

QUAKERS SNOWED UNDER LUTHERANS

Springfield Eleven Was Surprisingly Easy for the Earlham Outfit.

LOOKED LIKE CHAMPIONS

AND IT IS NOW THOUGHT EARLHAM HAS EVEN CHANCE TO DEFEAT DEPAUW FOR SECOND-ARY STATE HONORS.

Earlham 31; Wittenberg 0.

Earlham won from Wittenberg on field yesterday afternoon, 31 to 0, in the hardest fought football game of the season. Although the scores were made regularly it was only the consistent work of the Quakers that broke through the Lutheran line and the successful forward passes which spelled victory for the Earlham squad. Wittenberg was taken off her feet from the beginning and could not play together.

This victory for Earlham was celebrated at the college last evening and the opinion is general that the Quakers can give DePauw a hard game for the secondary championship of Indiana, November 20.

The game yesterday afternoon was marked by two injuries. Both Turbyville and Ziegler had their noses broken. Turbyville was injured in the first half, but played most of the second half. Ziegler's nose was broken in the second half when Wittenberg tried to hold the Quakers near their goal post.

Made Big Gains.

Earlham opened the game when Haworth kicked to Cole. Wittenberg tried to punt and the pigskin rolled outside and the Quakers had the ball. Turbyville and Bruner made two large gains. Bruner got the ball and made a forward pass to Turbyville who made the first touchdown for Earlham. Turbyville kicked goal.

Krigbaum kicked to Turbyville, who made a long gain. On a fake forward pass the pigskin was carried 20 yards by Jones. The ball went to Wittenberg who tried to punt but Hughbanks blocked the punt, secured the ball and made a thirty-five yard run down the field and scored the second touchdown. Haworth kicked goal.

Krigbaum kicked and Wittenberg secured the ball on a fumble. Sawyer

then kicked to Jones who made a forward pass to Furnas. Jones then made a fake forward pass to Furnas who made another gain. Earlham bucked the line and Bruner carried the ball 10 yards. Another fake punt was successfully played and Raegan made the third touchdown. Turbyville failed to kick, and the first half closed 17 to 0 for Earlham.

The Second Half.

Haworth kicked off to Frey who made a fast run of ten yards only to be tackled by Bruner. Wittenberg fumbled and Earlham used another forward pass and made a gain only to be penalized fifteen yards for holding. This did not stop them, however, for the next play they made a thirty yard gain. Wittenberg secured the ball on a fumble. Frey tried a forward pass to Hockenschmidt, who fumbled and Furnas caught the ball. Connolly was substituted at quarter and made a quarter back run for twenty-five yards. By straight football Haworth was forced over the line for another touchdown. Turbyville kicked goal.

Furnas then made the first safety for the Quakers. Wittenberg secured the ball but lost on a fumble to Hughbanks. Hughbanks then assisted Johnson who secured the next touchdown for Earlham. Connolly kicked goal.

Hanning kicked off to Haworth who made a fifty-five yard run, and time was called on the second half.

HIGH SCHOOL IS AN EASY WINNER

Richmond Lads Trounced the Greenfield High School Yesterday 21 to 0.

HAAS PLAYED GREAT GAME

LOCAL FULLBACK MADE ONE TOUCHDOWN AND KICKED THREE PRETTY FIELD GOALS—ALLISON WAS ALSO A STAR.

Greenfield, Nov. 6.—Richmond players proved too much for the local high school team, and won the game this afternoon, 21 to 0, with two touchdowns, two goals and three place kicks. Haas, the Richmond full back, played a star game, making one touchdown and three drop kicks. Allison, quarter back for Richmond, made the best showing for his team.

Waldrup of Richmond and Frank Meek of Greenfield, alternated as referee and umpire. The grounds in this city are not the most favorable, yet there have been several fine contests this season. Last Saturday the local team won an easy victory over the Greenwood high school, but the players today appeared to be afflicted with "stage fright" before the game began. The Richmond boys looked even bigger than they really were. The high school girls were loyal and were out in numbers with streamers of orange and black, the high school colors, but when they saw the good playing of the Richmond boys they gave them jolly support and applauded their work.

WERE MURDERERS A RESULT OF WILD DRUNKEN MELEE?

(Continued From Page One.)

the two dead men still lie in the undertaking establishment at Centerville. A further investigation has disclosed the fact that there are two bullet holes through the body of Crackie. Crackie was a giant in stature being about six feet two inches in height and weighing probably 240 pounds. Unless the bodies are claimed they will very probably be sent to the state medical school at Indianapolis as the state law requires that this course be pursued.
