

EARLHAM DEFEATS THE DEPAUW TEAM

Quakers Spring a Surprise and
Win Hon Contest by
14 to 11.

WAS NIP AND TUCK FIGHT

AT THE CLOSE OF THE FIRST
HALF EARLHAM LED BY TWO
POINTS AND LAST HALF WAS A
DESPERATE CONFLICT.

(Palladium Special)
Greencastle, Ind., Nov. 20.—Earlham
not only defeated De Pauw on her own
grounds, 14 to 11, this afternoon, but
snatched the second place in the foot-
ball standing of the secondary col-
leges of Indiana, from the Methodists.

For three years Earlham has lost to
De Pauw and for three years it has
been hard for her to secure games with
recognized Indiana colleges. The vic-
tory over De Pauw will give Coach
Thistlethwaite an excellent chance to
secure Indiana colleges of first stand-
ing in foot ball games next season, and
it will also place Earlham on the map
for the athletes of the high schools
and colleges of the state.

Was Bitter Contest.
The game this afternoon between
Earlham and De Pauw was the hard-
est fought contest of the season for
either college. At the opening of the
game both were confident of a victo-
ry.

Although Earlham finished the first
half in the lead, the game was at no
time won until the end. As soon as
the Quakers would make a goal De
Pauw would rush her plays and score
on the Earlham variety. Every mem-
ber of the Richmond aggregation played
splendid foot ball and Captain Stan-
ley and Haworth loomed up as can-
didates for the all-state team.

The first touchdown was made by
Haworth for Earlham after fifteen
minutes of play. The pigskin was
carried from one part of the field to
the other and for a time it seemed im-
possible for either college to score.
The plays by Earlham were some of
the best seen on the local gridiron.
Coach Thistlethwaite had drilled his
men in new formations and the new
forward pass and punts by the Quak-
ers scored the first touchdown. Brun-
er kicked the goal. The small band of
Quaker rooters were wild at this
play and the De Pauw yells lost their
sting.

A Costly Penalty.
On the second kick off by Bruner,
Walker carried the ball 20 yards. De
Pauw was then held and lost the ball
on downs. On her five yard line De
Pauw was penalized for tripping and
the pigskin was placed on the 1-yard
line. Grady, who was supposed to
kick for De Pauw, was delayed and
Bruner carried the ball over the goal
for a safety.

Seven minutes after the safety De
Pauw scored her first touchdown by
linebacks and end runs. Jackson
scored and Chambers kicked goal.
Then time for the first half was called,
Earlham having the better of the
contest by a score of 8 to 0.

De Pauw opened the second half
strong. The Methodist warriors, after
the lecture by Coach Brown, went in
the game to win or die. For thirteen
minutes the ball was pushed, foot by
foot by DePauw and finally Stansell
secured a touchdown, which placed De
Pauw in the lead. Chambers failed to
kick goal.

For twelve minutes more the ball
was in the possession of the Quakers
and then in the possession of the
possession of the Methodists, until the
former rallied, and by some trick for-
mations, carried the ball for another
touchdown. Bruner then kicked goal,
and the second half was called with
the score 14 to 11 in favor of Ear-
lham. Lineups:

PLAYED A TIE GAME

Chicago and Wisconsin Gave
An Inconsistent Exhibi-
tion Yesterday.

BADGERS SCORE ON FLUKE

(American News Service)
Chicago, Nov. 20.—In a brilliant but
inconsistent exhibition of ultra-mod-
ern football, the Chicago and Wiscon-
sin teams fought to a 6 to 6 tie today
at Marshall Field. The Maroons
scored the only touchdown of the game
on straight football, the Badgers
counting their touchdown by a fluke
early in the contest.

Captain Page of Chicago played his
last game of college football with
dimmed honors. He struggled magnifi-
cently and succeeded in running his
football machine in classy style, but
he made the error that cost him a
victory. After ten minutes of play,
Page misjudged a long high punt and
the ball bounced to the ground.

Mackmiller, of Wisconsin grabbing
the pigskin five yards from the ma-
roon goal and romping across the line.

WABASH WAS OUTCLASSED

(American News Service)
South Bend, Nov. 20.—The invincible
gold and blue eleven today demon-
strated their wonderful foot ball abil-
ity by trouncing Wabash and piling
up a score of 38 to 0, without any no-
ticeable attempt at exertion. The
Little Giants were utterly outclassed
and never had a chance to hope for a
point. Before three minutes were up
Hamilton, the wonderful field general,
gave an exhibition of his versatility
by booting the ball between the goal
posts from the forty-five yard
line, and from that time on Notre
Dame seemed to be able to send over
touchdowns about as she wished.

YALE WINNER OF BITTER CONTEST

New Haven Men Take the Har-
vard Eleven by the Score
Of 8 to 0.

HARD FEELING IS SHOWN

ALL SORTS AND BRANDS OF FOOT
BALL WERE THROWN INTO THE
BATTLE—PUNTING WAS ONE
OF THE FEATURES.

(American News Service)
Cambridge, Mass., Nov. 20.—Yale's
blue is waving triumphantly tonight
over the crimson of old Harvard.

After a magnificent struggle that
was marked by the most bitter feel-
ing shown between the rivals in years,
the foot ball squad from New Haven
proved just a little bit too strong for
the home boys, the final score of the
mighty struggle being 8 to 0.

All sorts and brands of foot ball
were thrown into the battle. There
was much that was brilliant and spec-
tacular though the long runs were
rather conspicuous by their absence.
But there was so much excellent pun-
ting and catching, and so much action
in every instant that the ball was in
play, that the gigantic mob saw a
seething mass of excitement from one
end of the game to the other.

PURDUE BITES DUST

(American News Service)
Bloomington, Ind., Nov. 20.—In the
greatest contest ever played here, In-
diana defeated Purdue, its old rival,
this afternoon by a score of 36 to 3.
The game was witnessed by eight
thousand fanatics. Purdue was clearly
outclassed in all the finer points
of the game, while Indiana was in
fine form.

MICHIGAN A WINNER

(American News Service)
Minneapolis, Minn., Nov. 20.—Mich-
igan's machine had the high gear
turned on today and it ran clean over
Minnesota. With the Gophers, cham-
pions of the Big Eight, literally humb-
led, 15 to 6, the Wolverines lay claim
to the title of the west. It is a doubt-
ful title, however, as Notre Dame
wears Michigan scalp on its belt. The
question is, "who's got the champion-
ship."

BIG UNION BENEFITS.

How the Society of Engineers Aids
Out of Work Members.
The annual report of the Amalgam-
ated Society of Engineers for 1908
was recently received from the gen-
eral office in England. The Amalgamated
society is an English organization, with
branches the English speaking world
over. The branches in the United
States and Canada are affiliated with
the American Federation of Labor by
arrangement with the international
unions of machinists and engineers.
The report showed slightly over 100-
000 members in good standing at the
end of the year. The main items of
expenditure from the head office were
\$1,223,730 in unemployed benefits,
\$260,000 in contingent trade benefits,
\$308,760 in sick benefits, \$649,520 in su-
perannuated or pension benefits and
\$43,840 in sick lent trade grants to help
other organizations in difficulties.
The returns show that the benefits
paid by the local unions, in addition to
the grants from the national funds,
made a total of \$5,400,533, more than
\$50 a member.

The exceptionally hard times during
the year accounted for the heavy dis-
bursements, for which the general and
invested funds had to be largely drawn
upon for the first time for some years.
The report shows, however, that the
general funds still had a total balance
of \$3,386,000 at the end of the year
and that the superannuated reserve
fund had \$1,750,000 left when the
books closed, an aggregate total of \$5-
216,000 in all funds in the hands of the
treasurer, and nearly all, as shown in
the detailed report, invested in paying
real estate and mortgages.
A recapitulation of the benefits of all
kinds paid by the society during the
fifty-eight years in which benefits of
any kind have been paid shows that a
total of \$10,727,005 has been expended
in the work.—Pennsylvania Grit.

The Union Label Campaign.
Miss Annie C. Patterson of Brooklyn,
chairman of the auxiliary committee
of the Label League of Greater New
York, was the principal speaker at a
recent meeting to boom the label cam-
paign.

In the course of her argument Miss
Patterson said that organized labor is
only half organized. The other half,
the spending power of the family, is
more than wasted. It is used to build
up the sale of nonunion goods. The
purpose of the women's auxiliaries is
to organize that spending power of or-
ganized labor, to systematically build
up a demand for the union label. The
wages of the organized workers amount
to about \$2,000,000,000 a year, 95 per
cent of which is spent for nonunion
goods, which is a sufficient argument
that the spending power of the work-
ers must be organized.

DENKINS IS ARRESTED.

William Denkins was arrested last
evening for public intoxication by Pa-
trolman Edwards on North Fourth
street. He is said to have made in-
sulting remarks to pedestrians in that
vicinity. The man will be arraigned
in the city court Monday afternoon.

THIS FATALITY WILL HAVE AN
EFFECT ON THE ANTI-FOOT-
BALL AGITATION NOW ON IN
NEW JERSEY.

(American News Service)
West Orange, N. J., Nov. 20.—The po-
lice today began an investigation into
the death of Albert P. Wiberalske, the
17-year-old boy, whose spine was bro-
ken in a foot ball game yesterday. His
injuries were remarkably similar to
those which caused the death of Car-
det Byrne of West Point and brought
Midshipman Wilson, of Annapolis,
near death. Wiberalske was right
halfback of the West Orange high
school team, which played the Trinity
Chapel team of New York on the Wat-
tessing oval, when he was fatally hurt.
One result of the fatality will be an
effort at anti-foot ball legislation in
this state.

His Neck Broken.
It was in the second half that the
boy was killed. Wiberalske was given
the ball and carried it to the 30-
yard line. He was tackled low, and
in falling, pitched on his head, dou-
bling it under his body.

The lad was rushed to the Memori-
al hospital two miles away, in an auto-
mobile and was placed on the operat-
ing table. He never regained con-
sciousness, however.

FIRE CAUSES SCARE

Big Crowd Attracted to Blaze
At the McWhinney Block
Last Night.

RATS GIVEN THE BLAME

Fire broke out in the McWhinney
block between Eighth and Ninth
streets on Main last evening about 8
o'clock. The blaze was confined be-
tween the boards of the second and
third floors. Walter Dalbey lives on
the second floor and Walter Wood-
worth resides on the third. The origi-
n of the fire is a mystery. There
were no wires in the vicinity to cause
the blaze and it is presumed that the
blaze was started by rats gnawing
some matches between the flooring.
The loss was about \$20. Only a small
hole was burned in the floor and the
fire was extinguished by the use of
chemicals. The firemen have led a
strenuous existence during the past
two days. They have responded to
four alarms. However, none of the
fires have been serious and the total
amount of damage was small.

IS MUCH IMPROVED

James Straight, who was seriously
burned about the face, hands and fore-
arms by scalding steam, which was
turned on while he was working in a
man hole back of the Richmond Bak-
ing company last week, was removed
from the Reid Memorial hospital yes-
terday to his home, 1124 North H
street. The man is considerably im-
proved, but it will be several days be-
fore he will be able to resume his du-
ties as sewer inspector for the city.
