

## FEDERAL OFFICERS SEIZED ART STORE

New York Firm Charged with  
Conspiracy in a Million  
Dollar Fraud.

## CUSTOMS DUTIES AVOIDED

LAST YEAR THE STORE PAID A  
HALF MILLION DOLLARS FOR A  
PAINTING BY FRANZ HALS, AN  
OLD MASTER.

New York, Oct. 14.—Customs frauds aggregating more than \$1,000,000, are said to have been discovered by the government, and as a result of the disclosures the entire Fifth avenue art establishment of the five Duveen Bros. was seized by federal officials yesterday.

Benjamin J. Duveen, the only member of the firm in the city, was arrested, charged with conspiracy to defraud the government out of customs dues, arraigned and bail fixed at \$50,000 on the plea of United States District Attorney Henry A. Wise, who told the court that the frauds would reach an enormous sum, and that all five brothers were implicated. The bail was furnished and Duveen released.

Later in the evening officers boarded the Cunard liner Lusitania at quarantine and arrested Henry J. Duveen. He was taken to the federal building and arraigned.

The establishment is known the world over and the brothers have an international reputation as dealers in rare art objects and antiques.

## Too Much To Take Away.

Special agents of the department of justice, armed with warrants, conducted the raid on the aristocratic establishment. After placing Duveen under arrest a search for under-valued articles was begun and more than a van load of "suspicious" goods was found.

It was then decided to place the entire establishment under service and leave the customs inspectors in charge of it for the night.

Duveen surrendered the keys of the safe and desks and was taken to the federal building. He asked permission to send a wireless message to his brother, Henry J. Duveen, aboard the Lusitania, which arrived at dock late last night. The request was granted.

When the prisoner was taken before United States Commissioner Shields, District Attorney Wise said the case was the most important one the government had thus far had to deal with in connection with importation frauds.

Another Man in Case.  
He said he was in possession of evidence concerning a series of revenue frauds aggregating more than \$1,000,000, which had been carried on by the five brothers and another man mentioned.

The specific charge on which action was taken was the valuing of three imported vases at \$1,175, when they were worth \$28,000.

The firm of Duveen Bros. is composed of Henry J., Joseph J., Louis J., Benjamin J. and Joseph J. Duveen. They have establishments in New York, London and Paris.

Last year the Duveens were reported to have paid half a million dollars for a Franz Hals painting, and at the recent sale of the Yerkes art gallery

## At Local Theaters

### Pavlova.

The universal recognition accorded Mme. Anna Pavlova and M. Michael Mordkin, greatest of Russian dancers is emphasized by the following editorial published in the Chicago Record-Herald of July 25, under the caption, Russian Ballet as an Adjunct to Opera:

"Whether the vast plans on foot for the coming opera season through a chain of American cities will make for success, remains to be seen. Subscribers, the chief support of such enterprises, often show themselves capricious and biased. Society always reacts sometime the point where straight opera has to be reinforced by ballet. Get a dance feature sufficient in novel and striking, an opera stands to win. Happily, there is Russia, the delights of whose magnificent choreography the world has begun to taste. Pavlova and Mordkin of the Metropolitan last season, turned many a mediocre occasion into a success and became in the end the feature of the season."

Pavlova and Mordkin return to the Metropolitan Opera company this season for six weeks and in addition will tour America for twenty weeks with a supporting ensemble of sixty in productions aptly termed "ocular opera."

This big organization will be seen in Richmond on October 28 when the Gennett will present it as the feature attraction of the season.

### Grahame Stock Co.

The Grahame Stock company which is playing at the Gennett theater presented the best bill which has been seen here so far last night when "The Resurrection" was given to an appreciative audience. The company through out deserve especial mention for each person rendered the roles entrusted to their care with a carefulness which was truly remarkable. But above every one else, Miss Lillian Dean as Marsova gave a characterization of the Russian peasant woman which was a gem in its way. From the first act when the light hearted girl dances around the May Pole to the later scenes when she is incarcerated in the prison in Siberia and meets face to face the man who has brought her to that level Miss Dean left nothing to be desired. Ferdinand Grahame as usual gave a finished and well sustained portrayal of the man who has risen to the heights of power and wealth while the woman he has betrayed has fallen to the other extreme. His acting in the scene when he discovers that the woman on trial for her life before a jury of which he is foreman is the same that he left in the country years before was realistic in the extreme.

Grantville, Vt. — "I was passing through the Change of Life and suffered from nervousness and other annoying symptoms, and I can truly say that Lydia E. Pinkham's Vegetable Compound has proved worth mountains of gold to me, as it restored my health and strength. I never forget to tell my friends what Lydia E. Pinkham's Vegetable Compound has done for me during this trying period. Complete restoration to health means so much to me that for the sake of other suffering women I am willing to make my trouble public so you may publish this letter." — MRS. CHAS. BARCLAY, R. F. D., Grantville, Vt.

No other medicine for women's ills has received such wide-spread and unqualified endorsement. No other medicine we know of has such a record of cures of female ills as has Lydia E. Pinkham's Vegetable Compound.

For more than 30 years it has been curing female complaints such as inflammation, ulceration, local weaknesses, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration, and it is unequalled for carrying women safely through the period of change of life. It costs but little to try Lydia E. Pinkham's Vegetable Compound, and, as Mrs. Barclay says, it is "worth mountains of gold" to suffering women.

## A RULING FOR BANK

On sustaining the demurrer of counsel for the First National bank of Hagerstown, Judge Fox of the circuit court eliminated it as a co-defendant with William Oberstine on an account proceeding instituted by Joseph Vinci. According to the allegations contained

in the complaint, Vinci was paid about \$115 by Oberstine for labor and when Vinci reached the bank in Hagerstown to cash the check by which the payment was made by Oberstine, he was informed Oberstine had come ahead of him and notified the bank not to cash the check. The court ruled that the bank's connection in the affair was not such as to make it liable in any way and that if there was any liability at all, it laid in Oberstine.

A few doses of Pape's Diuretic end the most severe Backache.

In all the world there is no man or woman who can afford to neglect the slightest kidney disorder for one single day.

Kidney diseases are the most dangerous, because the first signs are seen in other parts of the body before anything wrong is noticed with the kidneys themselves.

Some of the symptoms, though, cannot be mistaken; for instance, a constant aching or misery in the back-spines or loins, or headaches and dizzy spells, nervous twitchings, disturbed sleep, inflamed or puffy eyelids, heart palpitations, rheumatic pains, weakness, bilious stomach or a feeling of languor and fatigue. Sick, unhealthy kidneys also cause thick, cloudy, of-

fensive urine or it is full of sediment, irregular of passage and often uncontrollable or attended by a sensation of scalding.

The time to cure kidney trouble is before it settles into Diabetes, Dropsy, Gravel or Bright's Disease. The moment you suspect the slightest kidney, bladder or urinary disorder, begin taking Pape's Diuretic as directed.

With the knowledge that there is no other medicine, at any price, made anywhere in the world, which will effect so prompt a cure. In just a few days you feel and know that the kidneys, bladder and urinary organs are healthy, clean and normal and all danger passed.

Your physician, pharmacist, banker or any mercantile agency will vouch for the responsibility of Pape, Thompson & Pape of Cincinnati, Ohio, who prepare Pape's Diuretic—50 cent treatment—sold by every druggist in the world.

"One day, when my boy was five years old, I noticed a sore on the top of his head. I was alarmed, so I called in Dr. — and he said it was eczema. After treating it for a week it spread all over his head, so the doctor advised us to see a specialist in New York, by the name of —. He said it was a bad case of ringworm and recommended a course of Cuticura.
