

## A LONG DISTANCE WALKER IN CITY

Harry Garrepy on Return Trip  
Of a Cross-the-Conti-  
nent Junket.

EXPECTS TO WIN \$1,000

WHEN THE YOUNG MAN STARTED  
ON HIS JOURNEY HE HAD LUNG  
TROUBLE BUT HAS NOW RE-  
COVERED FULLY.

Harry Garrepy, who claims to be  
walking from Boston, Mass., to Frisco,  
Cal., and return on a wager arrived  
in this city today on his return trip.  
He is making his own way by giving

public exhibitions of high and fire diving  
and singing illustrated songs. Ow-  
ing to the water at the Main street  
bridge being too shallow for a high  
dive, he had to call off such arrange-  
ments made in advance, but will, in-  
stead, sing at a local theater, tonight  
and tomorrow night.

Wednesday morning he will leave  
for Dayton, O., and after making a  
short stay there he will make a bee-  
line to New York city, which he ex-  
pects to reach by Christmas. He must  
be back in Boston, Mass., by January  
31, in order to win \$1,000 which he  
claims a friend will pay for accom-  
plishing the feat.

In discussing his trip, Garrepy said  
that he left Boston, Mass., August 1,  
1908 and took the southern route to  
Frisco, Cal., passing through all the  
large cities of any consequence in the  
southern part of the United States.  
When he left, he was troubled with  
lung trouble but says that he has  
since entirely recovered.

## INTEREST IS DEAD

The Old Target Club, which dates  
back for fifty years, and which was to  
have been revived this year with a  
match at Jackson's park. Thanksgiving  
morning, has practically dropped  
out of existence. No one arrived  
Thursday and the promoters of the af-  
fair have decided not to attempt to  
hold another match. The club's  
charter members include several pio-  
neers in this county.

## PRAY FOR DR. LYONS

At the meeting of the Ministerial as-  
sociation this morning, business was  
suspended at 11 o'clock and prayers of-  
fered for the successful operation  
which Dr. S. R. Lyons, pastor of the  
Reid Memorial church will undergo at  
Reid Memorial hospital. Rev. W. S.  
Jones, pastor of the Wesleyan Metho-  
dist church, was voted into the organi-  
zation.

## ROUGH ON THE PUGS

(American News Service)  
New York, Nov. 29.—Police Com-  
missioner Baker announced today that  
if an attempt was made to pull off in  
Madison Square Garden, the much ad-  
vertised gathering of sports for the  
purpose of opening bids for the Jef-  
fries-Johnson fight, he would arrest  
every man taking part in the affair.  
"The gathering is set for Decem-  
ber 1," said Commissioner Baker. "It  
is clearly against the law to receive  
bids for such a contest and I shall ar-  
rest the men attempting any such  
thing. They might do a thing like this  
in some back room I know nothing  
of, but not in a hall hired for the pur-  
pose."

## TWENTY ARE KILLED

Score of Japanese Victims of  
A Wreck in British  
Columbia.

FIFTEEN WERE INJURED

(American News Service)  
Vancouver, B. C., Nov. 29.—Twenty  
Japanese were killed and fifteen in-  
jured, several of them fatally, in the  
wreck of a work train on the Great  
Northern railway between Vancouver  
and New Westminster yesterday.

The train, running south to Sumas,  
when within a mile of New Westmin-  
ster ran into a washed-out culvert.  
The locomotive passed nearly over  
and then sagged back, and fireman  
Kent and Engineer Beattiger jumped,  
and escaped injury.

Immediately behind the tender was  
a Japanese bunk car, in which thirty-  
five men were asleep. This car was  
smashed between the locomotive and  
the tender. Three flat cars piled on  
top of each other, while the caboose  
remained on the tracks.

George W. Kemp, a commercial  
traveler of Vancouver, was badly hurt.

## MEETING IS HELD WITH HOWARD DILL

City Officials Confer With Him  
Regarding the Water  
Works Report.

TO REPORT TO COUNCIL

INSPECTION OF THE MAURY RE-  
PORT HAS BEEN FINISHED AND  
THE CITY OFFICIALS ARE WELL  
SATISFIED.

Daubney Maury's report on the  
condition of the Richmond City Water  
Works has been carefully inspected by  
the board of works, City Attorney  
T. J. Study and other city officials  
preparatory to making their report to  
council, but as the city officials de-  
sire to get as complete details as pos-  
sible, the situation will be gone over  
again by these officials with Howard  
Dill, superintendent of the Water  
Works company, the first conference  
being held this morning.

A Necessary Action.  
It will be necessary to hold several  
conferences before the board has dis-  
cussed all phases with Mr. Dill, due to  
the importance of the subject under  
consideration.

Although Mr. Maury was charac-  
terized as an expert hydraulic engi-  
neer, both from the practical and the-  
oretical standpoint, some of his recom-  
mendations were characterized as be-  
ing too theoretical by city officials.  
As a whole, however, the officials are  
very well satisfied with the report and  
believe that it was as good as would  
have been secured from any other ex-  
pert hydraulic engineer.

court this morning by prosecuting at-  
torney Charles Ladd, charging Claren-

larceny of six chickens from Albert  
Hadin who lives on the Gaar farm,  
northeast of the city. In as much as  
this is the first offense of the child-  
ren it is expected that when they are  
arraigned that they will be released  
on good behavior.

## A Friend of Young Officers

Major-General Leonard A. Wood in command of the department of the  
East in his annual report recommends the passing of a law of elimination  
to provide a more steady flow of promotions and bring rank officers to  
command earlier in life. He says the best years of an army officer's life  
are now spent in a subordinate position. Gen. Wood also recommends the  
re-establishment of the army canteen.

## MUST HUNT NEW JOB TO SUPREME COURT

Attorney Rutherford Is Dis-  
barred From Practicing  
In the State.

JURY RENDERS A VERDICT

(American News Service)  
Indianapolis, Nov. 29.—James S.  
Rutherford, an attorney of Indianapo-  
lis, formerly of Scott county, was dis-  
barred from practice in all Indian  
courts by the verdict of the jury re-  
turned Friday night and opened today.  
Rutherford was charged with inducing  
witnesses to perjure themselves in court.

## ONE EARLHAM MAN ON SECOND TEAM

Vaughan of Notre Dame Beats  
Haworth for the All-  
State Eleven.

BIG FULLBACK IS PRAISED

EARLHAM STAR GETS FINE CRIT-  
ICISM IN THE INDIANAPOLIS  
STAR—IS ONLY QUAKER WHO  
IS GIVEN A PLACE.

The hopes of the Earlham students  
were slightly shattered when they  
read the names of the men to com-  
prise the all-state football team and  
found that no Earlham player was  
recognized. They had built their hopes  
high and expected at least one man  
on the first team, but Haworth was  
the only man to be given a place, and  
he is on the second squad. The  
sporting editor of the Indianapolis  
Star gave precedence to Vaughan of  
Notre Dame.

In commenting on the appointment  
of Haworth, Mr. Patton says:  
"Cartwright and Shade, the Indiana  
and Purdue full backs, who were dis-  
qualified during the latter part of the  
season for playing professional base-  
ball last summer, were both good men.  
The second best full back in the state  
is Haworth of Earlham. He is handi-  
capped by having to buck against  
Vaughan, an all-Western man, but he  
has easily earned the honor which is  
given him. Withotu having a heavier  
line in front of him, he has played a  
star game all season for the Quakers,  
and his playing ability was largely  
responsible for the games won by the  
Earlhamites. He runs low and hard  
with the ball and picks his holes nicely."

**Lineups of Teams.**

there in your past something that you  
have hidden from me? Don't be afraid  
to confess it. I will forgive you if it  
is not too terrible, and then we can be-  
gin our married life with no shadow  
to darken the pathway before us."  
"Well, Bessie," he replied as he  
avoided looking into her eyes. "there  
is something. I am going to throw

## SHIP IS IN DANGER

C. Q. D. Signals Flashed by  
Wireless by a Big Fruit  
Steamer.

IS AGROUND ON SHOALS

(American News Service)  
New York, Nov. 29.—With seas run-  
ning high and her position so danger-  
ous that she is calling for help, the  
steamship Brewster, Captain King, la-  
den with fruit and bound for this city,  
from Jamaica, is hard aground off Di-  
amond Shoals, according to a message  
received at the office of the United  
Wireless company, shortly before mid-  
night.

The message came from the govern-  
ment wireless station at Cape Hatter-  
as. It said the ship was six miles off  
Diamond Shoals lightship and between  
it and the mainland.

Norfolk also picked up an air mes-  
sage. This was a "C. Q. D." call. It  
said the Brewster was in fourteen feet  
of water and was in danger of being  
dashed to pieces.

The calls for help were repeated all  
through the early morning hours. The  
agent of the vessel is Bennett & Hos-  
mer.

The Lloyd Insurance company in this  
city was notified and arrangements  
were made to send help to the Brew-  
ster at once.

## A BASEBALL WAR WAGES FIERCELY

Big Ban Johnson Is Out in the  
Open for Charley Mur-  
phy's Scalp.

ELECTION OF PRESIDENT

IS THE CAUSE OF THE HOSTIL-  
ITIES, HEYDLER, THE PRESENT  
EXECUTIVE, AND JOHN WARD  
BEING CANDIDATES.

(American News Service)  
New York, Nov. 29.—Baseball ex-  
perts today declared that it is open  
war and no quarter in the fight be-  
tween Ban Johnson and Charles Mur-  
phy. The American league, they say,  
is behind Johnson solidly and a fight  
to a finish that may result in the ex-  
termination of the National league, ac-  
cording to some of the participants, is  
one of the possibilities.  
Charles Murphy, the Chicago mag-  
nate, is opposed to John A. Heydler,  
and Johnson is trying to prevent the  
naming of John M. Ward as Heydler's  
successor. Garry Herman and John-  
son are close together. Hermann says  
that Heydler, as long as he is in the  
race, will get the Cincinnati club's  
vote.

**How They Line Up.**  
Hermann and Barney Dreyfuss, it is  
said, feel that Johnson and the Ameri-  
can league are behind them and are  
prepared for a lineup against the Mur-  
phy forces.

The Herrmann forces seem to in-  
clude Boston and St. Louis as well as  
Cincinnati and Pittsburgh. Murphy has  
Chicago and Philadelphia. John T.  
Brush is favorable to Ward. He says  
he is not pledged to vote against Heyd-  
ler. C. H. Ebbitts of Brooklyn, is for  
the ex-New York manager. There-  
fore Heydler's election seems to be a  
matter of one vote.

Herrmann and Dreyfuss, it is pointed  
out, could resign from the National  
league, with their four clubs and start  
a new major league.

## HUNT STOLEN HORSE

A horse was stolen at Oxford, Ohio,  
yesterday and, according to informa-  
tion received by the police last even-  
ing, was headed this way. However,  
the thief, in all probability, avoided  
the city if he came this far, as no  
horses answering the description of  
the stolen animal were received.

## STEINHEIL IS TO COME TO AMERICA

Fleeing Incognito From Lon-  
don, Where She Was  
Ordered from Hotel.

HER MOVES KEPT SECRET

"TRAGIC WIDOW" STATES THAT  
SHE LEFT PARIS TO ESCAPE  
THE HOUNDING OF THE PRESS  
—MADE A MARTYR?

(American News Service)

London, Nov. 29.—M. Marguerite  
Steinhell, France's "tragic widow," re-  
cently acquitted of the murder of her  
husband and stepmother, after a trial  
that stirred the world to protest be-  
cause of the torture inflicted upon her  
today is believed to be on her way to  
America. Fleeing incognito from Lon-  
don, where she was virtually or-  
dered out of a hotel, she hastened to  
Liverpool. In her conversation with a  
man before she left the Midland ho-  
tel here, a maid heard her say "Amer-  
ica" several times.

Every movement of the famous wo-  
man, whom her enemies call infamous,  
has been surrounded by a careful veil  
of secrecy, from the moment she left  
Paris, accompanied by Dr. Mignon,  
until she evaded the groups of report-  
ers and photographers after having  
been ordered from the Grand Central  
hotel, and finally disappeared on her  
way. It is believed, to Liverpool, there  
to embark for America.

**Reporters Follow Her.**  
At the Grand Central she was told  
that there was no vacant room. Then  
she and Dr. Mignon hurried to the  
Midland hotel, followed by the train  
of newspaper men.

"I left Paris to escape the hounding  
of the press," she said, when finally  
reached in spite of the precautions ta-  
ken to keep out visitors. "I have  
been made a martyr. If the English  
reporters do not leave me alone, I  
shall make America my home."

She was not lost sight of for long  
by the crowd of reporters and photog-  
raphers, however. A man closely re-  
sembling Dr. Mignon, and a heavily  
veiled woman, who apparently was  
Mme. Steinhell, left the Midland ho-  
tel and hurried off for Liverpool.

Persons familiar with the manner  
and look of the "tragic widow" de-  
clared that the mysterious woman was  
undoubtedly she, and that she was  
hurrying to catch a boat train.

## ALIMONY IS FIXED

Perry T. Williams, who was divorced  
by Mrs. Bertha Williams in the cir-  
cuit court Saturday, will have to pay  
his wife \$10 a week for the support of  
their two children, according to the  
out of court agreement made by the  
attorneys representing the two part-  
ies. This agreement holds good until  
December 17, 1913, when the oldest  
child will be twenty-one years old  
and thereafter the father will have to  
pay his divorced wife but \$5 a week  
for the support of the youngest child.

## FINE THE FIGHTERS

Nicen Pawle and Peet Besch, two  
Italians arrested Saturday night by Of-  
ficers Hebble and Bundy for public in-  
toxication, were fined \$5 and costs in  
police court this afternoon by Judge  
Converse. The fines were paid. Pawle  
and Besch started to celebrate the  
completion of the improvements to the  
street car lines, on East Main street,  
but became so rowdy that the police  
got wise.

## TAFT PLAYS CUPID

Lives Up to His Reputation as  
Ally to God of Love  
Once More.

A WHITE HOUSE ROMANCE

(American News Service)

Washington, Nov. 29.—President  
Taft, when secretary of war, played  
Cupid on his trip around the world in  
a very successful manner. One of the  
engagements made on that trip re-  
sulted in the marriage of Alice Roose-  
velt and Nicholas Longworth. Now  
there is another match right in the  
White House. It became known with  
the announcement that Miss Alice  
Blech, social secretary to Mrs. Taft,  
is engaged to Lieut. Richard Wain-  
right, U. S. N., son of Rear Admiral  
Wainright.

NEW PER CAPITA TAX PLAN.

Illinois Federation Has a Scheme to  
Increase Membership.

President Edwin Wright of the Illi-  
nois State Federation of Labor thinks  
labor organizations are the best busi-  
ness institutions in the world, the  
trades unionist the best business man  
and the trades union official a director  
in a corporation of tens of thousands  
of stockholders who draw from 1,000  
to 10,000 per cent interest on their in-  
vestment. President Wright made these  
statements in his annual report.

He dwelt at length on the necessity  
of labor organizations. He also ad-  
vocated a new plan of collecting the per  
capita tax and promulgated a new idea  
for its reduction. Under the present  
plan the per capita tax of 1 cent per  
month per member is collected by the  
State federation officers. About 50 per  
cent of the labor unions in Illinois do  
not belong to the state organization,  
but are affiliated directly with the  
American Federation of Labor. Presi-  
dent Wright's new plan is to have the  
American federation collect the per  
capita tax from members of each state  
and then pro rate the money so col-  
lected to the state organizations.

There are about 357,000 members of  
the Illinois State Federation of Labor.  
If all the unions in the state were af-  
filiated with the state organization the  
membership would be increased to  
over 500,000. The report of President  
Wright shows that 338 new unions  
were affiliated with the state organi-  
zation last year and the revenue in-  
creased from \$3,475.10 in 1908 to \$9-  
688.43 in 1909. The increase was due  
to the decrease in the per capita tax  
from 1½ cents per member per month  
to 1 cent per month.

Noted Woman Labor Leader.

Miss Mary R. Macarthur, secretary  
of the British Women's Trade Union  
league, who recently came to this  
country to attend the convention of  
the National Women's Trade Union  
league at Chicago, is said to be the  
most successful woman organizer in  
the world. She was born in Glasgow,  
Scotland, in 1880, and for a time was  
engaged in newspaper work. She was  
assigned to write up a meeting of  
working girls in the town of Ayr and  
became so impressed with the stories  
of conditions she heard that she re-  
solved to devote her life to the orga-  
nizing of working girls. She went to  
London and at the age of twenty-three  
years was elected secretary of the  
league. She founded and edited the  
Woman Worker, a magazine devoted  
to the interests of working girls. Miss  
Macarthur is at the present time the  
only woman on the national adminis-  
trative council of the Independent la-  
bor party of Great Britain and the only  
woman delegate to the London Trades  
council, an influential labor organiza-  
tion.

Jurisdiction Question Settled.

At the convention of the Shirt, Waist  
and Laundry Workers' International  
union recently the jurisdiction question  
was brought up, it being decided that  
the shirt workers will give up juris-  
diction over all members who are em-  
ployed in stock factories—those estab-  
lishments in which shirts and waists  
are made and laundered—being made  
ready for the wearer in the one fac-  
tory. It will retain jurisdiction over  
all members employed in commercial  
laundries, where work is done for the  
public. The employees in the stock  
factories will go to the Garment Work-  
ers' International union, but the change  
will be made gradually as local agree-  
ments expire in the various cities.
