"It's something fine," elucidated one of the members with much enthusiasm. "I had a friend on a polar expedition, and he furnished us with the original recipe."

"H-how is it made?" he queried warily.

"Well, I'll tell you. First we hung the toughest piece of beef we could find out in the open air two weeks."

Constipation Cure Free

With the first signs of constipation you resort to the home methods of relief, such as hot or cold water on

arising, lotions of steamed fruit with your breakfast, etc., but what do you do when these fail?

The majority then start on salts and purgative waters, then change to cathartics, etc. If you have gone through all these, so far as permanent results go, now you should try just once again, but try something practical and sensible.

Dr. Caldwell's Syrup Peppermint is a remedy as thousands testify.

Caldwell's Syrup Peppermint is guaranteed to be permanent in its results.

Its ingredients are such that a brief use of it the stomach and bowel muscles are trained to again do their work normally, so that the one can do away with medicines of all kinds.

That it will do this Mr. G. Y. Dodson of Sanville, Va., will gladly attest, and so will Dr. E. A. Clegg of New York.

To those who are still skeptical there is a way to prove these assertions without a penny of expense. Simply send your name and address on a postal card to Dr. Caldwell, R.R. 4, Caldwell building, Monticello, Ill.
