In Answer to the Query as to Whether He Is a Candidate.

(National News Association)  
NEW YORK, Feb. 19.—The long-expected reply of Col. Theodore Roosevelt to the query which stretches like a vast interrogation point from Maine to California as to whether or not he will accept the presidential nomination is expected to be made within a week. It probably will come in the shape of a letter made public either next Saturday or Monday.  
Col. Roosevelt will address the constitutional convention at Columbus, Ohio, on Wednesday. Later in the week the colonel will go to Boston and it is expected his New England speech will be of a political character.

**OUT FOR ROOSEVELT.**

Magill, seeking election to the United States senate, are today openly supporting Theodore Roosevelt. It was also announced that thirty nine of forty five Illinois Republican county committees have openly taken up the Roosevelt cause. The announcement is the first declaration of the regular progressive organization in the state for any presidential candidate.

## HE JOINS HIS WIFE Eli Roberts Dies 15 Days After Her Death.

Eli Roberts, a well known resident of Richmond, died at his home, 49 South Thirteenth street, Sunday morning, following an illness of several weeks' duration. Mr. Roberts spent his entire life in this city, and was one of the last living students in the old original log cabin school house.  
In 1811, his father, Jonathan Roberts, who was but three years of age, came to this city, and his parents built a log cabin on what is now Thirteenth street. Eli Roberts was born in 1834, and after receiving his schooling in the cabin just east of his home, started on his career as a farmer. He was in this business until his retirement about ten years ago. He was a prominent member of East Main Street Friends' church.  
Mr. Roberts lived in the old log cabin, erected over a century ago, for many years, then replaced it with a quaint brick structure which is one of the city's landmarks.  
Mr. Roberts, who survived his wife only fifteen days, leaves a brother, Henry S., a daughter, Mrs. Charles Strader, a sister, Mrs. Avis J. Elliott, of Greentown, and a nephew, Frank C. Roberts.  
The funeral will be ten o'clock Wednesday morning from the home on South Thirteenth street, with Rev. Truman Kenworthy officiating. Interment will be in Earlham Cemetery. Friends may call at the home any time after Tuesday noon, and are asked to omit flowers.

## A GREEK LABORER IS FATALLY HURT

Sam Bitras, a Greek employed on the C. & O., near Kitchell's station, suffered two broken ribs and a badly crushed chest, while at work among some cars Saturday evening. He was still alive early this afternoon, but was in so dangerous a condition that his recovery is doubtful.

## LEADERS LOST GAME

Local Basketball Team Bow to New Castle.

After leading throughout the opening periods of the game, Richmond high school lost a fast contest at New Castle Saturday evening by the margin of one lone point. Richmond was as good as its opponents at basket shooting, but fell down on defensive play. Ed Laning did the best work for the locals.  
Richmond jumped into the lead at the start, and piled up a count of 19 to 10 in the first half with little opposition. The period was featured by several long fluke shots by Nicodemus, one of which after traveling most of the length of the floor, struck the ceiling and bounced down into the basket. Crandall, of New Castle, got away from his guard, Nicodemus, in the second half, and tossed four goals in rapid succession. New Castle soon went into the lead with this encouragement and finally won the game.

Thomas Brannon, a brakeman on the Pennsylvania lines, fell from a car and was seriously injured, while riding on a freight train through the east end yards of the Pennsylvania Saturday evening.
