It's Wonderful

That fair minded renters continue to rent when they can buy a nice, new 5 room house for \$2,000, \$500 cash, balance 16 2/3 per month. Bath, electric light, cement walks, wood house. One-half block car line in the city.

And one of 5 rooms for \$1,100. A little cash, balance monthly.

And an 8 room for \$1,400, \$200 cash, balance \$15 per month.

And quite a number from \$500 up.

15 acre farm, improvements, \$1,100. A bargain.

A nice little investment—2 new 4 room cottages, \$850. Either of them rents for \$8.00.

A good 80 acre farm to trade for a modern residence. Give or take.

I want money to loan on good first mortgage securities.

-BURGLARY-

The summer outing season will soon be here, when you will leave your silverware, furs, rugs, paintings and bric-a-brac to the burglars. Upon your return, if you find some valuables gone, others destroyed, locks broken, and your pretty home turned into a place of desolation, a draft covering the loss and damage will look mighty good to you. Let DOUGAN & CO. protect you. Phone 1230.

There will be a regular meeting of the post next Saturday night. A large attendance is desired as arrangements for the Homer T. Wilson meeting will be made at that time.

Who stole the tomato?
National President W. O. Hudson was in Louisville, Ky., last week attending a meeting of independent oil men. State President Zink and J. R. Crawford of New Albany, visited the newly elected officer and spent a pleasant hour with him.

At last we have heard from Kleder. After several weeks off he managed to run down to Marion last Sunday and write up a column of news for the T. P. A. He returned immediately to his camp and will be heard of again when the frost is on the pumpkin. Kleder is one of the cold weather writers.

Don't delay paying your semi-annual dues. Only last week a member

of Post C who had failed to pay his dues promptly met with an accident and has been laid up. The accident happened on the seventeenth of July, but he was fortunate enough to have paid his dues on the sixteenth. He is now drawing an indemnity claim. Suppose he had failed to remit his dues the sixteenth. He would have been out in the cold. This member is now a little wiser.

We acknowledge the receipt of a new exchange, the Muncie Evening Press. This paper is carrying a T. P. A. column, edited by Frank Haimbaugh, an old newspaper man. The column is full of news items and we hope Bro. Haimbaugh continues to keep his pencil on the go.

Muncie post has been planning a picnic to be held in Glen Miller park. On account of a great number of the members being away at the present time, the picnic has been postponed to later in the season. An effort will be made to have the Muncie post hold their picnic while the Chautauqua is in session. If this could be arranged it might be made the Saturday that Mr. Homer T. Wilson delivers his T. P. A. lecture.

J. A. Kraft of Post Q. New Albany, has written recently a great lamentation bewailing the fact that a few of the Indiana press chairmen have been off their jobs. He comes back this week singing merrily the praises due to scribes who have returned to their jobs.

Low Posther, a member of Post C who has been in the south where he has had charge of a buggy factory, is visiting in Richmond for a few days. The special correspondents sent out to report the doings of the two fishing camps, one at Crooked Lake and the other at Sand Lake, have reported that they have arrived on their jobs but are experiencing some trouble in gathering any information. The Sand Lake correspondent states the gang

located at that place has entered into a solemn compact to do nothing while in the presence of the press correspondent, and to at all times maintain their usual dignity and exalted demeanor. He is having a hard time to gather any interesting news of the camp as things around "Solomon's Retreat" are dreadfully quiet. However he is writing an interesting story of the camp life and will have it in time for next week's news. The Crooked Lake correspondent is so busy he has engaged a stenographer to aid him in compiling the report of that camp. Watch for next week's letters.

It is a safe bet that Hudson and Logan will have the expenses of the T. P. A. materially reduced. More will be said on this later.
