# Ready-to-Wear Department

**Right Now is the Opportune Time To Make Your Selections**

An exhibit of new styles in which realization meets highest expectations. An authentic showing of Spring and Summer styles, embracing everything for every fashionable hour of the day—from the simpler suits and morning dresses, the lingerie dresses, the afternoon and evening gowns and the spring coats up to the plain, but effective, evening frocks for the young girls. The entire exhibit will appeal to the women who understand dress. You are invited to view these authoritative new styles as they are viewed in the heart of fashion's centers.

THERE IS A WONDERFUL DISPLAY OF ACCESSORIES OF DRESS chosen from the latest and daintiest productions of leading makes. Wonderful new blouses, curious and lovely new silks and dress fabrics, exquisite new laces and embroideries. And so on, not forgetting dainty neckwear, new color tones in hosiery and gloves. The bags, belts and handkerchiefs strike a new note of charming novelty. The call of spring sounds out clear and vibrant through the entire store.
