

POLITICIAN KNOWS HOW TO SAVE \$5000

Stops Payment on Check
After Race in which He
Injured Leg, but Won.

CHICAGO, Nov. 1.—Michael Duffy, wealthy farmer of Benton county, Indiana, and Democratic congressional aspirant against Congressman E. D. Crumpacker, yesterday took part in a neck and neck race to save \$5,000. He saved the money but injured his pride and his left leg.

Yesterday morning he bought 11,500 bushels of No. 2 white oats. He paid the farmer with a check on the First National Bank at Hammond for \$5,000. The farmer tucked the check in his pocket, cranked up his automobile and sped away to the bank to cash the check. Duffy spoke to his horse and jogged away in the opposite direction.

He stopped to talk to a friend. The friend told him the oats he had bought had been taken over by receivers. Duffy lost no more time in gossip. He turned the horse around and started for the bank himself. Three blocks from the bank he came upon the farmer hurriedly cranking the machine.

Duffy gave a yell of joy which suddenly changed to one of pain for old Dobbins, unused to such demonstrations, stopped short and Mike continued on his way in the general direction of the bank.

He stopped abruptly, however, and with a badly injured leg managed to crawl to a neighboring house, where he telephoned the bank to stop payment on the check.

Meanwhile the farmer had succeeded in getting the engine started and had reached the bank just as Duffy got the paying teller on the wire.

"Followed!" he hissed as he strode from the window.

"Five thousand plunks to the good, but one leg to the bad," sighed Duffy with a sad smile as he nursed the injured limb.

A Valuable Suggestion Important to Everyone.

It is now conceded by physicians that the kidneys should have more attention as they control the other organs to a remarkable degree, and do a tremendous amount of work in removing the poisons and waste matter from the system by filtering the blood.

During the winter months especially when we live an indoor life, the kidneys should receive some assistance when needed, as we take less exercise, drink less water and often eat more rich heavy food, thereby forcing the kidneys to do more work than Nature intended. Evidence of kidney trouble such as lame back, inability to hold urine, smarting or burning, brick-dust or sediment, sallow complexion, rheumatism, may be weak or irregular heart action, warns you that your kidneys require help immediately to avoid more serious trouble.

An herbal medicine containing no minerals or opiates has the most healing influence. An ideal herbal compound that has had most remarkable success as a kidney and bladder remedy is Dr. Kilmer's Swamp-Root.

You may receive a sample bottle of Swamp-Root by mail, absolutely free, Address Dr. Kilmer & Co., Birmingham, N. Y., and mention the Richmond Daily Palladium.
