is probably the lightest man in the Quaker squad, but not the smallest. While at Earlham he has developed into a great kicker as well as a fast runner and when he gets the ball he sprints through the opponent's line. Stanley is the other Quaker who boosts the Earlham stock. His plays are not spectacular, but he is always "there with the goods." In these three men Earlham will rely for a victory or defeat. Connolly can carry them through by signals and team work if any one can. Larrance can kick and run and Stanley can fight.

The other Quakers to meet Antioch include Houghbanks at left tackle, Overman at right tackle, Furnas at end, Cockopp and Lewis at guard, Bruner and Cook at left and right guard and Haworth at full.

Easthaven Population Takes Great Interest in the World's Series.

## RESULTS POSTED DAILY

ONE OF UNFORTUNATE WARDS OF THE STATE WAS FORMERLY A STAR PLAYER OF CHICAGO NATIONAL TEAM.

Even the inmates at Easthaven are watching the result of the world's championship baseball series between Pittsburgh and Detroit with deep and intense interest. The returns of each game are received at the hospital soon after the games are played and the interest that is manifested there in the neck-and-neck race between the two league teams is more pronounced each day and is at present at fever heat, it is said.

Some of the inmates are in the institution as a result of too much baseball. One of the inmates is an old ex-National leaguer, having played many years ago with the Chicago Cubs. Naturally he was of the opinion that the National league would make the Americans look like a bunch of school boys, playing bean bag on a vacant lot. However his eyes have been opened somewhat by the article of ball the Tigers have been putting up in the series. Nevertheless he is still a loyal supporter of the Pirates and has a large following at the hospital who pretend to know nothing whatever about the matter and resign in favor of their leader's better judgment.

## WILL INSPECT ROAD

Hawley, Shonts and Black Will Make Trip Over the C. C. & L.

## TO MAKE IMPROVEMENTS

That officials of the Chesapeake and Ohio railroad, including Edwin Hawley, Theodore Shonts and Harry Black, have designs on the C. C. & L. railroad is evident from the fact that their names are always being mentioned in connection with the rumors of the prospective purchase of the road. Word was received today in a dispatch from New York city, saying that an inspection party including these officials will make a trip over the road in the near future.

The dispatch says that the line will be inspected with an idea of deciding on the improvements necessary. Following each report that the road is to be sold, it has been officially denied by federal court officials and James P. Goodrich, receiver for the road. Mr. Hawley who has often figured in the dispatches as the purchaser, has also denied the authenticity of the reports on each occasion his name was mentioned.
