## ANNUAL RALLY DAY.

The annual rally day of the West  
Richmond Friends' Bible school  
will be held Sunday. West Rich-  
mond Friends with Earlham college  
students are confidently expecting the  
largest rally day attendance yet at-  
tained by this school. October 13 is  
the day. Hundreds of posters bearing  
a neat picture of Lindley hall, the rally  
center—and a challenge to thinking  
people to study the Bible have been  
scattered in West Richmond and Earl-  
ham Heights. A special program of  
speeches and music has been prepared  
and all is in readiness for the event of  
the year.

Sick headache is caused by a dis-  
ordered stomach. Take Chamber-  
lain's Tablets and correct that and  
the headache will disappear. For  
sale by all dealers.—Advertisement.

## Giant Sharks.

While the whale is regarded as the  
largest of creatures that haunt the sea,  
there are some sharks that can be  
compared in size with the former ani-  
mals. These giant sharks, however,  
are very rare and are known under  
the name of the great white shark and  
the basking shark. The former, which  
attains a length of fifty feet, is found  
off the coast of India, Peru and Lower  
California. The latter's most favorite  
haunt is the Arctic ocean, but it is  
also found near the great white shark.  
These monsters, curiously enough, are  
quite harmless. Their teeth are very  
small, and they feed on tiny matter  
that floats on the surface of the sea.  
This matter the fish strains through  
its enormous gill rakers.

## First Man Dressmaker.

One day in 1730 a beautiful carriage  
appeared on the boulevard of Paris  
with an ecutcheon in the shape of a  
pair of corsets and an open pair of  
scissors painted on the panel of each  
door. This was the coat of arms of  
Rhomberg, the first man who made a  
name as a woman's dressmaker.  
Rhomberg, who was the son of a Ba-  
varian peasant from the neighborhood  
of Munich, owed his rapid success to  
his genius for concealing and remedy-  
ing defects of figure. He left an an-  
nual income of 50,000 francs to his  
heirs.

## How The Local Gang Works.

While the Republican gang in Wayne county, first organized by  
Harry C. Starr and drilled by him until it became one of the best or-  
ganized political units in the state, has lost a lot of its followers through  
the general uprising for restoration of popular government, it has still  
been able to maintain a tight grip on the political machinery. Only  
this week the G. O. P. gang demonstrated it can still dominate elections  
in Wayne county through its control of the officials who have charge  
of the elections.

In every precinct polling place the gang next month will be in com-  
plete control, the county commissioners having so decreed at the orders  
of the machine leaders.

Under this system, we are informed by Barney Linderman, of the  
county board, if any difficulty arises in the counting of ballots it can be  
"settled easier, with less dispute" by having tried and true Republican  
workers in control of the polls.

There is a sinister threat to Progressives in that one sentence,  
culled from the statement of Mr. Linderman, which he gave out on be-  
ing asked for an explanation why the Progressives had been denied el-  
ection inspectors after they had been promised this right.

If one so desires one may read into these words a warning against  
too much scratching of ballots on the part of Progressives who are the  
common enemies of both old Bourbon parties, and the wisdom of voting  
the ticket "straight."

Having gained control of the election machinery, the Republican  
gang, separate because it had been unable to secure the once Republi-  
can press of this city to champion a stolen presidential nomination and  
the perpetuation of corrupt and unpopular government, has decided to  
conduct a publicity campaign of misinformation on its own hook, believ-  
ing the people of Wayne county are so inferior mentally that they can be  
coaxed with high sounding phrases to vote against their best interests.  
This publicity campaign is being conducted through the medium of an  
alleged newspaper, which makes a direct appeal to the working men of  
this city, to support a party whose platform is constructed without a  
plank beneficial to the cause of labor.

Another old-time trick that the Republican gang began to play prior  
to the last registration period, was the rounding up of Italians at the  
court house for the purpose of having them take out naturalization pa-  
pers.

A well known Republican laughingly made the statement the other  
day that he saw a crowd of Italians in the clerk's office at the court  
house. He asked in jest who was "putting up" for the cost of having  
them made American voters, and the man he addressed mentioned the  
name of a prominent Progressive. Undoubtedly each Italian had been  
instructed carefully in the lie he was to speak in the event of being  
asked just such a question.

Another Italian, an enthusiastic Roosevelt man, and a leader of his  
countrymen in this city and county, has informed the Palladium that  
most Italians are for Roosevelt but they are being told by Republican  
leaders that the "only way to vote for Teddy is to mark a cross in the  
circle which has the eagle in it."

Such tactics as these do no good these days. They only emphasize  
the need of securing reforms in the government of this state and nation,  
and will drive a good many more people into the Progressive party after  
they realize it is the only weapon handy to use in securing relief  
from the existing intolerable conditions.

## It Stands for All Workers.

"A worker" writes that he is employed in a local shop and that he  
is a Progressive because he believes it serves his interests best to be one.  
He states that in an indefinite way he knows the Progressive platform is  
better for the wage earner than either the Democratic or Republican  
platforms, "but," he concludes, "my definite knowledge of the planks in  
the platform (Progressive) made to benefit the workers is not enough for  
me to make a good argument with fellow workers I know I could convince  
that they would make a mistake if they voted against the Progressives.  
Won't you please outline in your paper those features in the Progressive  
platform which were made for the working men?"

The Progressive platform as a whole is constructed to benefit not  
only the working man, but the business man and the women and children  
of this country, but there are fourteen features of the Progressive platform  
of particular importance to wage earners. Here they are:

1. A minimum wage for women wage-earners to provide a living scale  
in all industrial occupations.
2. Efficient child labor laws, National and State, and the rigid en-  
forcement thereof.
3. A workman's compensation act for industrial accidents and  
deaths, under which establishment losses shall be settled upon a scale  
fixed by statute, the worker to have his alternative to pursue his remedy  
in court.
4. The prohibition of night work by women and the establishment  
of an eight-hour day for women and young persons.
5. Effective legislation to prevent industrial accidents, occupational  
diseases, overwork and involuntary unemployment.
6. The fixing of a safety and health standard for the various occupa-  
tions.
7. One day's rest in seven for all wage workers.
8. The eight-hour day in continuous twenty-four hour industries.
9. The abolition of the convict labor system, substituting a system of  
prison production for government consumption only, and the applica-  
tion of prisoners' earnings to the support of their dependent families.
10. Publicity as to wages, hours and conditions of labor, full reports  
of industrial accidents and diseases.
11. The opening to public inspection of all tallies, weights, measures  
and check systems on labor products.
12. Protection of the home-life against the hazards of sickness, ir-  
regular employment and old age, through the adoption of a system of so-  
cial insurance, adapted to American use.
13. Schools for industrial and agricultural education.
14. The organization of the workers, men and women, as a means  
of protecting their interests and promoting their progress.

HEAVY FINE FOR  
DRAWING A KNIFE

Incriminating evidence was too  
strong against Randall Edmunds, ne-  
gro accused of drawing a knife upon  
his son-in-law, Jesse Somers, and he  
was fined \$25 and costs and sentenced  
to thirty days in the county jail by  
Mayor Zimmerman in police court to-  
day. When arraigned in police court  
Edmunds entered a plea of not guilty.

and denied having a knife in his pos-  
session. Mrs. Edmunds and her  
daughter both testified contrary to  
his statement.

Orrine Cures Whiskey  
And Beer Habit

ORRINE is the standard remedy and is everywhere recognized as the  
most successful and reliable home treatment for the "Drink Habit." It is  
highly praised by thousands of women because it has restored their loved  
ones to lives of sobriety and usefulness, and the weekly wages which at  
one time were spent for "Drink" are now used to purchase the necessities  
and many comforts for home. Any wife or mother who wants to save her  
husband or son from "Drink" will be glad to know that she can purchase  
ORRINE at our store, and if no benefit is obtained after a trial, the money  
will be refunded. Can be given secretly.

ORRINE is prepared in two forms: No. 1, secret treatment, a powder,  
absolutely tasteless and odorless, given secretly in food or drink; ORRINE  
No. 2, in pill form, is for those who desire to take voluntary treatment.  
Costs only \$1.00 per box. Ask for free booklet telling all about ORRINE.

A. G. Luken &amp; Co., 628-630 Main Street.

## GRAY HAIR RESTORED.

This Simple Home Remedy Darkens  
It Beautifully.

There is no longer any reason why  
any person with gray hair should not  
remove this annoying sign of age and  
remain in the youthful-looking class;  
and the best part of it is that one  
does not have to depend upon the pre-  
pared dyes and stains to bring about  
the desired change. A simple pre-  
scription which gradually darkens  
gray hair, making it soft and glossy  
and perfectly natural in color and ap-  
pearance, can be made from an ounce  
of bay rum, a quarter ounce of gly-  
cerine and a small box of Barbo Com-  
pound, procurable at any drug store.  
Dissolve the Barbo Compound in 7  
ounces of water, then add the bay rum  
and glycerine and you will have a  
splendid hair darkener, as well as an  
excellent remedy for dandruff and other  
humors of the scalp. It also acts  
as a tonic to the hair follicles, is not  
sticky, does not rub off or color the  
scalp, and is both cheap and highly  
satisfactory in every way. Make sure  
you are getting Barbo Compound. If  
the druggist hasn't it in stock, ask him  
to get it for you.

Healthy Old Age Is What  
Dr. Hartman Advocates

See here,  
young man, I  
heard you com-  
plaining of the  
other day of be-  
ing nervous,  
sleepless, brain  
fagged, and the  
like. A young  
man, hardly in  
the zenith of  
your life com-  
plaining of such  
things?

And this is  
very common,  
too. You are  
not the only  
one. Probably

three out of four of the young men of  
today have just such symptoms as you  
describe. What does it mean?

Look at me. I am eighty-two years  
old. Sound as a nut. Tough as bick-  
ory. Do not know what it is to be  
tired. While I can not do as much  
physical work as I used to when a  
young man, I can do a great deal.  
Probably twice as much as the av-  
erage young man of today.

What has kept me so strong and  
well? I will tell you. I do not use  
tobacco. I do not use alcoholic stimu-  
lants. I do not use tea or coffee  
habitually. I go to bed early. I get  
up early. I am always doing some-  
thing; something that occupies my  
body and mind. I love to work. I  
take a cold water towel bath every  
morning, winter and summer. It is  
these things that have kept me well  
and strong. You could be just as well  
and strong as I am if you would do  
as I do.

You may ask, do I never get sick,

have I never had occasion to take  
medicine at all? Yes, I have got sick.  
Sometimes I feel a little touch of cli-  
matic trouble, like cold, malaria, slight  
catarrhal symptoms, but my only med-  
icine is Peruna. I always keep a bot-  
tle of Peruna in the house. I keep a  
bottle on my desk in my office. Once  
in awhile I take some. I do not take  
it habitually. Take it only when I  
feel a little out of sorts. One swallow  
will perhaps be all that will be ne-  
cessary, but it is always handy by.

It is a sorry sight to see the young  
men of today begin to peter out phy-  
sically when they ought to be in the  
glory of their manhood and the height  
of their vigor. Eat plain food. Live  
frugally. Give up all weakening habits.  
Live as God intended you to live. Take  
Peruna when you do not feel as well  
as usual.

If you want me to I will send you a  
book which will tell you a great many  
more things about yourself and about  
matters that may be of great value to  
you. Enclose a two-cent stamp for  
postage and the book will be sent in  
a plain wrapper and you will not be  
troubled with any follow-up letters or  
advertisements.

Peruna, Man-a-lin and La-cupia  
manufactured by the Peruna Com-  
pany, Columbus, Ohio. Sold at all  
drug stores.

**SPECIAL NOTICE:**—Many persons  
inquire for The Old-Time Peruna.  
They want the Peruna that their  
Fathers and Mothers used to take.

sale write the Kartano Company, Col-  
umbus, Ohio, and they will tell you  
all about it.
