

## PARRY NEGLECTED MAKE PROVISIONS TO UPKEEP PLANT

So Council Last Evening Had  
To appropriate \$45,000 for  
The Maintenance of the In-  
stitution.

## PROVIDE MONEY FOR THE NEW HOSE HOUSE

After Council Had a Dispute as  
To Whether Hose Wagon or  
Fire Engine Should Be  
Placed in the House.

In the preparation of the 1910 bud-  
get of expenses to operate the city,  
which was prepared by former city  
controller, Webster Parry, he only for-  
got to make provision for the small  
appropriation of approximately \$45,-  
000 for the municipal light plant, so at  
last evening's adjourned session an  
ordinance was passed on third read-  
ing providing for the maintenance of  
the plant. In addition this ordinance  
also included an appropriation of \$1,-  
200 for the equipment of the west side  
hose house and \$150 for the office ex-  
penses of the county treasurer, who  
acts as city treasurer.

However, Mr. Parry's oversight is  
known not to be intentional and fur-  
thermore it did not work a great hard-  
ship. The money will not be drawn  
from the city treasury funds, accord-  
ing to city controller E. G. McMahon.  
The appropriation is necessary only  
as a business proposition.

### Items of Expense.

The plant, which had an exceptional  
year in 1909, and promises to make  
an equally good record this year, will  
meet its own expenses. The items  
provided for in the appropriation or-  
dinance include: \$14,000 for salary of  
superintendent; \$14,000 for pay roll;  
\$15,000 for coal; \$475 for oil; \$2,300  
for repairs; \$700 for office expenses;  
\$3,000 for miscellaneous operating ex-  
penses and insurance; \$8,000 for wire,  
meters and sundry equipment and \$25  
for water right.

In respect to the additional appro-  
priation for the west side hose house  
for which \$4,000 has already been ap-  
propriated, there was considerable dis-  
cussion. President Hammond of the  
board of works gave the following de-  
tailed statement as to the cost of the  
equipment: 1,600 feet of hose for \$1,-  
600; fire wagon, \$1,800; team of  
horses, \$500; harness, \$40; blankets,  
\$14; wheelbarrow and curry comb,  
\$10; gong and indicator, \$225; fire  
box, \$125; tower striker, \$375; bell,  
\$300; four beds furnished, \$80; 12  
chairs, \$43; dresser, \$12; hats \$2;  
weight for striker, \$36; saddle, \$10;  
magnets for stall doors, \$7.50; two  
stoves, \$20; making the total prob-  
able cost, \$5,196.50.

It appeared for a time as though  
the ordinance would be laid over, be-  
cause of the attitude of several of the  
councilmen favoring the purchase of  
a fire engine instead of a hose wagon.  
Not until it was explained by  
Chief Miller that even if an engine  
was purchased, the city would have to  
have another hose wagon, did the  
balking councilmen consent to the  
passage of the ordinance. Councilman  
Bartel was one of the number who  
favored the fire engine. Councilman  
Williams favored a fire engine equip-  
ped with its own motive power.

The administration wishes to have  
all equipment purchased by the time  
the hose house building is completed,  
which will be about April 1, and it  
is for this reason that the ordinance  
appropriating the required sums was  
passed last evening. The motion of  
Councilman Knollenberg that the  
rules be suspended and the ordinance  
placed on its passage, was acted upon  
in a unanimous manner.

Another ordinance but less impor-  
tant was that of fixing the bond of  
County Treasurer Albert Albertson,  
who also acts as city treasurer. He  
receives payment on street assess-  
ment improvements and the city must  
be protected. Council fixed his bond  
at \$10,000, which calls for an annual  
expenditure of about \$40 per year on  
his part. It is probable that the city  
will pay half of this amount. Mr. Al-  
bertson felt that he should only be  
required to give \$5,000 bond.

Solicitors for the gas companies, the  
water works and electric light com-  
panies will have to be provided with a  
badge in the future, in all probab-  
ility, in order to gain access to private  
homes. Councilman Williams recom-  
mended that city attorney A. M. Gar-  
ner draw up an ordinance, to be pre-  
sented at the next meeting, to this ef-  
fect. Williams said that any thug  
might, under the present system, en-  
ter a home by saying he represented  
some company and while in the house  
could learn whether it would be worth  
while to burglarize it. The water  
works company's employees wear  
badges.

## WILL MAKE REPORT

The report of the committee of the  
West Richmond Improvement associa-  
tion, which has been investigating the  
cause for the unjust discrimination in  
delivery rates of express companies  
and cab drivers, will make its report  
at this evening's session of the organ-  
ization. Other business will also be  
considered. A report on the increase  
in the membership will be of much in-  
terest.

Emory—almost everyone knows him  
from coast to coast. Do you?

## ACKNOWLEDGE IT.

Richmond Has to Bow to the Inevi-  
table—Scores of Citizens  
Prove It.

After reading the public statement  
of this representative citizen of Rich-  
mond given below, you must come  
to this conclusion: A remedy which  
cured years ago, which has kept the  
kidneys in good health since, can be  
relied upon to perform the same work  
in other cases. Read this:

Miss Sarah Hamilton, 27 N. Ninth  
St., Richmond, Ind., says: "About  
eight years ago I began to suffer from  
acute pains in the small of my back,  
sometimes extending into my should-  
ers. I had an idea that my trouble  
was sciatic rheumatism but finally af-  
ter suffering for about two years, I  
found that my kidneys were disor-  
dered. I at once procured Doan's Kid-  
ney Pills at A. G. Luken & Co.'s Drug  
Store and soon after I began their use,  
I noticed an improvement. I contin-  
ued taking this remedy until I was  
free from my aches and pains and in  
much better health." (Statement giv-  
en July 14, 1905.)

On December 12, 1908, Miss Hamil-  
ton said: "I still believe that there  
is nothing as effective as Doan's Kid-  
ney Pills in relieving kidney trouble.  
I am just as willing to recommend  
this preparation now as I was two  
years ago."

For sale by all dealers. Price 50  
cents. Foster-Milburn Co., Buffalo,

## ARE FIGHTING NOW

Madriz and Estrada Forces  
Have Started Last De-  
cisive Battle.

## MAIN SCRAP IS TOMORROW

(American News Service)

Colon, Jan. 21.—The first fighting in  
the decisive battle between the Nica-  
raguan insurgents and the Madriz gov-  
ernment forces has begun and the  
main battle will begin tomorrow, ac-  
cording to advices received here to-  
day. Madriz has dispatched two bat-  
talions to Acayapa, to reinforce the  
army, which occupies the country just  
west of there on the road to Managua.  
The advance of the rebels from the  
town is under way. The Managua  
government is believed to have under-  
estimated the strength of the insur-  
gents.

## BONDS DISPOSED OF

\$75,000 Worth, Remainder of  
\$175,000 Issue, to  
Dickinson Co.

## SCHOOL BOARD PLEASED

The school board at a special session  
yesterday afternoon disposed of \$75,000  
in bonds, the remainder of the original  
issue of \$175,000, to the Dickinson  
Trust company, for \$75,100. The pre-  
mium paid by the trust company was  
considered a very good one, consid-  
ering the fact that the bonds are for  
short term issue.

The trust company also purchased  
the previous issue which was for \$100,-  
000 and for a long term. The total  
premium paid to the school board was  
\$2,201, which is exceptionally good. In  
fact no bonds on public property have  
sold for better figures in several years.  
There were two other bidders at yes-  
terday's session. Both were Indianap-  
olis concerns, one offering \$75,051 and  
the other but \$75,010.

## TWO CITY PHYSICIANS

Dr. Frederick Krueger and Dr. S.  
Edgar Bond were elected as city physi-  
cians at the council session last ev-  
ening, being selected over Dr. W.  
Grant Huffman, colored, the only other  
physician whose name was placed in  
nomination.

The election was by secret ballot.  
The result was Dr. Bond, 11 votes,  
Dr. Krueger, 8 votes and Dr. Huffman  
5 votes. Dr. Krueger's name was  
placed in nomination by Councilman  
Bartel, following the nomination of  
Dr. Bond by Councilman Englebert.  
The nominations were closed after  
Councilman Evans had placed Dr.  
Huffman's name before the body.

He is coming to Richmond.
