

GRAND JURY PROBE STILL CONTINUES

Examined a Large Number of
Witnesses in Allison
Murder Case.

COURT HOUSE IS CROWDED

SECOND SESSION OF THE JURY
BEGAN THIS AFTERNOON AND
INDICTMENTS ARE EXPECTED
BY TOMORROW.

The grand jury, called in special session to investigate the murder of Mrs. Frank Allison and several other cases, examined a large number of witnesses yesterday afternoon then adjourned until this morning, and owing to the inability of some of the jurors to reach the city before 11:30 o'clock, adjourned again until 1:30 o'clock this afternoon. There are about thirty witnesses yet to be examined, it is said. Owing to the inability of the jury to convene this morning, it is probable that no indictments will be returned until tomorrow some time.

In view of the charges of Judge Fox to the jury, all of the indictments returned will be for first degree murder. The only question is, how many indictments will be returned and on what allegations will they be based.

The corridor of the third floor of the court house was crowded with witnesses, summoned before the jury. There were also many in the court room who anticipated seeing the murderer, not knowing that the deliberations of the jury are secret and not attended by the accused. Thomas Revaloe, the father, and other relatives of the murderer were present.

Crowds at County Jail.
The young man continues to attract large crowds at the county jail. Sheriff Meredith had intended not to open the jail for any one except relatives and attorneys, during the confinement of the murderer, but the argument of "rights of the people" appealed to the sheriff and any one will be admitted to the county bastille at certain hours.

Judging from his actions, Revaloe would be taken for a prisoner confined for a misdemeanor. He eats heartily and continues to rest well. Sheriff Meredith declared that Revaloe had told one of the visitors that he had had three or four chances to escape, but he has made no effort to take advantage of them. Sheriff Meredith does not know when or how these advantages were afforded but is keeping a watchful eye on his prisoner to see that he does not try to take his departure.

PAUL REVERE FRAUD

Historian Shark Adds Daring
Rider to His Very Long
"Bad List"

HE OPPOSES PATRIOT DAY

(American News Service)
Boston, April 19.—James S. Stark, author of "The Loyalists of Massachusetts," in which he bitterly scored American historical characters, is back from a two month's vacation in the West Indies and has added an appendix to his book on which he declares that the battle of Concord and Lexington represents but little and that Patriot's Day should not be celebrated. He gives these reasons for ignoring Patriots' Day:

The brutal slaying of a British soldier by Ammi White, the fact that the selectmen of Concord allowed the lecturer to take away the skulls of British soldiers from their resting places, and the fact that Paul Revere never got as far as Concord or Lexington on the now famous ride.

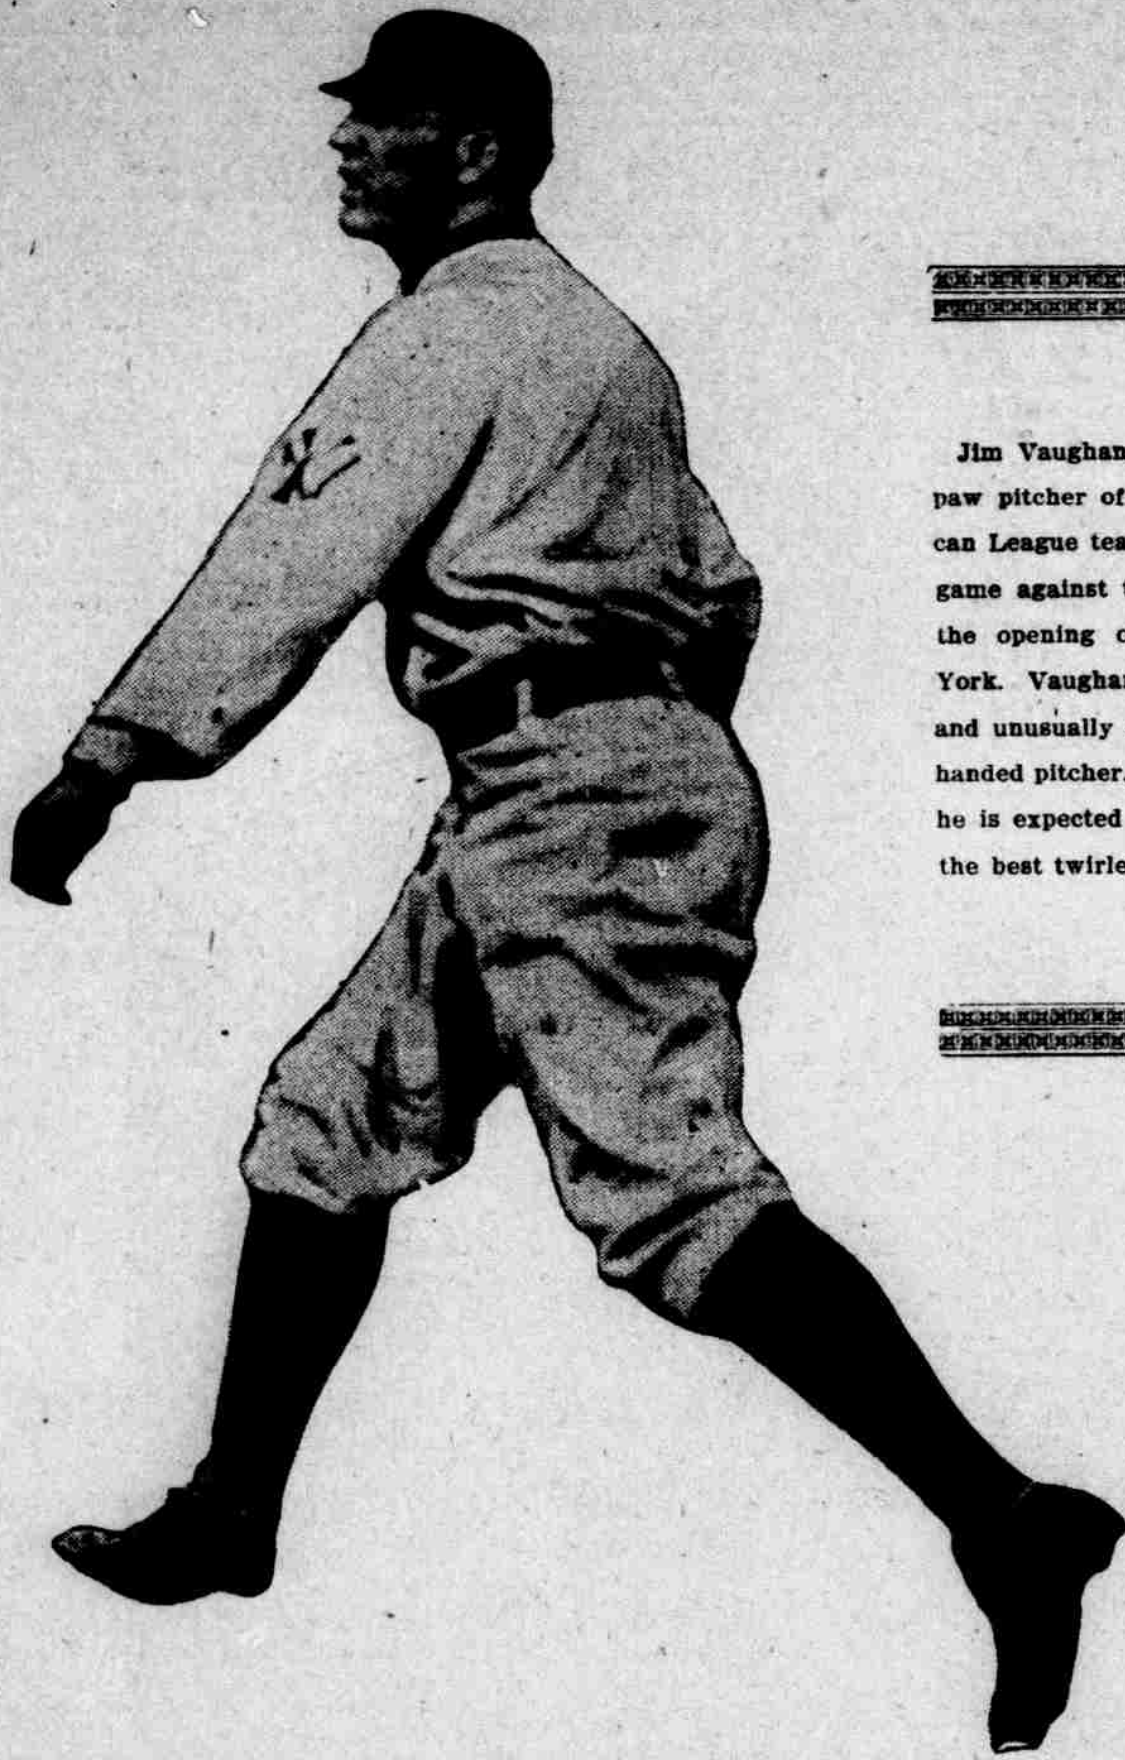

The author declares Paul Revere never reached Concord or Lexington because he happened to be captured by the British at Lincoln. He shatters poetic and patriotic ideas connected with the ride by declaring that Revere was well paid for it by the government.

FULL REPORT FILED

P. J. Freeman, administrator of the estate of Henry Null, deceased, has filed report of settlement with the county clerk and asks to be discharged as official of the estate. His report shows that \$7,847.48 has been paid to the heirs and that he has turned over to the county clerk, \$688.77 which is still due to the heirs. Of this amount, Henry I. Null, address unknown, is to receive \$273.75 and Ollie Mann whose residence is not known is to receive \$136.88.

The scheme of pumping oil and water together through a rifled pipeline in southern California has been so successful that it has been decided to extend the experimental line of ninety miles by the addition of two hundred miles of piping. As already stated, the system of rifling the interior of the pipe makes a jacket of water inclosing a core of oil, and in this manner the passage of the material through the pipeline is greatly facilitated. At the present time 120 miles of this line are in daily operation, moving seventeen thousand barrels of oil a day through an eight-inch pipe.

Crack Southpaw N. Y. Americans

Jim Vaughan, the new crack southpaw pitcher of the New York American League team who pitched a great game against the Boston Red Sox in the opening of the season at New York. Vaughan has remarkable speed and unusually good control for a left-handed pitcher. With a little coaching he is expected to develop into one of the best twirlers in the league.

MINISTRY RESIGNED

(American News Service)
Melbourne, April 19.—The ministry headed by Alfred Deakin resigned today. In the elections of April 13, the government was defeated by the Labor vote. The Deakin ministry was organized in May, 1909, backed by Anti-socialist interests.

New York city had more transportation facilities with its stages of seventy years ago that it has with all of its surface, elevated and subway lines of today. The outlook is that the population will continue to grow faster than the means of transportation.

TO THE CONVENTION

Arrangements Have Been
Made for Wayne's Dele-
gates by J. E. Peltz.

WHEN THE TRAINS LEAVE

John E. Peltz, secretary of the Wayne County Republican Central Committee, has made arrangements for attending the Sixth district congressional convention and the joint representative and senatorial conventions at Connersville, on Thursday. It is probable that most of the delegates will leave this city on the 1 o'clock interurban Wednesday and arrive in Cambridge City in time to catch the train for Connersville. Other delegates will leave Cambridge City on the 7:56 o'clock L. E. & W. train, tomorrow evening. The trains for Connersville, depart from Cambridge City in the morning at 6:55 and 9:30 o'clock and it is expected that several will take advantage of these trains, Thursday morning.

The executive committee and advisory board of the central committee will meet in the office of Secretary Peltz this evening. Many matters of importance will be discussed.

COLD WAVE IS EXPECTED

(American News Service)
Columbus, Ohio, April 19.—Snow fell throughout Northern Indiana and Ohio early today, ranging from 2 to 8 inches. Chardon, Ohio, reported 8 inches and Bucyrus claimed 14. Colder weather is predicted and if the wet snow clinging to the tree branches freezes, the losses will be enormous.

GETTING THE HABIT

George Duncan's example of getting drunk in New Castle and coming to Richmond to be arrested, was followed last evening by two more inebriates of the Plover City, Oliver Chambers and A. A. Taylor. The two men each drew fines of \$1 and costs in the city court this morning. Had they remained in New Castle and been pinched in that city for intoxication, they would have been sentenced to serve six months in jail, according to a recent order from Mayor Forkner, who asserts that he is going to put a stop to such frequent falls from the water wagon.

Deaths and Funerals.
MERCURIO—Josephine, the four year and six months old daughter of Mr. and Mrs. Colozero Mercurio, who died yesterday morning, at his parents' home, 481 Main street, will be buried Wednesday morning in St. Mary's cemetery. The funeral services will be held at St. Mary's church at 9 o'clock. Friends may call at the home at any time.

SHARP—Charles A. Sharp, aged 31 years, died this morning at his home, 721 South Seventh street, after a lingering illness. The arrangements for the funeral have not been made.

ODERKIRK—The funeral of Anna Oderkirk, aged thirty-one years, was held this afternoon at four o'clock, from the undertaking parlors of Doan and Klute. Rev. S. W. Trautman, of the First Christian church, was in charge of the services. The remains will be taken Wednesday morning to Fostoria, Ohio, for burial.

COBB—Casius G. Cobb, aged eighty-two years, died Friday, April fifteenth, at his home in Wernersville, Pennsylvania. He is survived by his wife, who was a sister to Mrs. Able L. Study. The remains arrived here last evening and were taken to the Doan and Klute parlors. The interment will be Wednesday morning at eleven o'clock, on the family lot in Earlham cemetery.

BACK IN RICHMOND

David E. Roberts and family, formerly of this city, have returned to Richmond and will make this city their future home. Mr. Roberts was employed for about eight years at the Starr Piano company before leaving Richmond. He has been located at New Castle, Milwaukee and Indianapolis since leaving here. He will engage in business for himself in this city.

CHAUTAUQUA ASKS GOODWIN TO STAY

Want Him to Retain the Secretaryship of Organization This Year.

REFUSE HIS RESIGNATION

PROBABLE THAT Y. M. C. A. DIRECTORS WILL WITHDRAW THEIR OBJECTIONS TO HIM UNDERTAKING THE WORK.

At the meeting of the board of directors of the Chautauqua last evening, the directors refused to accept the resignation of George L. Goodwin, secretary of the Y. M. C. A., as secretary of the board and as member of the program committee. Mr. Goodwin tendered his resignation as secretary of the Y. M. C. A., some time ago, to take effect September 1; and in view of the fact that he did not believe that he would be here when the Chautauqua was held, tendered his resignation as secretary of the board of directors of the Chautauqua association also. It is hoped by the promoters that Mr. Goodwin will reconsider the matter and decide to remain in the city, as his efforts in behalf of the Chautauqua in the past have been of great value.

At a meeting held early in the year, Mr. Goodwin was elected secretary to succeed himself. However, the board of directors of the Y. M. C. A., refused to permit him to act as secretary because it was believed that his time would be too much occupied with Y. M. C. A. work. However, it has been explained satisfactorily to the members of the board of directors of the Y. M. C. A., that in acting as secretary of the Chautauqua association he would also be able to carry on his work as secretary of the Y. M. C. A. without interference.

Arrangements were completed last evening by Superintendent Ed Hollern of Glen Miller Park, who met with the directors, whereby concrete steps will be built by the board in the park at the east entrance to the Chautauqua grounds. About eleven steps will be constructed which will be about twelve feet in width.

UMPIRE WILL HAVE FULL SWAY

Amended Rules of Baseball
Give Him Absolute Power.

MANY POINTS MADE CLEARER.

Average Diamond Fan Will Understand Things More Clearly Than Ever—What the Changes in the Rules Are.

The revised playing rules of baseball amended by the joint rules committee of the National and American leagues in Pittsburgh last January were given out recently. The most striking feature of the revised rules is the importance given to the powers and duties of the umpires. This season more than ever before in the history of the game the umpire will be the reigning power on the diamond.

The new rules establish a double umpire system for all games, with an umpire in chief behind the bat to judge balls and strikes and certain decisions at third base and a field umpire to judge base decisions. The umpire in chief will have full charge of the game and will alone have authority to declare a game forfeited. The field umpire has full authority in removing and fining players. The two officials must work in harmony, and in case a point is raised on a decision based on a point of rules one umpire may ask for information from the other, but one umpire will not interfere with another's decision unless asked to by his associate.

The players are prohibited from disputing the accuracy of the umpire's judgment, and not even the captain of a team can call the umpire's attention to what he believes to be a violation of the rules.

Hereafter when a player is ejected from the game for violation of the rules he will not be allowed to loiter about the grounds or grand stand, but he will be banished to the clubhouse and must stay there or leave the grounds, and if he doesn't the umpire is given the power to forfeit the game. The umpire can also fine a player \$5 for discoloring the ball, for refusing to be seated on the bench one minute after ordered to do so, if he violates the coaching rules and if the captain fails to notify the official of a change in lineup.

The revised rules give the umpire absolute power over the players on the bench and to do away with all the rowdiness which has started at this quarter in the past. The umpire is given power to substitute players for yelling disapproval from the bench \$10, and if the unsolicited conversation continues he is given power to clear the bench and send the whole crew of substitutes to the clubhouse and have them come out only as they are needed.

The new code provides for several changes in relation to ground rules. In case of an overflow crowd if the captains of the teams cannot agree on ground rules the umpire will have full authority to make special rules. If a thrown ball goes into the spectators or through a fence surrounding the field or into the players' bench the runner will be entitled to two bases. The umpire must be certain that both teams have agreed to special ground rules before the game commences. The am-

Figure in Timber Theft Cases

Scene in the Adirondacks and several millionaires who own large timber tracts there, which are to be the subject of investigation by a commission appointed by Governor Hughes, of New York. The upper row from left to right are: A. G. Vanderbilt, J. W. O'Brien and Mayme Whitney; below are Timothy L. Woodneff, J. P. Morgan and Merton E. Lewis. For the past twenty years a wholesale stealing of timber lands has been going on and as the above men own some of the most valuable tracts in the state, an investigation is to be conducted to see how they acquired them.

pure before each game shall call the two captains together and lay down the law to them and must give them to understand that the rules are to be strictly and impartially enforced. The umpire must announce the batteries before the game and also announce any change in the lineup.

Under the amended rules if a fielder stops or catches a batted ball with his cap, glove or any part of his uniform the runner or runners on the bases will be entitled to three bases. If a thrower or pitched ball strikes the umpire on foul ground the ball shall be considered in play and the base runner shall be entitled to all the bases he can make. A base runner will be declared out if he passes a preceding base runner before such runner has been legally put out.

A new rule gives the base runner the privilege of turning either to the right or left after touching first base, where heretofore he was compelled to turn to the right. If, however, after running over first base he should attempt to go to second before returning to first base he shall forfeit exemption from liability to be put out. Additions have also been made to the rule governing when a base runner may return to his base without liability of being declared out. In case the umpire declares an illegally batted ball he may go back; also if the umpire is struck by a fair hit ball before touching a fielder, in which case no base shall be run unless necessitated by the batsman becoming a base runner, and no run shall be scored unless all the bases are occupied. The runner may return to his base also if the umpire declares the batsman or another base runner out for interference.

A few slight changes are made in the scoring rules. A player will get an assist when he handles the ball in aiding in a run-out, even though he completes the play by making a put-out. Wild pitches and passed balls are exempt from the error column, as prior to the year 1900. In the event of a double or triple steal, where either runner is thrown out, the other or others shall not be credited with a stolen base.

TRAIN IS DELAYED

The south bound C. C. & L. passenger train due in the city at 10:30 o'clock in the morning, had not arrived at 3 o'clock this afternoon. It is said that there was a freight wreck near Jonesboro which delayed the train. The extent of the damage had not been reported at the local office.

TO PREVENT A RIOT

(American News Service)
Pittsburg, Pa., April 19.—Policemen in force today guarded the "Bloody Angle" at Schoenerville, where Pressed Steel Car company workmen are on strike, and much the same appearance prevails as during the trouble last winter, when the employees of the company went out. The strikers and their friends congregated about the streets and stop all persons going to and from the works. Last night the place was in the hands of a mob.

FROM RUSSIA THE JEWS ARE DRIVEN

Government Is Participating in
the Persecutions Now
in Progress.

MASSACRES MAY RESULT

GOVERNMENT HAS ABSOLUTELY IGNORED THE APPEALS MADE BY THE CHRISTIANS AND THE STOCK EXCHANGE.

(American News Service)
Vienna, April 19.—Mail advices from Kieff, Russia, reaching here today tell of the terrific hardships inflicted on Jews, and the beginning of the persecution which the Russian government plans to bring to a climax on April 28 in the expulsion of 1,300 Jews and their families. April 28 is Thursday in the Holy week of the Russian church. It is expected massacres will follow.

While preparations are being made by the government under the direction of Premier Stolypin, for one of the harshest campaigns against the Jews undertaken in years, the first cruelties have already occurred.

Though it is declared that the Jews have a legal right to live in Kieff, it is believed the general move will be made to cover an attack on them. Many of the others, seeking mercantile attention in Kieff, have been forced to flee the city. For days it has been no uncommon sight to see handicapped or crippled Jews dragged through the streets by police, on their way to forced labor.

The government has absolutely ignored protests from Christians acting unofficially and the stock exchange, and the merchants guild.

In Judge Pollard's court in St. Louis recently Mrs. Blanche Childress sought the law's rule against her husband for smiting her on the nose. "How did he strike you?" asked the judge. "Show me." "All right," replied the lady, and forthwith landed a terrific slap on Judge Pollard's features. "Enough," said the judge, and fined the husband \$50.

There is no medicine so safe and at the same time so pleasant to take as Dr. Caldwell's Syrup Pepsin, the positive cure for all diseases arising from stomach trouble. The price is very reasonable—30c and 50c.
