PALLADIUM WANT ADS PAY.

governor which could be placed in the hall of fame, Washington, D. C. Mr. Niehaus' model which may now be seen in the corridor of the court house was accepted and the statue made from it.

Model in Good Repair.

Charles E. Shiveley was on the commission which selected the model and was largely responsible for having the model, after the statue had been made, placed in the Wayne county court house. The model, with the exception of one or two places, which might very easily be repaired, is in an excellent state of preservation. It is said that the expense of having a bronze cast made from it would be small, considering what it cost the state. In fact practically all of the repair work on it would be mechanical. The G. A. R. veterans of the city, as well as the members of the Sons of Veterans organization, are very much pleased with the prospects of having the bronze cast made, and are positive in their declarations that this city would be selected as the meeting place of their respective state organizations if the plan is carried out.

The Twilight Of Life.

The muscles of the stomach in old people are as strong or active as in youth and in consequence old people are very subject to constipation and indigestion. Many seldom have a bowel movement without artificial aid. Also, have unpleasant eructations of gas from the stomach after eating. All this can be avoided by the use of Dr. Chamberlain's Stomach and Bowel Remedy, which permanently regulates the bowels so that passages come naturally and the stomach and bowels are in good condition without drugs. Druggists sell it at 25 cents or \$1 a large bottle.
