

# ARREST SIXTEEN FOR VIOLATIONS

This Is July Record in State  
for Tipping Over Pure  
Food Statute.

## MANY EXAMINATIONS MADE

SPECIAL ATTENTION WAS GIVEN  
TO ICE CREAM CONES AND TEM-  
PERANCE BEERS—DRUGS ALSO  
TESTED.

(Palladium Special)  
Indianapolis, Aug. 12.—During the  
month of July there were sixteen pro-  
secutions under the direction of the  
state board of health for violations of  
the pure food laws of the state and  
the fines assessed amounted to a to-  
tal of \$355.20.

Of the total number of prosecutions  
ten were for violations of the law re-  
lating to summer drinks and ice  
cream; one was for selling short  
weight packages of flour; one for  
keeping an unsanitary meat shop and  
the remainder for selling drugs below  
the legal standard.

During the month 147 samples of  
food were examined at the state labo-  
ratory, and of this number 119 were  
found to be legal. Most of the ille-  
gal samples were milk products. Spe-  
cial attention was given during the  
month to ice cream cones, and the pro-  
duct of five houses was examined. In  
no case was there found traces of  
adulteration.

### Poor Lemon Extract.

Of thirteen samples of temperance  
beers examined twelve were found to  
be legal. Of forty-five samples of  
drugs examined thirty-five were class-  
ed as illegal, a percentage of 77.77.  
The high percentage is due to the sale  
of spirits of camphor and tincture of  
iodine below the standard of purity.  
In twelve samples of lemon extract  
examined only four were found to be  
up to the standard.

The state inspectors made 823 visits  
to food producing or food distributing  
establishments. Of these twenty-three  
were found to be in excellent condition  
forty-four were good, 304 fair, forty-  
six poor and nine bad. The best con-  
ditions were found in the flour mills.  
Of the number of places graded fair,  
the hotels and restaurants, as in past  
reports, were in the largest propor-  
tion. Poultry houses, bottling works  
and dairies presented the worst con-  
ditions, due chiefly to lack of cleanli-  
ness.

We're ready again to serve  
you after 4 days of hard work  
installing our fine new fixtures.  
We announce our opening for  
this evening and tomorrow.  
Everyone invited to inspect  
our magnificent new fountain,  
the largest and finest any fac-  
tory has ever made.

## TO HOLD MEETING

A meeting of the decorating com-  
mittee of the Fall Festival will be held  
tonight. It was the intention to let  
contracts for decorating tonight, but  
this will not be done. John McLaugh-  
lin, who had charge of the decorations  
at Washington, D. C., when Taft was  
inaugurated has sent Chairman Fred  
Schornstein, of the committee, several  
pictures of the streets at Washington  
during the inauguration.

### DISCUSS LINE FENCE.

Wayne township trustee Howarth  
accompanied by a surveyor, held a  
consultation with J. C. Boyd this  
morning about the location of a line  
fence which is to separate the school  
property from the farm which Boyd  
owns. The fence which now separates  
the properties is said to be twenty feet  
on township property.

## WARNING TO WOMEN SUIT IS APPEALED

Mikulec, a Globe Trotter, Says  
that Walking Will Make  
Feet Grow.

### VISITS RICHMOND AGAIN

That walking enlarges the feet is  
the opinion of Joe Mikulec of Croatia,  
Austria, who has traveled 21,500 miles  
on foot since February 5, 1906. He  
paid Richmond another visit this  
morning and was wearing No. 9  
shoes. On his first visit here a little  
over a year ago he wore No. 7 shoes.  
When he started from Austria he had  
on No. 6 shoes.

Mikulec has been in all the contin-  
ents of the world except Australia and  
he expects to visit that country. He  
has visited almost all of the more im-  
portant cities of Europe, the United  
States and South America. He has  
covered the entire distance on foot ex-  
cept, of course in crossing the Atlantic  
ocean. During the three years and  
six months which he has been walking  
he has worn out forty-four pairs of  
shoes. Mikulec makes his way selling  
postcards.

of Glen Miller park. The privileges of  
the pond has been secured free for  
members of the boys' city. Boys be-  
tween the years of twelve and eigh-  
teen years will be admitted to the  
camp. One of the new features will  
be the location of the Greenwood Ju-  
venile band in the city. Tennis, base-  
ball and other outdoor sports will be  
conducted as last year.

## WORTH MOUNTAINS OF GOLD

During Change of Life,  
says Mrs. Chas. Barclay

Graniteville, Vt.—"I was passing  
through the Change of Life and suffered  
from nervousness  
and other annoying  
symptoms, and I  
can truly say that  
Lydia E. Pinkham's  
Vegetable Com-  
pound has proved  
worth mountains  
of gold to me, as it  
restored my health  
and strength. I  
never forget to tell  
my friends what  
Lydia E. Pinkham's  
Vegetable Compound has done for me  
during this trying period. Complete  
restoration to health means so much  
to me that for the sake of other suffer-  
ing women I am willing to make my  
trouble public so you may publish  
this letter."—MRS. CHAS. BARCLAY,  
R.F.D., Graniteville, Vt.

No other medicine for woman's ills  
has received such wide-spread and un-  
qualified endorsement. No other med-  
icine we know of has such a record of  
cures of female ills as has Lydia E.  
Pinkham's Vegetable Compound.  
For more than 30 years it has been  
curing female complaints such as  
inflammation, ulceration, local weak-  
nesses, fibroid tumors, irregularities,  
periodic pains, backache, indigestion  
and nervous prostration, and it is  
unequalled for carrying women safely  
through the period of change of life.  
It costs but little to try Lydia E.  
Pinkham's Vegetable Compound, and,  
as Mrs. Barclay says, it is "worth moun-  
tains of gold" to suffering women.

Clayton O. Hunt has appealed a  
suit for judgment against him and in  
favor of John C. Hodgins to the cir-  
cuit court from Squire Beyerle's  
court. Hodgins was given a judgment  
for \$32 which he declared was due for  
work and labor which he had per-  
formed for Hunt. The Rev. O. S. Har-  
rison, a former minister in the city,  
who has entered the practice of law,  
represents Hodgins, while P. J. Free-  
man is counsel for Hunt.

All Surface Skin Diseases.

The remarkable work which poslam,  
the new skin remedy, is accomplishing  
in the eradication of eczema includes  
cases of many years' standing the  
trouble having affected all parts of  
the body.

"For fifteen years I have had eczema  
on my head," says Mr. E. C. Sta-  
ton, Woodbridge, Va., "the scalp being  
nothing but blotches. I found that the  
first box of poslam helped me, and  
now my scalp seems to be entirely  
cured, leaving it clear and perfectly  
white. I think it is the greatest rem-  
edy in the world for this disease." All
