

## MEREDITH DODGED JOB ACCUSING T. R.

Richmond Man Was Asked  
to Testify for Newett in  
Famous Libel Case.

## HAD NO TESTIMONY

Declined to Take Stand Be-  
cause He Had Never Seen  
Colonel Take Drink.

It became known for the first time today that Linus P. Meredith, former sheriff and Republican district chairman, was asked to testify in behalf of Editor Newett of the Ishpeming Iron Ore in the recent libel case brought against the Michigan man by Col. Theodore Roosevelt.

Meredith flatly refused to take the stand against the former president for the very good reason that he could not testify that he had ever seen Col. Roosevelt intoxicated.

**How the Story Started.**  
Following Col. Roosevelt's tour of Indiana with ex-senator Albert J. Beveridge, when the latter was a candidate for re-election, a story began to circulate that both Senator Beveridge and Col. Roosevelt had been intoxicated aboard their special train, on which Meredith was a passenger from Anderson to Richmond. Knowing that Meredith was connected with the Republican organization in this state, and acting on the supposition that he might be prejudiced against the colonel, representatives of Newett interviewed him in the hope that he might make a valuable witness for the editor.

"I told them that while I might have thought the colonel acted in a peculiar manner I could not testify that he was drunk because I did not see him take a drink," Meredith stated today.

Col. Roosevelt was very angry when his train arrived in Richmond, owing to delays in the schedule and because he could not speak in Richmond, as he had planned to do, and in venting his indignation expressed himself quite frankly. This gave rise to a report that he was drunk.

## LAST MEETING HELD

Ministers Arrange For An-  
nual Picnic.

At the last meeting of the Richmond Ministerial Association, which was held today with the Rev. Arthur Cates, of Grace M. E. church, plans were made for the association's annual picnic. The picnic, which regularly follows the last meeting of the year, is for the ministers and their families. This year it will be held at Glen Miller park on Friday afternoon, June 20. Because of the absence of the Rev. Earle B. Parker, of First M. E. church, who was to have read a paper at the business session this morning, the business was postponed.

## FLEMMING MATTER BEFORE COURT AGAIN

A case of misunderstanding was finally settled in the Wayne circuit court this morning on the restraining order filed by Mrs. Laura Flemming against Chas. B. Flemming, May 20 to enjoin Flemming from selling any of the property on the farm said to be owned by the plaintiff. According to the complaint all property is owned by Mrs. Flemming and it was intimated that Flemming was contemplating selling part of the personal property on the farm.

No notice was given to the defendant that a restraining order had been filed against him and his attorney made a motion that Friday that the restraining order be dissolved. The court sustained the motion. The case was set for today and this morning the attorneys agreed that there was no need of hearing the case as it had already been decided by the court.

Mrs. Flemming also asks the court for a divorce from her husband alleging cruel and inhuman treatment. Flemming is now living in this city.

The English government is planning to provide scholarships and other aids which will make possible a university education for every boy or girl who makes a certain standard.

## TWENTY SHEEP ARE KILLED BY CANINES

C. H. Wefler Reports Loss to  
Township Trustee  
Howarth.

Vicious canines have caused Wayne township a big sum of money during the past few years and from present indications more damage will be done this year. Township Trustee Howarth has been compelled to make settlements with Wayne township farmers for nearly every kind of stock on various farms in this community so far for depredations committed by dogs. The most recent rampage on the part of dogs occurred Saturday night on the farm of C. H. Wefler, near Middleboro, twenty of his sheep being slaughtered. The loss was reported this morning to the trustee and two freeholders will be appointed to appraise the loss and report to the township official. Most of the losses have already been paid from the township dog fund.

Other depredations which have been reported have all been settled with the exception of the killing of a hog owned by J. W. Haustetter, residing on the Wernle Road. The animal was valued at \$15 and was killed by a dog on June 6. George Hodgins was also paid \$5 for the loss of a hog. Guy Trotter's chicken coop was raided by dogs on May 3, and he received \$3.50 for seven chickens killed. Mrs. Anna Jones lost a goose valued at \$1.25 on March 29. Alfred Sudhoff reported the loss of poultry March 15 though appraisers have not reported the amount of damage as yet. On January 21 fourteen ducks, owned by N. P. Wilson were destroyed. Their damage was \$12.60.

She spoke of the awakening of mothers to the need of such harmony, and commended very highly the efforts and results obtained by the local organization.

She was followed on the program by Mrs. Sam Hoshour, who gave an address on "Hygiene of a Schoolgirl's Dress." Several new members were received into the organization. A general discussion of the work of the organization followed.

Mrs. J. T. Reese, Miss Katie Kniese and Mrs. Charles Cox of Cambridge City, were in attendance. Mrs. Reese, Miss Kniese, of the Cambridge City school, and Miss Eleanor Newman, of Milton, who is a teacher at that place, and the Rev. Mary Mills also gave excellent talks.

## GINGRICH SUFFERS NUMBER OF BURNS

Wayne County Farmer In-  
jured When His House  
and Barn are Destroyed

(Palladium Special.)

MILTON, Ind., June 9.—A \$1,000 loss with no insurance was incurred Saturday night by Louis Gingrich of Bentonville when his house and barn caught fire and were almost totally destroyed. Mr. Gingrich was seriously burned on his face, neck and hands. He is now at the home of his brother-in-law, George Lambertson, Straughts Station, where he has improved slightly, although the burns are extremely painful.

The fire originated from a gasoline stove explosion in the rear of the house. All the inflammable material immediately caught fire and in attempting to extinguish the flames, Mr. Gingrich narrowly escaped death. When assistance arrived, he had almost succumbed from the effects of the smoke in the room. He was taken from the building almost unconscious.

The house burned beyond repair and the outbuildings were badly damaged. Several houses in the neighborhood caught fire but were put out before the flames gained headway. The strong wind fanned the flames on the Gingrich house and made it impossible to extinguish them after the headway.

The United States has always been the chief destination of emigrating Germans, and still remains so, although a diversion of other parts of the western hemisphere and to Australia is now observable.

## PAY YOUR DOG TAX

Or the Prosecutor is Sure to  
Get You.

Persons who have not paid their dog tax and who are delinquent for this year will be prosecuted unless the taxes are paid before Monday, June 16, according to Prosecutor Will Reller, whose duty it is by law to file affidavits against delinquents.

Mr. Reller has issued the following order to delinquent dog owners:

"It is made my duty by law to prosecute any person who shall keep any dog upon which the dog tax has not been paid. The statute making it an offense to harbor such a dog fixes the minimum fine thereon at \$5 with costs.

"I note in lists of delinquents now in the hands of the respective township trustees that many are persons who can not afford to pay such a fine, and to the end that these persons may have additional time in which to pay their dog tax, over the time already granted by the officials, I will not file affidavits for the collection of such tax until Monday, June 16, 1913.

"Against such persons as have not paid their dog tax to their respective trustee by said date, Monday, June 16, 1913, affidavits will be filed charging the harboring of a dog upon which the tax has not been paid.

"Money derived from taxing dogs constitutes a fund known as the dog fund, which is used for the payment of damages sustained by the owners of live stock killed and maimed by dogs. The purpose is most commendable, and no dog owner should neglect to contribute his share to such fund. Such neglect is made a criminal offense."

Minneapolis is preparing to appoint women on its police force.

## JUDGE REUNITED AN ESTRANGED COUPLE

The habeas corpus petition of Frederick Miller for his child, Tampa LaSalle Miller, aged 11 months, and the divorce suit of Louetta Miller against the plaintiff in the habeas corpus proceedings were settled this morning by Judge Fox to the satisfaction of both parties.

Several days ago Miller filed suit to obtain custody of the child, alleging that the mother was not the proper person to care for the child, as she had left her home. Two days later Mrs. Miller filed suit for a divorce alleging that her husband was guilty of cruel and inhuman treatment.

Judge Fox ordered Miller and his wife and child to appear before him this morning. When the two appeared the judge gave them some fatherly advice relative to what was expected of them as husband and wife. "Here is the tie which should bind you," said the court, pointing to their child. They agreed to live together.

## WEST SIDERS TAKE FAIRVIEWS TO CAMP

Poor support caused the Fairviews to drop a game to the West Side team at Ratliff park yesterday afternoon. Both pitchers allowed eleven hits, but Kaiser, who pitched for the Fairviews did not have good backing, and the West Siders rolled up a large score.

Batteries, Kahlenbeck and Bouman for West Siders; Kaiser and Bell for Fairviews.

The Fairviews will make some changes and shifts in their lineup and play the fast Chester aggregation at the Ratliff Park next Sunday afternoon. The game will be called at 3 o'clock.
