

## PROBATE AN ESTATE

## INVESTED IN BONDS

Left by a Well Known Milton Woman.

Mrs. Jennie Booth, a prominent resident of Milton, who died on November 26, left her estate to her relatives and friends according to the provisions of the will which was probated in the office of the county clerk. Remembrances, consisting of such items of personal property as jewelry, money, linen and the like, she provided should be given to her more intimate friends including residents of Milton and Cambridge City. Her property in Milton was inherited by her niece, Mrs. Ida Gause, as tokens of her appreciation for her niece's care and attention. The residue of the property was inherited by six heirs, each sharing equally in the distribution. Oliver Beeson has been appointed executor and filed bond in the sum of \$2,000.

## NEW MAIL ROUTES HAVE BEEN FORMED

Postmaster, E. M. Haas, has completed the re-districting of the city into mail routes, and last night at a meeting of the carriers there was a smoker and assignment of the new routes. Two routes have been added, having been formed from routes already in existence. Both of these are in the east end of town, one north and the other south of Main street. The two new carriers allowed the local postoffice after three months' hard work by E. M. Haas. The mail service of the city will be greatly improved by the addition of the new routes.

## The Doctor's Answers On Health and Beauty Questions

By DR. THEODORE BECK.

The questions answered below are general in character; the symptoms or diseases are given and the answers will apply to any case of similar nature. The following questions are from Dr. Theodore Beck, College Bldg., College-Ellwood Sts., Dayton, Ohio, enclosing self-addressed, stamped envelope, and name and address will be given but only initials or fictitious names will be used in my answers. The prescriptions can be filled at any well-stocked drug store. Any druggist can order of wholesaler.

Agnes R.: You can have red cheeks and also add from ten to thirty pounds to your weight, which is below normal by having this prescription filled: compound 3-grain hypo-phosphite 1 oz., camphorated calamine compound 1 oz., and compound essence cardiot 1 oz. Mix, shake the bottle well and take a teaspoonful, not good, or before meals if it is. After the first week gradually increase the dose to two teaspoonsful. Also take 3-grain calamine tablets to increase the weight, as per directions accompanying carton.

Bess: Blackheads, pimples, boils, spots and acne are in the face; the face can be readily overcome by the following treatment, local and internal. Have your druggist make an ointment of 1 oz. of 3-grain dr. soap and 1 oz. oil. Wash the skin with this soap and hot water; dry thoroughly and apply ointment thinly two or three times daily. This will remove the acne and cannot be detected. Then obtain a tube of 3-grain sulphur tablets and take out the fond daily so that the body is free from two or three times daily. This treatment removes blackheads, pimples and sores and prides the blood and skin; it is very effective. A more rapid cure may follow if the face is massaged once a day with plain yellow minyol, which is plain perfume jars and carried by most druggists.

Worker: There are several good prescriptions for chronic dyspepsia and indigestion of an annoying character, but I have but one which is a safe and effective treatment known as tripeptone (tablets) than anything else; tripeptone tablets, containing 100 mg. each, tract to bring about a cure, and not merely to relieve, as most advertised "dyspepsia tablets," containing peptone, are not effective. I have used it for several weeks and let me hear from you again.

Charles: I cannot give prescriptions in these columns for private diseases of individuals, but if you will give me your name and address, stating your case plainly, and I will write you privately, giving you the prescription and full advice. There is no charge for this.

Charles E.: The best treatment for oily or greasy hair, dandruff and itchiness, falling hair, baldness, and end hair, etc., is plain yellow minyol packed in 4-ounce jars and sold by any large retail drug store. This cures dandruff in three weeks if applied daily. Directions accompany each jar. This is far superior to the sage tea you have tried.

Husband: For the relief and cure of tired, swollen, aching, sweaty and calloused feet, use a teaspoonful of violet powder, and tablespoonful of salt to a gallon of hot water. Immerse the feet from 10 to 15 minutes every night or morning. This gives a grand feeling of comfort and has enabled one to be on their feet all day.

Sick One: You say you have had a long sick spell and have never regained your health. You have not been ill, but constantly became weak soon after arising, catch cold easily, perspire too freely, irregular appetite, melanochoria, etc. You are showing signs of a nervous system, which is marvelous in action. This cigar costs less and gives more than you imagined possible.
