Use TIZ- Smaller Feet

Sore Feet, Tender Feet and Swollen Feet Cured Every Time. TIZ Makes Sore Feet Well No Matter What Ails Them.

Everyone who is troubled with sore, sweaty, or tender feet—swollen feet—smelly feet, corns, callouses or bunions, can quickly make their feet well now. Here is instant relief and a lasting permanent remedy—it's called TIZ. TIZ makes sore feet well and swollen feet are quickly reduced to their natural size. Thousands of ladies have been able to wear shoes a full size smaller with perfect comfort. It's the only foot remedy ever made which acts on the principal of drawing out all the poisonous exudations which cause sore feet. Powders and other remedies merely clog up the pores. TIZ cleanses them out and keeps them clean. It works right off. You will feel better the very first time it's used. Use it a week and you can forget you ever had sore feet. There is nothing on earth that can compare with it. TIZ is for sale at all drug-gists, 25 cents per box or direct if you wish from Walter Luther Dodge & Co., Dodge Bldg., Chicago, Ill.

IRON IN THE BLOOD

is an essential element of health. When it is insufficient or lacking, there is a dearth of red blood corpuscles, which causes anaemia and a run down condition of the entire system, with consequently bodily weakness.

In order to restore the blood to a healthy condition, iron must be supplied in an easily assimilated form. We guarantee this may be done by Vinol, our delicious cod liver and iron tonic, made without oil.

This combination of two world-famed tonics, restores to the blood the elements lacking to make rich, red blood which imparts strength and vitality to every organ in the body.

J. Edmund Miller of New Haven, Conn., says his little girl had been frail and sickly ever since her birth. Vinol was recommended and they tried it, and immediately noticed an improvement in her condition. They continued its use and it built her up, until they cannot recommend it too highly to build up a weakened system." Leo H. Fihe, Druggist, Richmond, Ind.

Mrs. Charles E. Stearns, Mrs. O. B. Sargent, Mrs. George L. Tenney, Mrs. J. J. Twohey, Miss Frances E. Wheeler, Mrs. Harry Lee Williams, Mrs. Louis Eugene Yager, Mrs. William Cleveland Bryan, Mrs. Sibyl Sammis Macdermid, Mrs. Mary Willing Meagley, Mrs. Lueila Chilson Ohmann and Mrs. Willis Merriman Powers.

A large bowl of pink carnations formed a centerpiece for the table. Smilax was brought from the chandelier and fastened at the four corners of the table. Pink carnations were given as favors.

Woman's Danger Periods Made Safe

By Lydia E. Pinkham's Vegetable Compound

The Change of Life is the most critical period of a woman's existence, and neglect of health at this time invites disease.

Women everywhere should remember that there is no other remedy known to medicine that will so successfully carry women through this trying period as Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs. Here is proof:

Natick, Mass.—"I cannot express what I went through during the Change of Life before I tried Lydia E. Pinkham's Vegetable Compound. I was in such a nervous condition I could not keep still. My limbs were cold. I had creepy sensations and could not sleep nights. I was finally told by two physicians that I had a tumor."

"I read one day of the wonderful cures made by Lydia E. Pinkham's Vegetable Compound and decided to try it, and it has made me a well woman. My neighbors and friends declare it has worked a miracle for me. Lydia E. Pinkham's Vegetable Compound is worth its weight in gold for women during this period of life. If it will help others you may publish this letter."—Mrs. Nathan B. Groaton, 51 No. Main St., Natick, Mass.

ANOTHER SIMILAR CASE.

Cornwallville, N. Y.—"I have been taking Lydia E. Pinkham's Vegetable Compound for some time for Change of Life, nervousness, and a fibroid growth."

"Two doctors advised me to go to the hospital, but one day while I was away visiting, I met a woman who told me to take Lydia E. Pinkham's Vegetable Compound. I did so and I know it helped me wonderfully. I am very thankful that I was told to try Lydia E. Pinkham's Vegetable Compound."—Mrs. Wm. Boughton, Cornwallville, N. Y., Greene Co.

The makers of Lydia E. Pinkham's Vegetable Compound have thousands of such letters as those above—they tell the truth, else they could not have been obtained for love or money. This medicine is no stranger—it has stood the test for years.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.

32d Annual Encampment Indiana Department Grand Army of the Republic and Auxiliary Organizations: Woman's Relief Corps, Ladies of Grand Army, Ind. Div. Sons of Veterans, Ladies' Auxiliary S. of V.

RICHMOND, MAY 17, 18 AND 19, 1911
THE LAST G. A. R. ENCAMPMENT TO BE HELD IN RICHMOND

\$5,500 NEEDED TO-MORROW!

The Eyes of the State Will Be On Richmond Tomorrow

All the funds to be used in entertaining the visitors for the G. A. R. Encampment are to be raised TOMORROW. A Finance Committee of 125 business men has been appointed, each one of whom has agreed to donate a portion of his time on tomorrow afternoon to solicit funds. As every member of the Committee is a busy man, it is urged that those solicited will be as prompt as possible in their response in order that the work of this committee may be lightened.

The expense of the Encampment will be in the neighborhood of \$5,500.00 which will cover Hall Rents, Street decorations, Night illuminations, Parade Expenses, Bands and all other expense incidental to the proper entertainment of the visitors. To raise the \$5,500.00 will require donations equal to last year's Fall Festival. The indications are that there will be delegations from almost every city in the State and that we may expect 10,000 to 15,000 people.

All the solicitations for funds will be made tomorrow and the money spent will not exceed the amount raised before midnight tomorrow night. Headquarters will be opened at the Office of the Western Union Telegraph Co., where all reports will be received, and if you are not called upon by a member of the committee, just telephone your contribution in to headquarters.

The raising of \$5,500.00 is something that has never been tried before in Richmond and very few places in the State, consequently all eyes will be on Richmond. To make the work a complete success it will take the cooperation of the entire City.

It is not necessary that contributions be made in cash, so if more convenient, contributors can sign a card designating the amount and agreeing to make payment on or before May 1st.
