Furnish the Home With Furniture of Quality

If you will just stop to think seriously for a moment, cheap furniture is the most expensive that you can buy. It must be replaced in a short time. We have received a number of pieces recently, bought at Grand Rapids, that for Quality and Finish surpass any furniture on the market. New prices for the Bed Room Suits of three pieces from \$23 to \$190. Buffets from \$18 to \$125. Chairs and tables to match at all prices. You are welcome to look.

Good
Butter

The grocer is asked a
hundred times a day. HAVE
YOU GOOD BUTTER? by
one of his customers. Now
butter can't be good unless
it's made right and kept
right.

You Know

that unprotected butter ab-
sorbs the odor and taste of
anything with which it
comes in contact—just think
what bulk butter must be
exposed to dust, dirt, germs
and ill odors. Can that sort
of butter be good.

Commons
Butter

is guaranteed to be good—
if it isn't just as we repre-
sent it to be, take it back to
your grocer. The name of

Commons stands back of
every pound.

Wrapped in parchment
paper which protects it
from germs, dust, and from
all ill odors.
