

KENNEPOHL CHOSEN AS BOARD'S HEAD

Former Councilman to Succeed Homer Hammond, Mayor Announces.

B. A. Kennepohl, a Democrat, was today selected by Mayor W. W. Zimmerman, as president of the board of public works. The mayor made known his choice late this afternoon. The vacancy on the board was caused by the resignation of Homer Hammond, a short time ago.

Mr. Kennepohl is one of the best known German residents in this city. He has taken an active part in all public affairs since coming to Richmond as a young man. During the past two years he has been retired, and was formerly the owner of a saloon on North D street. Mr. Kennepohl is well qualified for the position as president of the board of works. He was a member of the city council for ten years commencing in 1888. During that time he served on all the important committees appointed by the various mayors. He was the councilman from the first ward for six years and from the seventh ward for four years. Mr. Kennepohl has always looked to the best interest of the city.

Although Mr. Kennepohl has not been officially notified by the mayor of his appointment, he will accept, and will act always to the best interests of the city.

OFFICER AND NEGRO

Fought a Winning Battle Against Great Mob.

(National News Association)
CHICAGO, July 29.—Stricter regulation of street speaking is being considered by the police today as a sequel to an attack on Policeman Michael Cleary last night by a crowd of 3,000 persons incited to the disturbance by a street orator.

Cleary was set upon as he came out of a saloon on Congress street by Tony Mastrando, whom he had arrested for disorderly conduct. The speaker, said to be a Socialist, had just completed an attack on the police.

Some of the men in the crowd saw the officer coming with his prisoner. "Free him!" they shouted. The men in the crowd made a rush at the policeman. James Armstrong, a negro, came to Cleary's assistance. Together they fought their way down State street toward Harrison. The crowd increased until fully 3,000 were in the attacking party. Fourteen of these were felled to the sidewalk by the negro before he himself was knocked down. Finally Cleary got the Italian into an empty street car. Armstrong, dragging one of his assailants with him, also entered the car. The mob members were trying to climb through windows when a wagonload of police arrived.

The speaker who instigated the attack was knocked from a step-ladder on which he had been standing when the rush started. He took the ladder and disappeared.

FINED FOR DRUNK THEN REARRESTED

Second Case Against Members of O'Dell Family Tomorrow.

Thomas O'Dell, William O'Dell, Theodore F. Layman and John Gilmer, who assaulted Park Superintendent Hollorn Saturday afternoon, were each fined \$1 and costs in police court this morning for public intoxication.

Jesse O'Dell, son of William O'Dell, also charged with assault, was released. All the men paid their fines, and were immediately rearrested on the charge of assault and battery. They are out on bond and will be tried Tuesday morning on this charge.

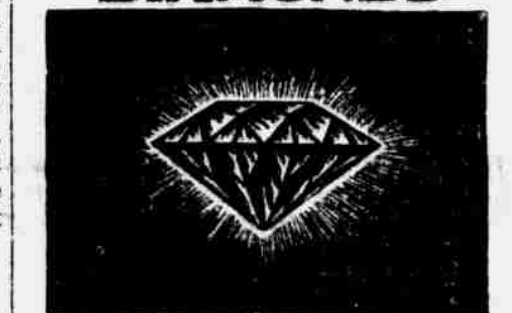

The story told by William O'Dell, who was the ringleader, was to the effect that the men came to this city in the morning and visited several saloons. At 1 o'clock in the afternoon an argument started. He said he tried to stop it and was successful when Park Policeman Tinapple came up and ordered the men to stop quarreling. Hollorn then appeared, and a fight started. O'Dell admitted hitting Hollorn, but said that another of the crowd hit Hollorn in the back of the head while the fight was on. He admitted beating Hollorn while he was down and the entire five stamping on the park policeman. He was caught with John Gilmer and his son, Jesse, near the driving park. The men were attending the reunion of the O'Dell family when the argument started.

CARRIED INTO THE COURTROOM ON COT

(National News Association)
ATLANTA, Ga., July 29.—Eugene Grace, the prominent clubman and athlete, was carried into court on a cot today to be present at the trial of his wife, Mrs. Daisy Opie Grace, who is charged with attempting to kill

her husband with a revolver as he lay asleep at his home in this city several months ago.

An immense crowd of society folks jammed the court room.

The first panel was quickly exhausted with but one juror chosen. Mrs. Grace, popularly known as the "Lady of the Leopard Skin," bravely faced the trying situation, dressed entirely in white and was accompanied

by her mother, who was dressed in black. Mrs. Grace and her mother formerly lived in Philadelphia.

Easy.

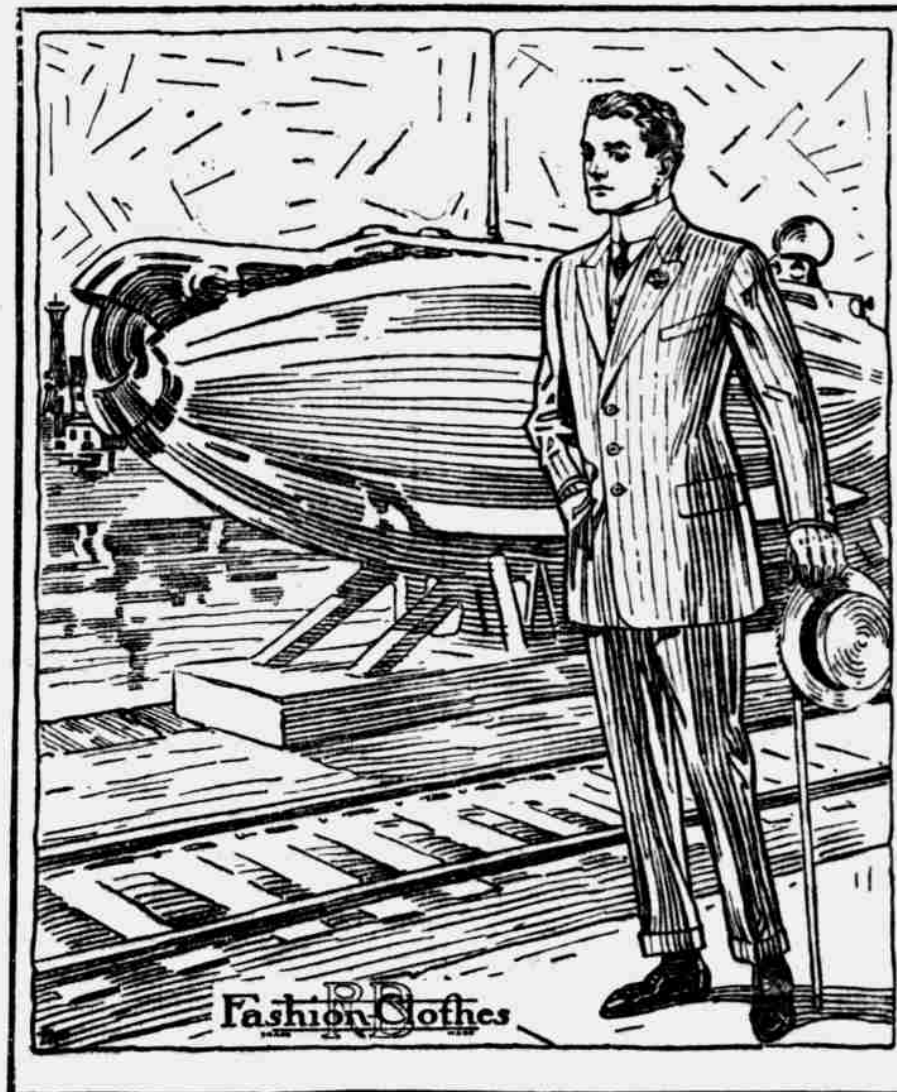

"Women," remarked the grocer, "are not hard to please."
"So?" interrogated the bachelor.
"Yes," continued the grocer. "All you have to do is to let them have their own way."—Chicago News.
