

HE EXONERATES SALVATION ARMY

Rev. Mr. Huntington States
That He Met No Criticism
Of Its Work.

GIVE POOR ASSISTANCE

EXTRAVAGANT DINNERS GIVEN
TO THE POOR, HE STATES,
WERE NOT IN THIS CITY—
GIVES A WORD OF PRAISE.

In reply to the attack made on his sermon, "Constructive and Destructive Charity," by Captain Deuter of the Salvation Army recently, the Rev. D. C. Huntington of the St. Paul's Episcopal church, takes occasion to say a few nice things about the Salvation Army and explain that his sermon of last Sunday was not intended as a direct aim against the Army or the methods employed by Captain and Mrs. Deuter in caring for the poor.

The sermon in question which aroused the ire of Captain Deuter was to the effect that the large dinners given to the poor excited extravagant tastes and were bad in view of the fact that after partaking of these dinners the poor people were not content with the simple necessities of life and attempted to live beyond their means.

The Rev. Mr. Huntington commended the work of the Salvation Army, and stated that the method of the local representatives was perfect. The dinners which he described, he said, were those in other places, and he did not object to the menu of the poor as prepared by the local army corps. In conclusion the Rev. Mr. Huntington said that in this day and age, people were too apt to dig their graves with the knives and forks and that if a more simple menu was observed by the public at large everybody would be better off.

LUMBER WILL SOAR

State Officials Predict Marked
Advance in Prices
Soon.

A REASON IS ASSIGNED

(American News Service)
Indianapolis, Ind., Jan. 13.—E. P. Deming, of Hammond, president of the Retail Lumber Dealers' association of Indiana, and H. C. Seacore of Moore'sville, secretary, predicted at the annual meeting of the association in this city, that the price of lumber is bound to go up.

"The prices of lumber are comparatively much lower than the prices of other necessities," said President Deming. "The price of lumber has remained the same, while the price of foodstuffs has advanced, making the cost of boarding the hands to work in the mills much greater. The consumer will never feel the slight reduction in the tariff on lumber made at the last session of congress. The reduction is too small to be felt by the consumer."

"We are paying the farmers \$9 for hogs in the rough," he said. "Six to seven dollars for cattle, \$1.25 for wheat, 40 cents for corn, \$15 for hay and 35 cents a dozen for eggs, and for everything else in proportion. Surely he will be generous enough to divide a little with us and buy some lumber this year." He said lumber is the cheapest commodity in the market today.

Egotism.
"My son," said the wise pater, "you should always associate with people better than you are."
"Gracious, pa!" exclaimed the callow college youth. "I suppose that is to say that I should always be alone."—Chicago News.

A WOMAN DOCTOR

Was Quick to See that Coffee Was
Doing the Mischief.

A lady tells of a bad case of coffee poisoning and tells it in a way so simple and straightforward that literary skill could not improve it.

"I had neuralgic headaches for 12 years," she says, "and suffered untold agony. When I first began to have them I weighed 140 pounds, but they brought me down to 110. I went to many doctors and they gave me only temporary relief. So I suffered on, till one day a woman doctor told me to use Postum. She said I looked like I was coffee poisoned."

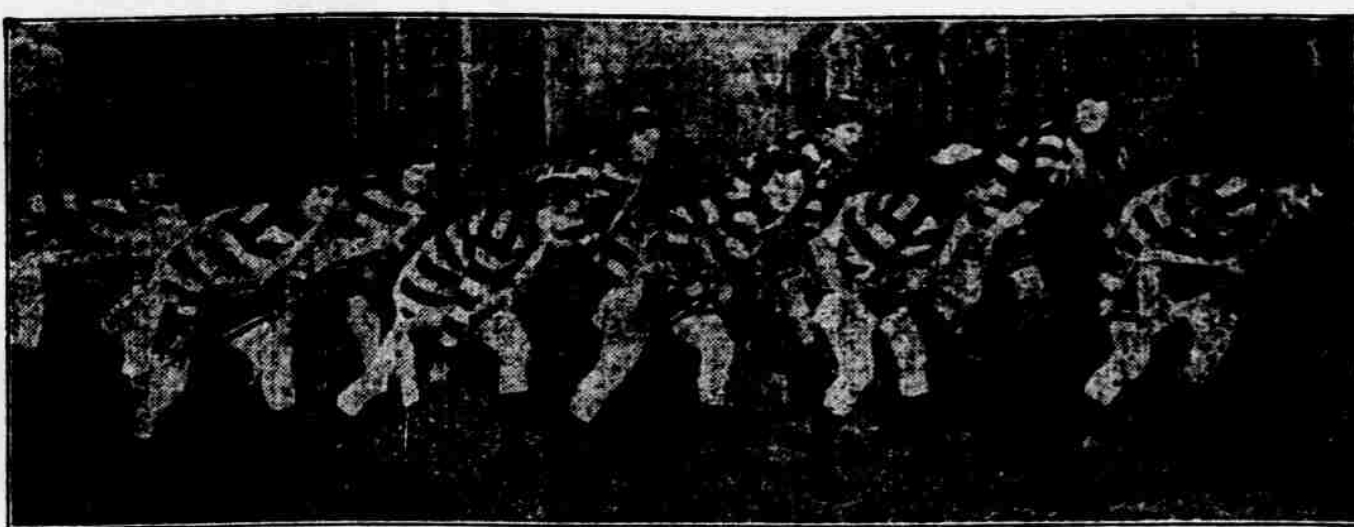

"So I began to drink Postum and I gained 15 pounds in the first few weeks and continued to gain, but not so fast as at first. My headaches began to leave me after I had used Postum about two weeks—long enough to get the coffee poison out of my system."

"Since I began to use Postum I can gladly say that I never know what a neuralgic head is like any more, and it was nothing but Postum that made me well. Before I used Postum I never went out alone; I would get bewildered and would not know which way to turn. Now I go alone and my head is as clear as a bell. My brain and nerves are stronger than they have been for years."

"Read the little book, 'The Road to Wellville,' in pkgs. 'There's a Reason.'"

Ever read the above letter? A new one appears from time to time. They are genuine, true, and full of human interest.

With "Three Twins" at The Gennett Tonight

AT THE THEATRES

"The Three Twins."

"The Three Twins," which comes to the Gennett theater tonight, is one of the liveliest operas which we have had the pleasure of anticipating this season. Gus Solke, who staged it, was one of the leading stage producers in the country, for years he drilled all the large choruses in Henry W. Savage's productions, and is considered to have the faculty of getting more out of a body of chorus girls than any other man in the business. That he has outdone himself with 'The Three Twins' is easily seen by the wonderful effects which he has gained. The Yama Yama Man has probably been imitated more than any other song which has been heard in recent years.

Blanden Players.

Mr. Leander Blanden, and his company of players will again be seen at the Gennett all of next week, presenting during the week one of the best repertoire of plays that have been offered to theatre goers here at popular prices in many seasons. The bill selected for the opening night, Monday next, will be a dramatization of Ouida's well known book of Moths of Society. In all of the productions to be given during the coming week, the same

POPULAR RECIPE

This Home-Made Cough Syrup
Stops Coughs Quickly.

Make a plain syrup by taking one pint of Granulated Sugar, add one-half pint of warm water and stir for five minutes. Put two and one-half doses of pure Pinex in a pint bottle and fill it up with the Granulated Sugar Syrup. Take a teaspoonful every one, two or three hours. Keep well corked and it will never spoil.

The effectiveness of this simple home-made article is surprising. It usually stops a deep-seated cough in twenty-four hours. It is also excellent for colds, whooping coughs, pains in the chest, bronchial troubles and similar ailments.

Use the real Pinex in making it, however. It is the most valuable concentrated compound of Norway White Pine Extract, and it is far superior to the numerous pine oil and pine tar preparations. If your druggist does not have it, he can get it for you without trouble.

The proposition above suggested makes a full pint of the best cold and cough remedy. The taste is so pleasant that children take it willingly. The total cost is about 54 cents.

Strained honey can be used instead of the syrup, and makes a very fine honey and pine tar cough syrup.

ACCOUNTING LAW TO BE ATTACKED

Logansport Parties, It Is Said
Will Take Matter Into
The Courts.

WANT TO ENJOIN PAYMENT

PROTEST AGAINST PAYING FEES
TO TWO EXAMINERS WHO ARE
TO EXAMINE THE BOOKS OF
CASS COUNTY.

(Palladium Special)

Indianapolis, Ind., January 13.—A rumor has reached the office of the state accounting board that plans are being made at Logansport to attack the public accounting law in the courts. J. A. Bolts, a member of the board, who is making a tour of some of the north central counties getting field examinations of books and accounts of public officials, notified Chief Accountant Dehority, yesterday, that he had heard that Cass county, through the county attorney, was preparing to bring suit in the courts to enjoin the payment by the county of the fees of the two examiners who are to examine books in that county. Bolts said, however, that he had not been able to verify the report. Later it was said the basis of the suit would be that the people of Cass county are satisfied with present conditions in that county, and that they object to paying \$20 a day to two men to come there and make an investigation.

Statement by Dehority.

Chief Accountant Dehority said today that he expects many such petty annoyances as this, but that he believes most of them will originate with persons who have an ax to grind and not with the general public. He

careful attention to detail displayed in their former engagement will be strictly adhered to, and amusement seekers that thoroughly enjoy the better class of plays a popular prices will be given an opportunity of witnessing one of the strongest stock organizations seen in Richmond in many seasons.

At the Murray Theater.

A Lima paper has this to say of the leading act at the Murray theater this week: "The double act of the Gypsy Serenaders is rendered by a sextette of good singers. You find them in their gaudy dress encamped in a picturesque mountain gorge, with the towering peaks showing in the distance. The music is operatic and is interpreted by solos, quartet and chorus. The tenor, bass and the two sopranos are given the conspicuous numbers. There is one high soprano, another not placed quite so high but a broader singer, an excellent bass voice and a competent tenor. It is an act of an entirely different style to those heretofore seen at the Orpheum and of higher standard." Besides this big act, will be given all this week at the Murray theater, Stanley and Chambers, the acrobats; Mr. and Mrs. J. T. Dowling, the sketch artists; Von Hoff, the comedy mimic and motion pictures.

says, however, that the work of making examinations will go forward just the same, and that the examiners will make the examinations as required by the law.

Nearly all of the one hundred field examiners who were appointed recently by the state accounting board have been assigned to their work and have entered upon their duties. Two men, one a republican and the other a democrat, travel together and they work in pairs in making the examinations, so as to avoid any possibility of a charge that politics is being played.

HOUSE BURNS DOWN

Little Residence of Samuel
Griffith, Milton, Totally
Destroyed.

OVERHEATED STOVE CAUSE

(Palladium Special)
Milton, Ind., Jan. 13.—Fire, resulting from an overheated stove, totally destroyed the home of Samuel Griffith Tuesday night. The loss was estimated at about \$200.

In view of the circumstances which surround the case the loss is a particularly unfortunate one. Mr. Griffith is a poor man and the home where he and his small son resided, was the entire extent of his possessions. The fire occurred while Mr. Griffith was

down town. He had left a large wood fire in the stove and, it is presumed, that while he and his son were absent the fire grew so hot that it set the wall aflame and by the time the fire was discovered the whole interior was ablaze and nothing could be done to save the house from destruction. The house is a small frame structure located near the Masonic hall. Mr. Griffith and his son are at present residing with Mr. Griffith's father, Abram Griffith.

A VALUABLE BOOK FOR WOMEN FREE.

Any woman who possesses a volume of "Mrs. Pinkham's Text Book upon the Ailments Peculiar to Women," has at hand such information as may save her serious illness or if she is ill, it will give her an intelligent understanding of her case and suggest a cure. This valuable 80 page bound text book is not an advertising pamphlet, and is only obtainable by mail or at Mrs. Pinkham's laboratory. It will be mailed in plain envelope absolutely free to any woman who will write to The Lydia E. Pinkham Med. Co., Lynn, Mass., asking for it.

Choosing Colors For Houses.

The safe colors for a house besides red are white, gray, yellow and brown. A writer in Scribner's. Yellow or gray, with white trimmings, suits many a plain pitch roofed or square colonial house. Grays and browns are good for ugly nondescript ones, the grays always being pleasanter on the yellow shades than on cold blue tones. White suggests the formal type again. It is very good color for a country house, showing it up from a distance in fascinating glimpses, for it needs trees about it and flowers to sparkle against its walls. Such a house will be attractive when the leaves are gone from the trees, for the bare boughs will serve to soften the effect.

Wagner on "Parsifal."
Wagner had finished the score of "Parsifal," and after whistling it softly to himself a few times his face wreathed with smiles.
"There, by ginger!" he said, signing his name to the score. "With all due respect to the Society For the Suppression of Unnecessary Noises, I think that is pretty good stuff."—Philadelphia Ledger.

Beware of Ointments for Catarrh That Contain Mercury.

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

StopCough
Those hard night coughs of the children! What shall you give them? Just what your mother gave you, and just what her mother gave her! In some families, Ayer's Cherry Pectoral has been the only cough medicine for seventy years. Once in the children. Do as he says. Lowell, Mass. family, it says. Keep it on hand.

ONE TRUSTEE'S REPORT TO AD- VISORY BOARD.

To the Advisory Board, Harrison Township, Wayne County, Indiana, Lewis H. Hosier, Township Trustee.

Dated, Jan. 4, 1910.

Record of moneys received by Lewis H. Hosier trustee of Harrison township, of Wayne county, during the year ending December 31, 1909.

Receipts.

July 2, Received of former trustee

July 2, School property sold

July 13, Deposited July distribution

July 13, Jefferson township transferred pupils

July 13, W H Power school property

July 15, School property sold

June 1, June interest

Aug 2, July interest

Sept 1, August interest

Oct 1, September interest

Nov 1, October interest

Dec 1, November interest
