

CLOSE TO PURDUE EARLHAM STANDS

Quaker Basketball Team the Second Best One in the State.

SEASON IS NOW CLOSED

IT WAS THE MOST SUCCESSFUL ONE IN THE HISTORY OF THE LOCAL INSTITUTION—HOW THE DOPE LOOKS.

Earlham closed the most successful basketball season, last Friday night, which the Quakers have ever indulged in during their basketball career, when she succeeded in beating Rose Poly 27-27 for the second time this year, in the most exciting game ever witnessed in Richmond.

This game does not only give Earlham the secondary championship, but ranks her second with Purdue, which is first among the colleges and universities of the state. The following schools are those which Earlham ranks above: Rose Poly, Indiana, Notre Dame, Wabash, DePauw, Hanover, Franklin, Butler, and State Normal. Rose has lost to the Quakers twice, by the scores of 21 to 27 and 27 to 28. Indiana broke even with Rose and lost to Purdue by a bigger score than Earlham did, although it was the local's first game. This easily ranks Earlham above Indiana.

How the Dope Looks.

Wabash won from Notre Dame 19-17 and Michigan Aggies succeeded in winning from them twice, and the Aggies were in turn beaten by both Rose Poly 31-27 and Wabash. Earlham won from the scarlets 30-25. This ranks the Quakers above Wabash and Notre Dame. Earlham won from Hanover 29 to 30. DePauw only played Rose once and lost to them 46 to 17; they broke even with Wabash.

Butler won from DePauw 27-21 and since she has been beaten by Hanover twice and by Wabash, by large scores, and these teams were beaten by Earlham; although the Methodists succeeded in winning from the locals 31-22 at a time when the Quakers were playing their poorest game, during the entire season. State Normal and Butler can not be taken into consideration on account of their poor showings. The locals lost to Franklin on account of poor lights, and this is proven by the fact that Hanover and Miami each won from them twice by large scores. Hanover's last game was 56-19, and Wabash also beat them by a big score.

KANSAS CITY IS SHOCKED

IT IS STATED TODAY THAT IT IS VERY PROBABLE ANGRY HUSBAND WILL BE PROSECUTED BY VICTIM.

(American News Service)
Kansas City, March 7.—Jere Lillis, banker and athlete, who was slashed with a knife twenty times by "Jack" Cudahy, in the Cudahy mansion early Sunday morning, will recover from his injuries, although he will be badly scarred and disfigured.

Facts revealed today created a shocking sensation. Lillis is believed to have been trapped by Cudahy who objected to his attentions to Mrs. Cudahy, who is the mother of five little children.

Saturday night Cudahy told his wife he was going out of the city for a few days. A few hours later he came home and sneaked in quietly with his latchkey, he being accompanied by his chauffeur. He found Lillis clad in his underwear and Mrs. Cudahy in negligee attire on a davenport. With the aid of his chauffeur Cudahy bound Lillis, secured a butcher knife and slashed the man's body, while his wife and maid looked on in horror, their screams mingling with the groans of the wounded man.

Cudahy had warned Lillis to keep away from his wife. The trial of Cudahy was postponed until March 15, but will probably be dropped.

COUNCIL NOT BUSY

But Little, Outside of Routine Affairs, to Be Considered Tonight.

AS TO METER INSPECTORS

At the meeting of council this evening, very little important business will be considered, insofar as the city officials are aware. Any business which comes before the council, excepting consideration of routine matters, will be brought up by the councilmen. It is probable that final action will be taken in regard to the ordinance compelling meter inspectors for different corporations and others who visit private homes, to wear badges. The committee of council, to which the recommendation that the inspectors wear uniforms was referred, has reported adversely to this and it is reported the ordinance will only demand that inspectors wear "badges" and also carry certificates, from the heads of the concern for which they are employed, attesting to their authority.

Mr. Rockefeller, Sr., and J. P. Morgan clashed at several sessions of the directorate over the policy of paying dividends or retaining them as surplus. Mr. Morgan always won. Then Mr. Rockefeller Sr., got out, turning over his stock to his son. The latter has just followed his father's example and the Morgan interest is now supreme.

FILE A PETITION FOR JOHN KNAPP

But Pardon Board Also Receives a Protest on Releasing Murderer.

HEARING IS NEXT FRIDAY

BOTH PETITIONERS AND PROTESTORS HAVE EMPLOYED ATTORNEYS TO APPEAR BEFORE BOARD AT SESSION.

A voluminous petition for the pardon of John Knapp, who was sentenced to life imprisonment in Michigan City penitentiary, several years ago, for the murder of Lemmie Geisler, marshal of Hagerstown, has been filed with the state board of pardons. A number of protests against his pardon have likewise been filed with the board, and on Friday morning at 10:30 o'clock the matter will be considered.

Attorneys Robbins and Robbins are representing the petitioners. Mr. Robbins stated today that the petition for pardon included several hundred names, being signed by persons residing all over the county, but particularly in this city and in Hagerstown, where Knapp lived. Attorney Henry U. Johnson is representing those protesting against the pardon, but stated that he could not talk for publication relative to the protests filed with the board. It is probable that one of the members of the firm of Robbins and Robbins and Mr. Johnson will attend the session of the pardon board at Indianapolis Friday.

The size of the petition for the pardon is largely due to the efforts of Henry Knapp, the young son of John Knapp. The boy spent much of his spare time after school and all of his Saturdays in calling upon residents and securing their signature to the petition for his father's pardon.

Mrs. Knapp, the wife, and her children live in this city. It is probable that some of them will attend the pardon board meeting Friday.

John Knapp, while in a drunken rage so it is alleged, killed Marshal Geisler by the use of a heavy iron bar. Mr. John P. Robbins defended him while the prosecution was represented by Henry U. Johnson, assisting Wilfred Jessup, who was then prosecuting attorney.

PLAN SKATING RACE

Champion Roller Speeder May Soon Be Seen at the Coliseum Here.

DAYTON HAD FAST MATCH

Clem A. Gaar of this city, has just returned from Dayton, O., where he attended the roller skating race in which Joe Aton, Indianapolis, defeated Bob Gordon, of Dayton, in a mile race at the Lake Side rink. Aton's time was 3:02 minutes for the mile.

It is the purpose of Mr. Gaar to have some races in this city in connection with the skating at the Coliseum. Albert Gibson, a skating promoter of Indianapolis, is anxious to match Roy Mann, a fast racer of that city, with Richmond's best man, and it is believed this will be done in the near future.

If the sport proves popular in the city, it is likely Joe Aton and Bob Gordon will be matched here. Aton has been racing a year and has not lost a race. He holds a record in the Washington Park rink, Indianapolis, of 2:57 minutes for the mile.

One of the residents of that neighborhood said that the foundations seemed to crumble, and at the same time the building was lifted onto the sidewalk. The south end of the building was left on the foundation, but of course shifted around.
