As a member of the Missionary board on Southland college, a school for the education of the negro race under the care of Indiana Yearly Meeting of the religious society of Friends, she goes on a visit of inspection of the school and to renew former friendships of years ago when she was one of the teachers at that institution.

During the last few years the school has grown so rapidly that added accommodations have been necessary both in the school department and the housing of the students. The latest addition is thirty new dormitory rooms, which are to be formally dedicated next Sabbath by Mrs. Ballard. The new rooms have been furnished by donations from Friends interested in the work done for the negro at the school.

The college is under the excellent management of Mr. and Mrs. Harry C. Wolford of Westville, Ohio, who are well known in this city.

HIGH SCHOOL NEWS

Prof. Chase of Earlham will speak at the chapel exercises tomorrow morning. A week from tomorrow Prof. Earhart with the aid of his musical assistants will give a special program to which event the student body is looking forward with great pleasure.

Two weeks ago a call was sounded for track candidates and about forty met and had their work outlined for them by Coach Horton and faculty manager Menk. Regular practice will start this week but it has not been decided whether the work will be held at Reid Field or at the playgrounds. Prof. Menk said that the prospects look good and that he expects to have a good team to send to the state meet at Terre Haute in May.

A dramatic club has been organized consisting of both students and faculty members, about thirty in all for the purpose of studying modern plays, actors, playwrights and learning as much about the drama and stage as possible. Prof. Kelly, who is promoting the movement, says that several good plays will be obtained and one will be read by a chosen cast at each meeting and articles concerning stage craft, etc., will also be given by different members of the club at each meeting. Later in the semester a play will be given to which the public will be admitted. At the meeting Friday the following officers were elected: President, Edwin Flook; vice president, Miss Lucy Smyser; secretary, Prof. Guy Miller; treasurer, Errett Halsey; marshal, William Kloecker. The club will meet the first and third Friday of each month.

A try out was held for candidates for the debating team which will meet Marion next month, last week and Miss Eleanor Shute, Miss Frances O'Brien, Miss Jennie Stevenson, Miss Lila Stevenson, Mr. Fred Girty and Mr. Virgil Porterfield were chosen. Out of these six, four will be chosen by another try out this Friday and these four will then go to Marion the twenty-first of May.

Try This Home-Made Cough Remedy

Costs Little, But Does the Work Quickly, or Money Refunded.

Mix one pint of granulated sugar with 1/2 pint of warm water, and stir for 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents' worth) in a pint bottle; then add the Sugar Syrup. Take a teaspoonful every one, two or three hours.

You will find that this simple remedy takes hold of a cough more quickly than anything else you ever used. Usually ends a deep-seated cough inside of 24 hours. Splendid, too, for whooping cough, chest pains, bronchitis and other throat troubles. It stimulates the appetite and is slightly laxative, which helps end a cough. This recipe makes more and better cough syrup than you could buy ready-made for \$2.50. It keeps perfectly and tastes pleasant.

Pinex is the most valuable concentrated compound of Norway white pine extract, and is rich in gaulcol and all the natural pine elements which are so healing to the membranes. Other preparations will not work in this formula.

This plan of making cough syrup with Pinex and Sugar Syrup (or strained honey) has proven so popular throughout the United States and Canada, that it is often imitated. But the old, successful formula has never been equalled.

A guarantee of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.

SPECIAL AT THE FLOWER SHOP, FRIDAY AND SATURDAY. Potted ferns in a beautiful, new variety at 43c each, in order to make room in the Greenhouses for Geraniums.
