

The uppers are cut out of the very best leather and are as good as can be made regardless of price. They have heavy soles with extension edges that protects the uppers. It is an unlined shoe, has no lining to wear out, no wrinkled lining over the toes, which is a strong feature. The quarters extending down and lasting under makes a counter cover, taking the strain off the vamp seam and preventing ripping.

FOOL HUSBANDS TO HOLD THEIR LOVE

Is the Pointed Advice Given to Young Girls by a Pastor of Chicago.

RIDICULES THE OLD SAYING

THAT "TWO CAN LIVE CHEAPER THAN ONE" DECLARING IT TO BE FALLACIOUS, IMPOSSIBLE AND MISLEADING.

Chicago, Oct. 23.—Matrimonial mis-haps and how to avoid them was the text of an address delivered before the Klio association, 6 Monroe street, by the Rev. D. D. Vaughan, pastor of the South Halsted street Institutional church.

About two hundred young women listened to the discourse and went to their homes with some of the following epigrams ringing in their ears:

"If I were a girl I would shun a man who had sown his wild oats as I would poison."

"Marriage is the normal state, but it is no longer a necessary state."

"The only basis on which marriage should be contracted is on the basis of love."

"Women often marry for a home, for money, or because they wish to show some other woman that they can marry that particular man."

"Learn to understand your husbands—men are transparent."

"Pretty women are not in demand; neat girls are."

"To hold the love of your husbands keep fooling them. Make them believe you are the angel they suppose."
