

DEMOCRATS WORRY OVER PHILIPPINES

Future of Island Possessions to Be Determined on at Party Caucus.

(American News Service) Washington, May 8.—The future of the Philippine Islands is to be given serious consideration by the Democratic majority of this Congress...

The Democratic members of the house and senate desire is neutralization of the islands by a treaty to be negotiated by the world powers.

The three Democratic members mostly interested in the program are Representative Cox, of Ohio, Representative Cline of Indiana, and Representative Martin of Colorado.

War with Japan would mean the loss of the islands within a week, for in that period, Japan could rush more soldiers into the islands than we have in our regular army and militia organizations combined.

"A war under these conditions," said Representative Cox, "would have one of two possible endings: first, a long drawn out fight that would seriously attack the resources of the nation and prove far more costly than the Civil war, or else a defeat such as no proud nation has ever felt in the world's history."

The Filipino people are "erazy" for independence. They want an independent form of government that will be guaranteed by the world powers.

Up to the present, Congress has been unable to get the faintest idea of what the Philippines have cost. It has been estimated that the early days of the Philippine occupation cost the United States \$1,500,000 each day to maintain its army and navy in the islands.

If the American people can be shown in figures the expensiveness of the Filipino government to the United States," said Representative Cox, "and mind you, the civil expenses of the island government are borne by the Filipinos themselves, there will be a sweep of public opinion to unload the islands and let them paddle their own canoes as an independent republic.

The United States government, according to the generally accepted theory of the people of this country, is the policeman of all the Central and South American republics, a duty imposed upon us by the announcement and enforcement of the Monroe Doctrine.

There are rumors current in Washington that there is to be a sweeping inquiry into the conduct of the Philippine government since the occupation, a government that has all times been under the republican control.

Representative Cline is the author of a resolution, now pending, granting independence to the islands. Representative Cox has an entering wedge for Philippine independence in his resolution calling upon the war department for an itemized statement showing the cost to the United States of the islands since the Spanish-American war.

Japan's Opportunity. War with Japan would mean the loss of the islands within a week, for in that period, Japan could rush more soldiers into the islands than we have in our regular army and militia organizations combined.

When the Young Buffalo Wild West show appears in Richmond, Thursday, May 11th, there will be found in the canvas enclosed arena the greatest aggregation of wild west celebrities ever before gathered at one time.

At various times during the action of the show there will be found more noted people than old P. T. Barnum ever hoped for in his palmiest days. For instance, when Col Seaver signed Annie Oakley, Captain Bogardus, Curtis Lisbon and Col Stevens, he thought that he had a combination that could not be beat, but to make this array of sharpshooters even stronger, he is negotiating for Miss Nettie Gordon, a fifteen-year-old girl, who is said to be a wonder and who will join the show through personal friendship for Col. Seaver.

Cures Rheumatism

If It Don't You Can Get Your Money Back, Says Leo H. Fihe. Now when Leo H. Fihe, the well known druggist, makes such an offer as that, where, Oh, where is the man or woman full of Uric Acid poison, which is the same as Rheumatism, who is going to turn it down?

Leo H. Fihe has sold a whole lot of Rheuma these last few months, and if it didn't do as advertised he could not afford to make the offer. Here is more proof: Porter Smith, Dobbin, W. Va., writes: "I have been a great sufferer from Rheumatism for about 26 years, and the disease had become chronic. I had began taking Rheuma with little faith in its virtues, but was better from the first day I began its use, and at this time have no more pains."

50 cts at Leo H. Fihe's or mailed by Rheuma Co., Buffalo, N. Y. Send for free trial bottle.

English Marbue tones up the stomach and speedily cures indigestion. 25 cts. at L. H. Fihe's. Mailed by Rheuma Co., Buffalo, N. Y.

Seaver.

Besides there will be Ambrose Means, the hero of the African Jungles and the first man to rope a lion, Fred Burns, the best informed man on lassoing in the world, better known as the "King of the rope."

Then there are Cossacks, daring riders of the Russian steppes; sun-tanned Rurales from Old Mexico; Cowboys from almost every Western state, and the biggest tribe of Indians ever seen with a wild west show.

The horses with the show are the best money can buy, for Col. Seaver has not spared a single dollar to make his show greater than anything ever before attempted.

The sleeping cars on the show train are of the Pullman type and are considered the finest ever sent out on a show train.

The tents are new and of an improved style while the lighting facilities are the most modern kind.

The music with this show will also be a feature, as will the black horse cavalry troop and the bugle band.

If you like a real minstrel show with a splendid orchestra, good singing and beautiful plantation scenes with dancing pickaninnies don't fail to see Rozell's Minstrels at the Murray all this week.

The first part is a beautiful setting introducing the battleship New York. On the upper deck are seen some real musical artists, rendering beautiful orchestra selections, while below the remainder of the crew sing to their music in perfect harmony.

The second part is a beautiful plantation and its equal is rarely produced. The cotton fields make a big hit with all. The University Four are rendering some excellent comedy along with their more classic numbers.

NATURE TELLS YOU

As Many a Richmond Reader Knows Too Well. When the kidneys are sick. Nature tells you all about it. The urine is nature's calendar. Infrequent or too frequent action: Any urinary trouble tells of kidney ills.

Doan's Kidney Pills are for kidney ills. People in this vicinity testify to this. W. F. Stevenson, Church St., Cambridge City, Ind., says: "I gladly confirm all I said in praise of Doan's Kidney Pills, when I publicly recommended them in 1907. Backache caused me much suffering and I also had pains through my loins. I felt tired and worn out all the time and had but little ambition. My kidneys were weak and the kidney secretions looked unnatural. Doan's Kidney Pills relieved all my aches and pains and acted as a tonic, in fact, brought greater benefit than any other medicine I had ever taken. I advise my friends and neighbors suffering from kidney complaint to give Doan's Kidney Pills a trial."

For sale by all dealers. Price 50 cents. Foster-Mulburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

A letter was received last week from Mark Wilson, who was formerly employed with the P. C. C. and St. L. of this city, and who is well known here, telling of his experience in California. He reports that he has a position with the trustee of the International Molders' union of Los Angeles. He has excellent hours and receives a good salary. His many friends here will be glad to learn of his success.

Mr. A. U. Martin made a business trip to Farmland this week. Gladys Perin, who has been doing stenographic work under the direction of Mr. Gardner for Mr. Felman of this city, spent a week with her parents at Alpine, Ind., after which she has assumed her duties as stenographer for the Curme-Feltman company of Indianapolis. She writes that she enjoys her work very much and tells of the pleasant surroundings and office in which she is now employed.

Edna Stamer is assisting with the bookkeeping work at Stolle & Co., of this city, for a few days during the absence of their regular bookkeeper, Miss Neenan, who was called home on account of the severe illness of her father.

Rhea Chenoweth, Ruth Conger and Ethel McNew have been doing some circular letter writing for the Starr Piano factory for a few days. L. B. Campbell made a business trip to New Paris, O., Friday.

Mr. Stant, the commercial teacher, accompanied by his wife, spent Saturday and Sunday with Mr. Stant's brother-in-law at Falmouth, Ind.

CALLS '98 SCOURGE BLESSING TO U. S.

Philadelph. Pa., May 8.—President Taft was the guest of honor at a reception given here by the Medical Club of Philadelphia. He was hailed as the chief executive who had done the most for the advancement of medical science and his two recommendations that a national department of health be created by Congress was dwelt on approvingly by Dr. W. L. Rodman, who presided.

President Taft referred in his address to the efficiency of the medical corps of the Army and pointed out that in the camp at San Antonio, where 19,000 troops are quartered, only one case of typhoid fever had appeared. He compared this to the dreadful scourge in Cuba during the Spanish-American war, where, he said, 90 per cent became infected within eight weeks from the date of mobilization.

"And now," said the President, "we have a division of 19,000 men in Texas and California. They have been there for two months living under canvas and in a country soaked with rain and deep with profanity provoking mud. Pictures Medical Progress.

"But so effective have been the regulative and preventive methods adopted to reduce sickness that the percentage of sick men is less than it was in the posts from which those men were mobilized. I need not recall the dreadful record of sickness from typhoid fever in the camps at Chickamauga and other camps established during the Spanish-American war.

"The percentage of typhoid cases was so high that it is hard to believe. Of 120,000 men there were 20,000 cases with a mortality rate of 7 per cent. Of the volunteer regiments mobilized during the Spanish-American war, 90 per cent became infected with typhoid fever within eight weeks from the date of mobilization.

In Line for Vaccination. "Today, two months after mobilization, with the modern health regulations and by the use of vaccination against typhoid, not one case of typhoid has appeared in the entire force.

Edna Stamer is assisting with the bookkeeping work at Stolle & Co., of this city, for a few days during the absence of their regular bookkeeper, Miss Neenan, who was called home on account of the severe illness of her father.

SOFT FEET GO

Leo H. Fihe Lands the Agency for Ezo, Already the Greatest Remedy for Painful Feet

Rejoice and be glad all ye residents of Richmond who suffer from sore, painful, burning or smarting feet, for Leo H. Fihe now sells Ezo, the different remedy that banishes all misery from the feet and makes them feel fine in almost no time. Ezo is a refined ointment, very pleasant to use, and a large glass jar only costs 25 cents. It surely is the finest thing on earth for swollen or aching feet, and it promptly extracts the pain and soreness from corns, bunions and callouses.

If you want a pair of comfortable feet that won't give you any bother throughout a strenuous day, get Ezo and rub it in. And Ezo is mighty good for other things too, sunburn for instance, and chafing, and is very soothing and healing in skin diseases. Only 25 cents. Ezo Chemical Co., Rochester, N. Y., Makers.

except that of one teamster who was not vaccinated. "It is hard to credit the accuracy of such a record. But, as I have it directly from the War office, I can assert it, and give it as one more instance of the marvelous efficacy of recent medical discoveries and practice.

"When we consider how in times past the efficiency of an army has been reduced by large percentages through disease, we can realize what an important part of the army the medical corps has become. Good Comes From Scourge. "But, without reference to war, when we consider the enormous advances made in the discovery of methods of preventing disease in the tropics by members of the medical corps under government auspices and all within the last thirteen years, I think we may take pardonable pride in the record.

"We expended many lives and much money in the Spanish war and in the discharge of the responsibilities that have followed that war. But they are as nothing compared with the benefits to the human race that have already accrued and will continue to accrue from the discoveries made under the conditions and necessities which the exigencies of that war and the governmental burdens following it presented."

Drawing the Line. "I suppose," said the timid young man, "when you recall what a handsome man your first husband was you wouldn't consider me for a minute?" "Oh, yes, I would," replied the widow instantly, "but I wouldn't consider you for a second."

WARNING. Beware of opiates in Quick Consumption; they may mean death in a hurry. BRAZILIAN BALM contains no narcotics, minerals or poison. SHIPS FRUIT EARLY

Much of Northern Fancy Produce from Texas. (American News Service) San Antonio, Tex., May 8.—Express shipments have been going out of the Lower Rio Grande valley, particularly from the vicinities of Mission and Brownville, for the past five days, the first shipment having been made on May 1. While it is not unusual for that section of country to ship canteloupes to the northern market by the first of May, there is something unusual in the fact that the land on which some of these were grown, is actually producing its fourth crop since March 1, 1910. The crops in order were as follows: Sweet corn, beans, fall vegetables taken from the fields in December last, and canteloupes. It is said by those familiar with the melons shipped that the production is as fine as the famous Rocky Ford is and brings the highest price in the larger cities of the north and east. Last year the valley was in the market early in May with watermelons and one resident boasted of roasting ears the first Sunday in May. This year the roasting ear record has been broken and several localities in the valley have been shipping this table delicacy north for the past ten days, where it retails at the fancy price of 60 cents a dozen. The same price prevails in this city for valley grown sweet corn and it is offered for sale at all the market stalls. Just south of this city a melon farmer who has made a specialty of the business for a number of years says that prospects justify the belief that he will net \$100 per acre on his crop this year. Shipments will begin in the next ten or fifteen days. Early berries such as black berries and dew berries have been on the market for the past two weeks and it is said that Texas has never seen such a crop of the wild variety as is present this year. Many of the large ranches, particularly those in the southward, are crowded in places with the ripening berries and hundreds of Mexicans, both men and women, are employed to pick them. Many car load shipments have been sent northward, but it is estimated that the crop is so large this year, due to abundant rain, that at least one-third of it will go to waste.

Business College Notes Minnie Hill, who is a former student of the Richmond Business College and who was employed for a number of years with a firm in Carthage, Ind., has accepted a position with the Stafford Engraving company of Indianapolis.

HOW DO YOU DO THIS? \$ .50 .06 .00 \$2.00 It's easy. Take a half pint of water, which costs you nothing, add a pint of granulated sugar, worth six cents, make a syrup, and add the contents of a fifty cent bottle of LOGOS cough remedy extract (50 cents worth). This gives you a full pint of a logical, pleasant, soothing and effective cough syrup, good for any member of the family, which would cost you \$2 or more to buy already prepared.

Logos Cough Remedy is a concentrated extract of the most valuable medicinal herbs and bark. It will quickly stop the severest cough and soothe the sorest chest and throat in a jiffy. Just a teaspoonful every one, two or three hours is required.

Instead of paying out good money for a pint of ready prepared cough syrup, why not buy the medicinal extract only and add the syrup yourself? You will make a cough syrup as good—even better—and save \$2 or more on every pint you prepare.

Logos Cough Remedy extract is for sale at all first class druggists, at 50 cents for two ounces, enough to make a pint of excellent cough syrup.
