Tips

—On Finding a Lost Article or Restoring One

"And it was a keep-sake," "I prized it so," "Mother gave it to me"—such common expressions after something is lost. But somebody almost always finds it. And almost always gladly restores it if they know who has lost it. Tell who you are in a little Want Ad in this paper when you lose anything, describing your article. And if you find anything, advertise it in our "Lost and Found" column. The owner will gladly pay the cost. You reach thousands this way.
