

## THE BLIZZARDS AND TORNADOES FATAL TO NUMBER OF PEOPLE

Fifty People Were Reported Killed in a Number of Southern States Following Cyclones.

(Continued from Page One.)

causing the roof of the Racine Hotel, where the St. Louis National League baseball club is stopping to crash in on the players. All were buried in the wreckage and several were slightly hurt.

### WRECKED IN BLIZZARD.

OMAHA, Neb., March 14.—Four persons were killed and nineteen injured when Union Pacific train No. 12, known as the Colorado special, ran into the rear of train No. 4, the Atlantic express, near Gothenberg, Neb., at daylight today. The dead are:

Miss Edith Hoon, Cheyenne, Wyo.  
Edwin Ousterhout, traveling man, New York.  
Mr. and Mrs. August Meyer, Dennison, Iowa.

The worst blizzard of the year was raging in the vicinity of the wreck. Twenty inches of snow fell during the night.

Four men are missing and supposed to be dead as the result of a rear end collision between two freight trains on the Union Pacific railroad near Herndon, Neb., early today. Those missing are the engineer, the rear brakeman and two stockmen. The terrible blizzard which raged all night is held responsible for this wreck as well as the passenger wreck near Gothenberg. Passenger train No. 12 was running behind passenger train No. 4, despite the fact that No. 12 was due in Omaha first. The rear train crashed into the Pullman sleeper of No. 4, partly telescoping it and throwing it off the track. The coach ahead also was partly demolished and thrown into the ditch.

### AN ILLINOIS TORNADO.

SPRINGFIELD, Ill., March 14.—A tornado swept central and southern Illinois early today killing one man, injuring two others and doing property damage that may reach a million dollars.

Charles Giltin, a farmer, living near Jacksonville, was killed. Clyde Griffiths was seriously injured by flying timbers at Jerseyville, and Frank Ross at Whitehall, was blown against a building and seriously injured.

The towns that suffered most were Jerseyville, Whitehall, Carrolton, Chandlerville, Jacksonville and Winchester. Houses were moved from their foundation and in some places water stands six inches deep in the streets.

### RUSH COUNTY SWEPT.

RUSHVILLE, Ind., March 14.—Frank Darnell, aged 50, was instantly killed by lightning while returning to his home south of here late last night. A widow and six children survive. Lightning and wind did great damage throughout Rush county.

### GIVES TALK BEFORE MARSHALLETTE CLUB

In addressing members of the Marshallette Social club, colored, C. R. Richardson, an attorney here, declared that members of the organization should co-operate with all colored people in this city and support those who have ventured in business. Mr. Richardson made a comparison of the number of colored residents in Richmond with that of other cities, who are engaged in business. He said that the number of colored business men in this city is far below the average. The club elected Charles Skillens president and Calvin Burton secretary of the organization.

## Want to Feel Young

It's Olive Tablets For You!

Beware of the habit of constipation. It develops from just a few constipated days, especially in Old People, unless you take yourself in hand.

Coax the fabled bowel muscles back to normal action with Dr. Edwards' Olive Tablets, the substitute for calomel. Don't force them to unnatural action with severe medicines or by merely flushing out the intestines with nasty, sickening cathartics.

Dr. Edwards believes in gentleness, persistency and Nature's assistance. Dr. Edwards' Olive Tablets oil the bowels; their action is gentle, yet positive. There is never any pain or griping when Olive Tablets are used. Just the kind of treatment old persons should have.

Take Olive Tablets mixed with Olive oil and have no trouble with your bowels or stomach.

"Every little Olive Tablet has a movement all its own." 10c and 25c per box.

## RODE BICYCLE ON WALKS; ARRESTED

Harold Thomas was arrested yesterday afternoon by Patrolman Westenberg for riding a bicycle on the sidewalk on Southwest Third street near the National road. He was fined \$1 and costs in police court this morning. He was released and given time in which to pay the fine. As the violation was of a city ordinance, the case was prosecuted by City Attorney Bond. Numerous complaints have come to the police for several months that persons riding bicycles on the sidewalk have forced pedestrians to walk the street to allow them to pass. Similar complaints have come from the east end.

## COURT GIVES "GENE" M'MAHAN A LECTURE

Mayor Tells of Little Man's Fall As Result of Liquor.

"Gene" McMahan, age 45, a newsboy, was arrested at police headquarters this morning by Patrolman Vogelsohn, charged with public intoxication. He was given a lecture by Mayor Zimmerman, who fined him \$1 and costs which was later suspended. McMahan took an oath he would never again touch a drop of intoxicating liquor.

Mayor Zimmerman told of the little man's downfall from a prosperous property owned to a newsboy. In the

past few years, McMahan has become an habitual drunkard.

McMahan explained to the court the temptation which he had to undergo because of the fact that his business forced him to enter saloons constantly while selling papers.

Yesterday McMahan was ordered from a saloon by Patrolman Vogelsohn. A few minutes later he gave Garrett Decker ten cents with which to buy him a drink of whiskey. Vogelsohn compelled Decker to return the liquor to the saloon where it was purchased. Decker promised to report to the police any one who tries to buy Mahan a drink in the future and on this promise McMahan was released.
