

COMMERCIAL CLUB COMPROMISE PLAN WAS NOT FAVORED

Attorneys for the County
Pointed Out that the Club
"Compromise" Was Really
Not Any Compromise.

thought the company was trying to
"put one over" on the city and county
by asking that this proposition be
made.

Mr. Johnson stated that the matter
meant nothing to the attorneys whether
they appealed the case or not, but as
one of the attorneys he would like
to see the matter carried through without
a compromise, as the principal involved
was much more important than the minor
inconvenience the county would be put to by appealing the case. Both attorneys for the commissioners
assured the committee and commissioners
that there would be no delay
and that the county would be no worse
off even if the decision of Judge Fox
was reversed, and that, the county
still had the right to say where the
company should place its tracks.

The Commercial club committee
then withdrew and the commissioners
decided to hold another meeting the
first of the week with the attorneys
for the commissioners and decide
whether or not they should agree to
any compromise proposition.

Amusements

Merry Mary.

"Merry Mary," a new song farce and
last summer's big success at the Whi-
tey Opera House, Chicago, will be the
attraction at the Gennett theater, Mon-
day, Sept. 11.

The book was written by Harry Shel-
don White, and the lyrics and music
by Jack Kenyon and Hilding Ander-
son.

This very amusing story tells of a
sailor reported lost and collecting his
insurance his widow, without confid-
ing in her son and daughter, flashes
out in dashing clothes and is married
to an undertaker of bibulous capac-
ties. Other love affairs crowd into
the story but the widow's troubles are
the funniest and most interesting. Her
family tries to drown the undertaker
when he comes hunting for his bride
in an hour, whom he has misplaced
but who is difficult to forget or mis-
lay.

Before the undertaker is dried out
after his ducking in comes the lost
sailor as good as new, with the alarming
information that he has in a moment
of forgetfulness married a Fiji
island princess. With these delightful
complications carefully worked out,
Mr. White has made "Merry Mary"
one of the most dashing and unique
stories given the musical stage in
some time. The dialogue is bright
and snappy, and the piece teems over
with exuberantly funny and cleverly
worked out situations. Carefully
sandwiched and appropriately placed
are over a dozen of the most fascinat-
ing and ear teasing melodies to be
found in one evening's entertainment,
and among the biggest hits of these
are "The Land of the Make Believe,"
"The Summery Girls," Hip, Hip, Hur-
ray, "My Wedding Day," "It's Just Your
Way," "I Love No One But You,"
"Merry Mary," "Experience Will
Teach You How" and many others.

The acting company includes Bertha
Gibson, Ruby Rothour, Marie Wel-
ter, Helen E. Wilson, Jack Kenyon,
Eddy Martyn, Willard Jarvis, C. L.
Patterson, Thos. A. Hearn together
with the original and now famous
Whitney Opera House Taxicab chorus
over which Chicago raved all last sum-
mer.

HIS ECZEMA GONE AND BOILS CURED

Eczema Began When Three Weeks
Old. Arms, Shoulders and Breast
a Solid Scab. Boils Broke Out
During Teething. Used Cuticura
Soap and Ointment, and He Was
the Picture of Health.

"My son was about three weeks old when
I noticed a breaking-out on his cheeks, from
which a watery substance oozed. A short
time after, his arms, shoulders and breast
broke out also, and in a few days became a solid
scab. I became worried, and called our family
physician who at once pronounced the disease
eczema. The little fellow suffered greatly for
about three months. By the end of that time, he
seemed no better. He had become so bad
that he could not sleep.

I dropped the doctor's treatment, and com-
menced the use of Cuticura Soap and Oint-
ment, and in a few days noticed a marked
change. The eruptive on his cheeks was
almost healed, and his shoulders and arms
were decidedly better. When he was
about six months old, all trace of the
eczema was gone.

"During his teething period, his head and
face were often swollen, and the sores which I cured
with Cuticura Soap and Ointment, I must
have been a great sufferer. During
the time of teething and from the time I
supplied the doctor with Cuticura, I used the
Cuticura Soap and Cuticura Ointment,
nothing else, and when two years old he was
the picture of health. His complexion
was clear and sound, and his head and
body were decidedly better. When he was
about six months old, all trace of the
eczema was gone.
