RADIANT HAIR

New York Society Women's Hair Matched Only by Parisians.

For many years the clever women of Paris have been famed for the magnificent beauty of their hair.

"Glorious hair," a Virginian calls it; "so radiant and lustrous that it not only attracts, but fascinates, and compels unstinted admiration."

But now that the elite of New York, ever anxious to improve their beauty, have learned that Parisian Sage, a remarkable and almost marvelous hair-nourisher and beautifier, is almost entirely responsible for the charming hair of the ladies of France, the demand for it has become enormous.

A Philadelphia chemist who analyzed Parisian Sage, said: "It is the ideal dressing for the hair. The ingredients are so scientifically combined that Parisian Sage is first of all a hair grower, because it surely destroys dandruff germs, and nourishes the hair roots."

"Second, it puts life, substance and brilliancy into the hair, which improves the attractiveness of any one."

"Third, it is very delicate scented; is not a particle sticky or greasy, and does not contain one atom of anything that could possibly injure scalp or hair."

Parisian Sage is now sold all over America by progressive druggists, and in Richmond by L. H. Fife, who is glad to guarantee it to eradicate dandruff, stop falling hair and itching scalp in two weeks or money back.

Price 50 cents. Made in America by Giroux Mfg. Co., Buffalo, N. Y., who fill mail orders. The girl with the Auburn hair is on every package.

SKIN SUFFERERS' DOUBT IS REMOVED.

Specialists Are Convinced That Oil of Wintergreen Wash Will Cure.

Many eczema sufferers have failed so utterly with salves and other "discoveries" that even the assurance of the best physician or druggist cannot induce them to invest another dollar in any remedy.

It is to these discouraged sufferers in particular that we now offer, at only 25 cents, a trial size bottle of the accepted standard eczema remedy, a simple wash of oil of wintergreen compounded in D. D. Prescription.

The best skin specialists long ago became convinced that this simple wash offered the only true cure for eczema, and the thousands of cures could not help but convince us also. We confidently hope that with our assurance every sufferer will be willing to try this D. D. D. remedy, at 25 cents; especially as we know you can prove instantly with the first application that it takes away the itch at once.

Conkey Drug Company.

Whist was played at three tables. Mrs. George Reid, Mrs. Henry Wickemeyer and Mrs. Edward Cooper won the favors. ARE MAKING TESTS

Tuberculin Method Being Applied on Wayne County Dairy Herds.

SO FAR RESULTS PLEASE

Dr. F. A. Bolser of New Castle is engaged in making tuberculin tests in certain dairies in Wayne county. The tests are authorized by the city health department and in many cases requested by the proprietors of dairies.

It is said that in many instances the lives of babies have been snuffed out from the use of impure milk and it is to prevent this that the tests are made at frequent intervals.

So far as the examination has been conducted no cattle in which there is a trace of the dread disease, have been found. The test will require the greater part of the winter.

SHATTERED ROMANCE

Briefly Told by a Wayne County Farmer in Marriage Application.

BRIEF BUT TO THE POINT

A marriage license taken out yesterday by a farmer at County Clerk Herry E. Penny's office, court house, contained very explicit answers to all the questions contained on the license blank, thus deviating from the ordinary custom of answering questions by the words "no" or "yes." He was doubly explicit in answering the question as to how his first marriage had been dissolved. The man's name is not published for several good reasons. The application after being filled out read as follows:

(Q) Has the contracting party been an inmate of any asylum or home for indigent persons within the last five years?

(A) He has not.

(Q) If so, is he now able to support a family and likely to so continue?

(A) He certainly is.

(Q) Is this his first marriage?

(A) It is not.

(Q) If not, how often has he been married?

(A) But once.

(Q) Has such prior marriages been dissolved?

(A) It has.

(Q) If so, how?

(A) By desertion and divorce in 1902.

A NEW YORK CENSUS

(American News Service)

New York, Nov. 24.—This city is beginning a school census that promises to be epoch-making in American cities. From now on parents must notify the police department when they move their children from one address to another. It is considered significant that New York city thus commits itself to the principle of a permanent registration in the hands of the police, for only two years ago there was a general objection to importing from Europe what was then resolutely called "police espionage." Mr. Felix M. Warburg, of the great banking firm of Kuhn, Loeb & Co. and a former commissioner of education, has for years been working for a permanent police registration but wants landlords, rather than parents, to be responsible for notifying the police of removals or non-comers in each house.

It is expected that this census will find many thousands of children illegally at work from school and possibly a few thousand illegally at work.

HE SAW LEE CRANOR

Lee Cranor, who formerly resided in this city, is assistant superintendent of a life insurance company with headquarters at Chicago, and is doing well. He was visited by Sheriff Minus Meredith yesterday. Mr. Meredith had taken Earl T. Hall, the insurance embezzler, to Michigan City, Monday, and went on to Chicago to visit Mr. Cranor whom he has known since a boy.

FINE ARTS DISPLAY

(American News Service)

Washington, Nov. 24.—One of the main attractions of the World's Fair at Brussels in 1910 will be the International Exposition of Fine Arts, which will be housed in the halls and galleries of the Palace of the Jubilee. The exposition will open about May 1 and close about November 13. This country will be officially represented.

A chimney of concrete block was the use of scaffolding, which represents a great economy in the cost.

THE ONLY WAY

Many Richmond Citizens Have Discovered It.

Just what to do when the kidneys are affected, is a question that concerns both young and old. Weak kidneys neglected in childhood lead to life-long suffering. People of advanced years, with less vitality, suffer doubly. In youth or age, languor, backache, urinary irregularity, dizziness and nervousness make life a burden.

There is one remedy that acts directly on the kidneys and cures these troubles. Doan's Kidney Pills owe their world-wide fame to the fact that they cure sick kidneys and cure them permanently. Follow the example of this Richmond citizen and you will be convinced that this is so.

Mrs. James Henry Brokamp, 62 Sherman street, Richmond, Ind., says: "Doan's Kidney Pills have been used in my family off and on for at least six years and they have brought such good results that we always keep a supply on hand. Whenever an attack of backache or any other symptom of kidney complaint appears, Doan's Kidney Pills are used and they never fail to bring relief. I have no hesitation in recommending this remedy."

For sale by all dealers. Price 50 cents. Foster-McMillan Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

cine, with the knowledge that there is no other remedy, at any price, made anywhere else in the world, which will effect so thorough and prompt a cure as a fifty-cent treatment of Pape's Diuretic, which any druggist can supply. It is needless to feel miserable and worried, because this unusual preparation goes at once to the out-of-order kidneys and urinary system, distributing its cleansing, healing and strengthening influence directly upon the organs and glands affected, and completes the cure before you realize it.

Accept only Pape's Diuretic—fifty-cent treatment—any drug store—anywhere in the world.

Richmond Fortunate.

During the holiday season the public generally turns to the theater for its amusement. This Thanksgiving season Richmond is particularly fortunate. Both at the Murray and the Gennett there are two splendid vaudeville bills and of the ten acts on the boards at both theaters there is not one poor number to be found—something absolutely unique.

W. R. P.

At the Gennett.

Did you ever see a natural born comedian—there is one at the Gennett this week—Dick Gardner. In my opinion Gardner and the pretty Anna Revere have one of the most laughable acts in vaudeville. One cannot describe the nature of this act. It must be seen to be appreciated. It will really furnish several mirth eruptions. The Four Mullers in a juggling act furnish a splendid feature number. They are all artists in the hoop rolling specialty. Happy Jack Gardner puts on his usual high class black face act and he has not lost his voice since his last appearance here. Girdler and his four dogs furnish a neat act. It is something new. "A Friend from Wall Street" is a little sketch by George M. Cohen and is funny and well put on. Mary Ann Brown in a singing specialty has been well received. The piano on some occasions is an improvement over a full orchestra.

W. R. P.

At the Murray.

The Murray starts its bill this week with a singing sketch by Miss Edith Earl and company. The staging for this act is attractive and the act well put on and tuneful. The three other acts that follow measure up to the excellent opener. W. J. Woods and company put on a little sketch entitled "Country Cousins" which is entertaining and splendidly acted. The Two Blue Jays put on a tramp musical act that is well worth seeing, their comedy being contagious. But the real feature of the bill are the wonderful Kessley Marionettes. These inanimate little creatures really appear to have the divine spark of life in their breasts, so life like do they appear. It is truly a wonderful exhibition.

W. R. P.

"Time, Place and Girl."

Written primarily with a strong love story of human interest in view, "The Time, the Place and the Girl" which plays an engagement at the Gennett tonight proved that this, when embellished by fun, catchy songs and pretty girls in vigorous dances, is the most successful play that that prolific trio, Will M. Hough, Frank R. Adams and Jos. E. Howard have turned out. This play broke all records in Chicago, running there 463 consecutive times and has created equally notable records where ever it has appeared. Although the comedy is written to give supremacy over the music, there are ten musical numbers, including "Thursday is My Jonah Day," "The Waning Honeymoon," "Blow the Smoke Away," "I Don't Like Your Family," "Don't You Tell," "First and Only" and "Dixie I Love You" and "Uncle Sam's Best Girl."

Vaudeville at Cambridge.

Tonight as "The Time, the Place and the Girl" is to be at the Gennett theater, the big ten act vaudeville company which is appearing there this week, will go to Cambridge City to give a performance at the theater there. It will cause no small amount of work to transport the entire bill with an electrician and two carpenters, not forgetting the four dogs which Mr. Girdler has trained to do such a good act with him. Others on the program are Happy Jack Gardner who is an old favorite in Richmond, Castellan and Hall in a sketch by Geo. M. Cohen, The Four Mullers in a hoop rolling act, Mary Ann Brown who does some mighty clever imitations, and last, but by no means least, Gardner and Revere who have one of the funniest acts ever seen here. Dick Gardner, who by the way is Jack Gardner's brother, is a true comedian and Miss Revere is pretty, dresses well and acts as a splendid foil.

Mrs. Kolp's masquerade dance, K. of P. hall Thanksgiving night. Admission 25c. Dance programs, \$1.00.
