TO PROSECUTE HIM

Prosecutor Ladd Will Extend No Leniency to Forger Muller.

TWO CHARGES AGAINST HIM

"Why, of course, I am going to prosecute him," replied Prosecuting Attorney Charles Ladd this morning in answer to a question as to what would be done with Christian Muller, the young groom, confined at the county jail on charges of attempting to pass a forged check, and for forgery. The charges have been filed and it is evident that the county officials see no reason why they should be more lenient with this individual because he is young, and the offense committed so he might get married, than in any other violation. Muller and his young wife, who is still in the city are expectant that the charges will be dismissed.

IMMIGRANTS ARE WELL CARED FOR

Report Made to Senate Today Shows Reported Conditions Overdrawn.

REPORT STATES THAT ONE FAMILY OUT OF EVERY TEN VISITED OWNED ITS OWN HOME—NEW YORK IS WORST.

(American News Service)

Washington, Jan. 31.—That the crowding of immigrants in the congested districts of the large cities is much less prevalent than is popularly supposed, and that common report of bad living conditions is much overdrawn, is stated in substance in an exhaustive report upon immigrants in cities, submitted to congress today by Senator Dillingham, of Vermont, chairman of the immigration commission.

The report says: The alleged overcrowding of immigrants in the congested districts of large cities has long been considered one of the most unfavorable phases of the present immigration movement and because of this it was the purpose to make the inquiry sufficiently exhaustive to determine to what extent actual congestion prevails; the cause of congestion; whether peculiar to any race, and to show generally the economic status of the city dwelling immigrant.

An interesting fact developed is that one family out of every ten visited, owns its own home. Home ownership is most common in Milwaukee where one in five families visited owns its home and rarest in New York, where the proportion is one to 200. Five-sixths of the houses visited were found to be fairly clean.

PREACHED TO MUTES

Among the deaf mutes who attended the service held by Rev. A. W. Mann, of Cleveland, Ohio, in their behalf at St. Paul's Episcopal church last evening, was one who walked from Fountain City, a distance of nine miles. There were thirteen deaf mutes in attendance, five of whom were from Cambridge City, one from Liberty and one from Fountain City.

The Rev. Mann has been a deaf mute since he was five years old, but has been engaged in missionary work most of his life and has done wonderful work among those afflicted as he is, in this country, Canada, England, Scotland, Wales, Ireland and other foreign countries.

At last evening's service, the Rev. David C. Huntington preached and his remarks were interpreted by an assistant of Dr. Mann. The assistant, by the sign language, addressed the deaf and all took much interest in the sermon. Besides the deaf mutes there were a number of others present who were much interested in this somewhat novel service.

EARLHAM WINS ONE

Notwithstanding the fact that they were worn out from the game with Franklin, Friday night, the fast Earlham basketball team took the scalp of the Hanover five, in one of the most exciting and closest games ever played, at Madison, Ind., Saturday night. The final score was 30 to 29 and the result was in doubt until the last whistle was blown.

SENTENCE TWO BOYS

On charges of larceny William Schantz and Ed Rinker, aged 17 and 18 years respectively, were sentenced to Jeffersonville reformatory for one to eight years by Judge Fox this morning and will be taken to that institution Thursday by Sheriff Meredith.

The two entered the shoe store of Fremont Haisley, Main street and afterwards entered the Magaw drug store. They secured \$5.90 in cash in store and other valuables. The charge of burglary which had been filed against them was dismissed.

SERVICES ARE HELD

Short services were held last evening over the body of Joseph Milliken by the Oriental Encampment and Richmond Lodge, I. O. F., at 7:30 o'clock. At 8 o'clock the G. A. R. and Woman's Relief Corps of the G. A. R., held brief services as a last tribute to the memory of the former civil war veteran. The funeral took place this afternoon at 2 o'clock from the home on South Eleventh street, the Rev. T. J. Graham officiating. The burial was in Earlham cemetery.

HE CARRIED KNUCKS BACK FROM DETROIT

Glen Shafer was fined \$5 and costs this morning by Mayor Zimmerman for carrying concealed weapons. Shafer was arrested yesterday at the Pennsylvania depot and had in his possession a pair of knucks and a knife. He told the police that he was carrying the knucks for no special purpose. The fine was paid.

Final settlement has been made with Harry Clendenin by his father and guardian, William Clendenin. Harry Clendenin became of age this month and received \$251 in final settlement.

WM. M'COY IS DEAD

William P. McCoy, aged 87, well known in this city and a former resident of Richmond, died this morning at the home of his son, two miles west of Campbelltown. The funeral will take place Thursday afternoon from the church in Boston. The burial will be in the Boston cemetery.

GIVEN THE CUSTODY

Mrs. Mary Hodson has been awarded the custody of the child which was born after she received a divorce from George Hodson. The defendant will also be ordered to pay a monthly allowance for the care of the child, so long as it remains in the jurisdiction of the Wayne circuit court.

JUDGE ENGLE NAMED

Judge Engle of the Randolph circuit court has been selected as the special judge to sit in the case of William F. Charters against the city of Richmond, on contract, demand, \$1,000. The case was to have been tried today, but in view of the fact that the parties in the case wanted a special judge, it was indefinitely postponed.

SHE IS IMPROVING

Mrs. Elmore S. Likins, who fell down stairs in the Masonic temple about two weeks ago, and severely fractured her hip, is reported as getting along as well as can be expected. She is at the Reid Memorial hospital and it will be several weeks, it is said, before she will be permitted to leave that institution. Large weights are attached to her hip for the purpose of straightening the fractured bone, which necessitates her lying in one position almost constantly.
