## Famous Dancer Gives Complexion Secrets

[Allene Moore in Beauty's Mirror.] I've learned the secret of Dolores' entrancing beauty—the wondrous charm that has dazzled the courts of Europe and captivated vast audiences everywhere. The famous dancer adorns her face with cosmetics. Yet, despite the strenuousness of her life, she retains the incomparable complexion best described as "Indescribable." An intimate friend tells me the senorita regularly uses on her face what druggists know as mercolized wax. This is applied at night in the manner cold cream is used and washed off in the morning. It absorbs the dead particles of skin which daily appears, and a fair, soft, fresh, girlish complexion is always in evidence.

Dolores' skin is not marred by a single wrinkle, not even the finest line. She wards these off daily by bathing the face in a solution made by dissolving an ounce of powdered salicylate in a half-pint witch hazel. As your drug store keeps these ingredients, as well as mercolized wax (one ounce of the wax is sufficient), no doubt your readers will welcome this information.

## SORORITY MEETING.

The Kappa Kappa Kappa sorority will hold its annual convention at Lagrange, Indiana, beginning next Wednesday. The organization of the sorority is one of the strongest in the state. Tri-Kappa sorority was founded in February, 1907, at Mrs. Mary Wright Sowell's Classical School, Indianapolis. The members were able to organize and keep their charter alive for the remainder of the year without the knowledge of the head of the school. Upon returning to their homes in the summer the members instituted chapters of the organization in their respective home towns. Somewhat later they effected a permanent organization with officers forming their constitutions and by-laws. Charters were granted from time to time to other cities of Indiana, to which state it has been restricted, until there are now forty-four chapters in the representative cities of Indiana with a membership of about one thousand young women.—Anderson Bulletin.

## FOR CONVENTION.

Among the Indianapolis members of the Kappa Alpha Theta Sorority who left Sunday evening to attend the national convention of the sorority which will be held the latter part of the week at Lake Minnewaska, N. Y., were Miss Marie Pritchard, Miss Marie Peacock, Miss Ellen McMurray, Miss Bernice Hall, Miss Marjorie Hall, Miss Helen Reed and Miss Hope Davis.—Indianapolis Star.

## GIVEN DIVORCE ON A CROSS COMPLAINT

George William Eadler had small cause for complaint, according to Judge Fox, who granted Etta Fay Eadler a divorce from him this morning after Eadler had filed a suit for divorce. The custody of their child, 19 months old was given to her grandmother, Mrs. Anna Frame, mother of Mrs. Eadler.

Eadler alleged cruel and inhuman treatment, telling the court that his wife beat him with cooking utensils

and spent her evenings at the skating rink, leaving him to take care of their child. Mrs. Eadler testified that he had continually cursed her and on one occasion had called her vile names in public.

A cross complaint was filed and the divorce granted to Mrs. Eadler. Eadler was ordered to pay \$6 per month for the maintenance of their child.

## Now Are the Days Children Need Care

### Summer Heat Dangerous to Little Ones Whose Bowels Are Neglected.

A mother can not do better for her children than to teach them from their earliest days regularity of the bowels. Regularity can be promoted without the child knowing it by watching its food and by so varying the food that all the elements of digestion are used, when nature will do the rest. The future health of the child depends upon this.

But try as you will there are times when the little one will become constipated and bilious. In hot weather immediate attention is necessary, as many serious diseases result from stuffed-up bowels. Don't give salts or cathartics or purgatives, as they are too harsh, but give a gentle, pleasant-tasting bowel stimulant like Dr. Caldwell's Syrup Pepsin. It has been used by the children of this as well as a former generation, and thousands of families are proud to speak of it, among whom we can mention Mrs. Louise Reynolds, 909 Jackson street, Lynchburg, Va., who is glad to recommend it, and Mr. Chas. W. Allen, Mansfield, Tex., who writes that he often

felt 100 years old, but feels younger now than his years. Every druggist sells Dr. Caldwell's Syrup Pepsin and the price is only fifty cents and one dollar a large bottle. It will cure constipation and biliousness in young or old break up a cold and stop summer diarrhoea by ridding the bowels of the poisons and germs that cause the trouble. It is a grand family laxative with valuable tonic properties. Families wishing to try a free sample bottle can obtain it postpaid, by addressing Dr. W. B. Caldwell, 418 Washington street, Monticello, Ill.
