**WHY REPINE.**  
Why, why repine, my pensive friend,  
At pleasure slept away?  
Some of the stern Fates will never lend,  
And all refuse to stay.

I see the rainbow in the sky,  
The dew upon the grass,  
I see them, and I ask not why  
They glimmer or they pass.

With folded arms I linger not  
To call them back; 'twere vain;  
In this, or in some other spot,  
I know they'll shine again.

—W. S. Lander.

## HERE IS A REAL DYSPEPSIA CURE.

"Pape's Diapepsin" Settles Upset Stomachs and Ends Indigestion in Five Minutes.

Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick-sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic, get this down: Pape's Diapepsin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. Diapepsin is quick, positive and puts your stomach in a healthy condition so the misery won't come back.

You feel different as soon as Diapepsin comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder.

ment of one of the members, Miss Dorothy Browne, to Mr. Horace Allison of Indianapolis. Miss Browne is the daughter of Mr. and Mrs. W. E. M. ## TO CELEBRATE BIRTHDAY.

Tuesday will be the birthday of our Hoosier poet, James Whitcomb Riley, and many club programs will take note of the fact. It was only last year that this anniversary began to be observed, and the Indiana Federation of Clubs is proud of the fact that it was at the suggestion of that organization, the year before, that the birthday became a regular fete day throughout the state. It was at the Richmond convention of 1910 that Mrs. James F. Mitchell of Greenfield moved that the Federation ask all clubs and the pub-

lic schools of the state to observe the anniversary every year. The motion carried unanimously, and in due time the president of the Federation addressed communications to all clubs and school authorities asking their cooperation. The project met with immediate and wide-spread approval, and last year the birthday was observed not only in Indiana, but in many other parts of the country. Mr. Riley is in better health than he was a year ago, and is often seen driving about town or walking in the neighborhood of Lockerbie street.

The above was clipped from the Indianapolis Star and was written by Mrs. Grace Julian Clarke in her club letter to the Star.

## ERRONEOUS NOTICE.

Last week announcement was carried in the local press to the effect that Mrs. Mary Kofski and Mr. Dorah Wilt were to be married soon. Today the society editor learned that some one had been endeavoring to play what they termed a "practical prank." This is a queer way to play a joke. If the parties were able to find out who the perpetrators were they might cause serious trouble. In a signed statement this morning received from Mr. Wilt he states that it was a mistake and that the announcement was erroneous.

## ROUGH, SCALY SKIN

LITTLE PATCHES THAT PEEL OFF AND FORM AGAIN.

## Try this Remedy at Our Risk.

Most skin diseases are eruptions accompanied by itching. But there is another kind in which small patches of scales appear and fall off, followed by another crop. This may spread all over the body and become almost incurable.

A soothing application of Saxo Salve, our new skin remedy, should be made. This is very healing and penetrates through the outer layer of skin to the very seat of the trouble, destroying the germs.

Treated in this way, as directed by the book in the box, the scaly patches disappear and are replaced by smooth healthy skin. Saxo Salve in all forms of skin diseases, eczema, barber's itch, ringworm, etc., and we guarantee it to satisfy you, paying back your money if it does not. Leo. H. Fihe, druggist, Richmond, Ind.

## FLOWERS OF THE NIGHT.

They Are Usually Pure White With a Peculiar Glow.

As we all know, there are both day blooming and night blooming flowers. The former are generally decked in red, blue, yellow or purple and have lines, spots or markings on their petals which often act as guides to the nectaries which are visited by the bees and butterflies.

The night blooming flowers, on the other hand, invite the visits of moths or other night flying insects and therefore have recourse to something like the tasks of the fireflies and the glow-worms. They are usually pure white and have such a peculiar texture that they seem to glow with internal light in the dim shades of evening.

At times you might almost fancy that they were stained by nature with some forerunner of luminous paint, so clearly do they reflect every visible ray of the faint twilight. They thus succeed in catching the eyes of the moths, which, of course, are modified especially for perceiving and receiving the slight stimulus of the dusk and gloaming.

But the nocturnal flowers have no lines or spots, because these last could never be perceived in the dim gloom of the evening. They make up for it, however, by being very heavily scented. Indeed, almost all the strong white flowers, which are such favorites with florists, such as jasmine, tuberose, gardenia, stephanotis, sereno and syringa, which belong to the night blooming plants, are especially adapted to attract the senses of winged nocturnal insects.—St. Louis Globe-Democrat.

## How to Dry Hair.

Drying the children's hair does not take half as long if the towels are heated. With a radiator it is a simple matter to keep several towels warm, and by using them in rotation it is surprising how fast the hair may be dried.

## MISS WOODARD IS ELECTED SECRETARY

Miss Mary E. Woodard, of Fountain City, a prominent temperance worker of Wayne county, and well known in Richmond, was elected corresponding secretary of the Indiana W. C. T. U., at its annual convention in Kokomo. Mrs. Elizabeth T. Stanley of Liberty, who has often spoken here, was named vice president.

The Richmond delegation to the convention took an active part in the proceedings. Miss Ruth James, of this city, participated in the diamond declamation contest held under the auspices of the convention. She secured honorable mention.

Makes sick folks well faster than any other remedy. Brings strength, health and happiness to the whole family. Hollister's Rocky Mountain Tea deserves a thorough trial. 35c. Tea or Tablets. A. G. Luken.

## The Carpet Cure.

Matrimony reduced the Smith household until there was nothing left of it but the old couple, neither of whom looked old enough to be in the father and mother in law class. When Beasie got married Papa Smith took possession of her room, and it has been his study, library, smoking room and growlery since then, and its condition made the life of his otherwise happy wife a burden. "Since he has his room," she complained, "John has developed a passion for disorder which would break a housekeeper's heart." "Is there a carpet on the floor?" she was asked. "No." "Is there a rug?" "No; he wouldn't have one." "Well, surprise him and have a carpet put down," was her friend's advice, and it was followed. "He was a little surprised to find it," said the woman. "But from that day the floor has not been littered, there's more order on the desk and the place looks tidy. John doesn't know it, but he could serve as a living specimen of the carpet cure."—New York Tribune.

There is a maxim of unfailing truth that nobody ever tries into another man's concerns but with a design to do him mischief.—South.
