CROWD WITNESSES
MOTORCYCLE RACES

Moore, Shallenburg and Tangeman Winners in the Events.

Four-mile Novice—Shallenburg, first. Time, 3:15.
Five-mile Open—Shallenburg, first. Time, 5:40.
Ten-mile Handicap—Tangeman, on an Indian, first. Time, 10:41.
Ten-mile open. Tangeman, first. Time, 10:16.
One-mile open—Moore, on an Excelsior, first. Time, 1:02.
Twenty-five-mile Open—Moore, first. Time, 27:29.

To the cheering, whooping and shouting of two thousand spectators, Walter Moore, riding an Excelsior machine, crossed the tape in 27 minutes and 29 seconds after Starter Waking had opened the twenty-five-mile race, winning the last and most exciting event given by the Richmond Motorcycle club at the fairgrounds Friday afternoon.

Moore's victory was apparently on the seventh lap when he gained the lead, and it was assumed that he would win unless something unexpected happened to his machine. He won, however, a half-mile ahead of Alexander, who was riding a Thor, and who had passed and left Tangeman, riding an Indian, in third place.

Four entries were made for the twenty-five-mile race. Shallenburg, No. 2, with a seven horse-power Excelsior; Moore, No. 3, with a seven horse-power Excelsior; Tangeman, No. 6, with a four horse-power Indian, and Alexander, No. 9, with a seven horse-power Thor.

Tangeman Had Lead.
Tangeman had the lead in the start, and retained it for seven miles, with Alexander in second, and Moore in third place. The latter gained steadily, and after the fourth lap passed Alexander, and at the end of the seventh lap shot by Tangeman in front of the grandstand.

Shallenburg Quits.
Shallenburg was in fourth place, and on the eleventh lap Moore passed him. Shallenburg quit the race at the end of the nineteenth lap, when Moore was two miles ahead of him.

Alexander Gained in Twentieth.
Alexander was steadily gaining on second place held by Tangeman, and on the twentieth lap passed the Indian, fighting to overtake Moore three-quarters of a mile ahead. Although he cut down the intervening distance to some extent, he was unable to gain the lead.

Averaged 1:05 and 1:10.
Moore averaged between 1:05 and 1:10 minutes to the mile. The time of Alexander and Tangeman was not obtained.

Moore also won the one-mile trial race. Each entry was given two trials, his best record to stand. Moore made the mile in 1:02 on his second trial. Alexander was second with a record of 1:03, and Tangeman third with 1:04.

ARRANGE SCHEDULE
FOR SCHOOL TEAMS

First Game of Sunday School League to Be Played Wednesday.

The opening game of the Sunday School League season will be played Wednesday afternoon between the First M. E. and the First Presbyterian boys. The First Presbyterian team secured the pennant last year with a perfect percentage, winning nine straight games.

Announcement of the plans for the season will be made at the various Sunday Schools tomorrow. It is practically certain that the following schools will enter teams: First English Lutheran Central Christian, First Christian, First Methodist and First Presbyterian. As soon as the number of teams is ascertained a complete schedule will be arranged.

That all schools may have an equal chance, arrangements have been made whereby they may be represented. If a school has several players, but not enough to form a team, the committee will supply the necessary players from other schools. Any boy of the age of sixteen and under is eligible to play in the league.

The completed schedule will call for three games each week, Monday, Wednesday and Friday afternoons.

RICHMOND PEOPLE
GOOD DRESSERS

Very few cities in the United States can show as many well dressed people as Richmond, a large percent of them have their clothes made to order. Men can get fine suits made from \$15 to \$25, when the same goods a few years ago cost almost twice as much. For years Emmons Tailoring Co., have been making fine suits from \$15.00 up and the business has increased every year. They are now showing the largest stock they have ever shown. Over 500 styles in Spring Suits and are "Leaders in correct tailoring for good dressers." Corner Ninth and Main streets.

CROSS AND RITCHIE
WIN FOURTH FIGHT

(National News Association)
LOS ANGELES, July 5.—Leach Cross made himself the only contender for the lightweight championship yesterday afternoon forcing Anderson to take the count for ten minutes. There was nothing to it but Cross from the first body blow to the last sizzling right hook that did the work. He stopped Anderson by blocking his right chop in the first clinch.

RITCHIE THE GAMEST

(National News Association)
SAN FRANCISCO, July 5.—It only took Willie Ritchie eleven rounds to prove his right to the lightweight championship in his bout with Joe Rivers yesterday. Rivers was all fight in the second, third and fourth. Once losing the lead, he fought with little spirit against the game fighter.

EXPECT TO FINISH
DECORATING SOON

Within four weeks it is expected that the interior decorating of the court house will be completed. The decorators have finished the improvement of the second and third floors of the building and today moved their paraphernalia to the first floor to work. The interior decorating was started in the fall of 1912.

NEWCASTLE IS TO
BE THE ATTRACTION

The winner of two out of three games of the series will be decided when the Richmond and Newcastle baseball teams clash on the Athletic park diamond Sunday afternoon. It will be no walk away for either squad as each team is prepared to win. Richmond has strengthened her team with Summer a first baseman and two outfielders, Valentine and Merkle. Each of these players is expected to show good form and carry away honors.

DEFEAT SUFFERED
BY MARSHALLETTES

Senators Win Game Before Small Crowd at Athletic Park.

In a loosely played game at Athletic park yesterday afternoon, the Senators took a firm hold on the city championship by defeating the Marshallettes by the score of 5 to 3. The attendance was small.

Moore pitched the first three innings for the Senators and allowed but one hit. He retired in favor of Cliffer, who allowed but two hits during the remainder of the game. The feature of the contest was the batting of C. Schweizer of the Senators, who secured three hits out of four trips to the plate.

The Senators made four of their five runs in the fifth inning, when every man on that team had a chance at bat. Score by innings:

Mrshits... 1 0 0 0 0 0 2 0—3 3 4
Senators... 1 0 0 0 4 0 0 0—4 11 2

T. P. A.
Notes

BY T. C. H.

It is to be hoped that no T. P. A. has met with an accident in celebrating the glorious Fourth. It more than hoped that if a T. P. A. has met with an accident that his dues are paid and his accident insurance is in force.

"Shorty" Shreeve has assumed the role of philanthropist. In roaming about the country in search of customers who will buy his sugar, matches and breakfast food, "Shorty" always finds time to do a good turn for his fellowman. He is naturally sympathetic and is quite ready to lend some unfortunate one and give him a lift. This was clearly demonstrated during the past week. Hot, tired and dusty, "Shorty" drove into Orange, Ind., the other day and soon landed in his customer's store. He wandered back into the customer's house, which was attached to the store, and still no one in sight. On back to the kitchen and out in the rear lot the diminutive grocery peddler and philanthropist wandered in hunt of his customer.

"Oh, Mr. Shreeve," called a voice over near the chicken coop, "please do help me." The owner of the voice proved to be no other than his lady customer, Mrs. Brown. "Why, Mr. Shreeve," continued Mrs. Brown, "my little chickens are all dying of gaps. Can't you tell me of some cure?" "To be sure," replied "Shorty" in his most positive manner and he began to think of that nice order he would get if he could only think of some gap to spring on Mrs. Brown. "I have a friend in Richmond by the name of Lebo," slowly and cautiously spoke "Shorty," who has some chickens, and they nearly all died of gaps, but Dr. Meisner told him to use peroxide. The results were quick. Now Mrs. Brown, if you will take a little rubber dropper and give each chick a drop of peroxide and you will soon fix them. If you haven't a dropper, just use a teaspoon."

"Oh, Mr. Shreeve, I thank you a thousand times for telling me. I had not intended to buy any groceries today, but as you have been so kind I'll give you a little order and let you go on your way," gratefully spoke Mrs. Brown.

"Shorty" was soon on his way, and Mrs. Brown, procuring peroxide and a teaspoon, not having a dropper, started to doctor the young chicks, and had succeeded in killing eight chicks when Bill McClellan happened in and found Mrs. Brown by the kitchen route. She was still dropping peroxide down the throats of the chicks.

"What are you doing?" asked Bill. "Trying to cure my chickens by a remedy," Mr. Shreeve told me a little while ago," replied Mrs. Brown. "They have gaps. So far, they all die just the same. He told me peroxide was good for gaps."

Then Bill laughed. And Mr. Brown knew at once that "Shorty" knew nothing about chickens and the gaps.

Ed Tingler is off on a month's vacation. He will visit Atlantic City and the boardwalk, and may find time to take in a few other points of interest.

Wallace Teegarden reports the loss of a bunch of keys. He has attached to the keyring his T. P. A. identification tag. Any one finding a bunch of keys with a T. P. A. tag on it, please return to Mr. Teegarden or bring to the post rooms.

Mr. and Mrs. John B. Hegger are spending a month at Clear Lake, Ind.

John Higley, who suffered a badly sprained ankle some time ago, is again able to be out, but is still unfit to be on the road. The injured member is healing very slowly.

Members will please take notice that July 1 has passed. Pay dues!

Post C is about to lose another member. Marion Shreeve will move to Indianapolis within a month, where he will make his future home. Mr. Shreeve has severed his connection with the grocery firm for which he traveled, and has purchased an interest in a brokerage firm of Indianapolis exclusively. The boys of Post C regret very much the going of "Shorty," but extend to him their best wishes for a successful future. Mrs. Shreeve has been in Indianapolis during the past week looking up a house.

FOURTH OBSERVED
IN CITY IN SAFE
AND SANE MANNER

Few Accidents Were Reported—Citizens Spend Day in Various Ways.

(Continued from Page One.)

jured on the left arm yesterday, when a firecracker, which he held, shot backward. Although his burns are painful, the injury is not serious.

Exploded in Hand.

Chester Sharpe, 225 South Tenth street, while attending the Eaton Chautauqua at 2:30 yesterday afternoon, lighted a common crocker and threw it into the street. Because it did not explode at the proper time, he picked it up. The crocker exploded in his hand, injuring his right arm and shooting bits of powder into his face.

Young Mercurio Burned.

A short fuse on a firecracker was responsible for the painful burns of the son of Louis Mercurio, 210 South Sixth street. Young Mercurio applied a match to the cracker in his hand and before he could throw it into the street it exploded.

Celebration at Easthaven.

More than six hundred inmates of Easthaven Insane Hospital observed a "sane" Fourth. A picnic was held and the patients enjoyed the day despite the fact that they had no fireworks. It has been a custom to give the inmates a Fourth of July outing for several years.

Had "Joint" Celebration.

As a joint celebration of the Fourth of July and her release from jail, Mrs. Anna Smith, aged 55, became intoxicated Thursday morning. She had been released in the morning from the Home for Friendless Women, where she served fifteen days for intoxication. Thursday afternoon she took candy and other things to her friends in jail. When Mrs. Smith left the jail the matron, Mrs. Thomas found that the aged woman could hardly walk from the effects of the contents of a bottle of whisky which she had, and placed her under arrest. She was fined \$5 and costs in police court yesterday morning for public intoxication.

LUDY INJURED IN A
RACE AT NEW PARIS

Jockey Thrown Against Telephone Pole, Breaking Knee Cap.

4,000 PERSONS THERE

(Palladium Special)

NEW PARIS, O., July 5.—Between 3,500 and 4,000 people gathered in this city yesterday to observe a safe and sane Fourth. Not an injury was reported from fireworks, the only accident marring the whole day being a runaway in one of the horse races in which Alhijah Ludy of Gettysburg suffered a broken knee cap.

Broke Knee Cap.

Ludy was riding in one of the races which were held on Cherry street, when he lost control of his horse, the animal dashing into a telephone pole, breaking Ludy's knee cap, and throwing him to the ground. The horse fell, but did not catch the rider under him.

Ludy was taken to his home near Eaton yesterday afternoon. The injury although painful is not believed to be serious.

15 Autos in Parade.

Band concerts, athletic events and automobile races made up the greater part of the program. Fifteen beautifully decorated cars took part in the parade at 10 o'clock. Flags, bunting, and flowers were used in many ingenious ways to hide the bodies, fenders and wheels of the machines.

Decker Wins Events.

Following the parade a hundred-yard dash and a relay race were held. Henry Decker easily won both races against a large field.

Slow Auto "Race"

One of the features of the program was the slow automobile race in which the drivers, throttling their cars down, attempted to cover the course as slowly as possible. This race caused merriment because of the desperate attempts to keep in the race without choking the motors.

New Paris won from the Waldorfs by the close score of 2 to 1 in the afternoon.

Concert and Dances.

A band concert by the local band and dances at Cedar Springs and at the Odd Fellows' hall concluded the day's activities.

Events.

Pony race, T. Markley, winner; sack race, Russell Miller, winner; potato race, Harry Fisher, winner; slow automobile race, Clyde Ashman, winner over four other contestants; mule race Dave Brown.

Ten dollars was given to the automobile holding a lucky number. Mr. Beem of Richmond held the number.

GET THESE
Money-making Secrets
WITH
THE
Farm Journal

Is this each properly held? "Poultry Secrets" tells how to carry fowls, and other secrets far more important.

FARM JOURNAL ("cream, not skim milk") is the great little paper published for 36 years in Philadelphia by Wilmer Atkinson. It is taken and read by more families than any other farm paper in the WORLD. Its four million readers (known as "Our Folks") are the most intelligent and prosperous country people that grow, and they always say the Farm Journal helped to make them so. Their potatoes are larger, their milk tests higher, their hogs weigh more, their fruit brings higher prices, because they read the Farm Journal.

Do you know Peter Tumbledown, the old fellow who won't take the Farm Journal? By showing how NOT to run a farm, Peter makes many prosperous. Nobody can go on reading the Farm Journal and being a Tumbledown too. Many have tried, but all have to quit one or the other.

The Farm Journal is bright, brief, "boiled down," practical, full of gumption, cheer and sunshine. It is strong on housekeeping and home-making, a favorite with busy women, full of life and fun for boys and girls. It sparkles with wit, and a happy, sunny spirit. Practical as a plow, readable as a novel. Clean and pure, not a line of fraudulent or nasty advertising. All its advertisers are guaranteed trustworthy.

The Farm Journal gives more for the money and puts it in fewer words than any other farm paper. 32 to 80 pages monthly, illustrated. FIVE years (60 issues) for \$1.00 only. Less than 2 cents a month. No one year, two-year or three-year subscriptions taken at any price.

The Farm Journal Booklets

have sold by hundreds of thousands, and have made a sensation by revealing the SECRETS OF MONEY-MAKING in home industry. People all over the country are making money by their methods.

POULTRY SECRETS is a collection of discoveries and methods of successful poultrymen. It gives Feich's famous mating chart, the Curtis method of getting one-half more pullets than cockerels, Boyer's method of insuring fertility, and priceless secrets of breeding, feeding, how to produce winter eggs, etc.

HORSE SECRETS exposes all the methods of "bishing," "plugging," cocaine and gasoline doping, and other tricks of "gyps" and swindlers, and enables any one to tell an unsound horse. Gives many valuable training secrets.

CORN SECRETS, the great NEW hand-book of Prof. Holden, the "Corn King," shows how to get ten to twenty bushels more per acre of corn, rich in protein and the best stock-feeding elements. Pictures make every process plain.

EGG SECRETS tells how a family of six can make hens turn its table scraps into a daily supply of fresh eggs. If you have a back-yard, get this booklet, learn how to use every scrap of the kitchen waste, and live better at less cost.

THE "BUTTER BOOK" tells how seven cows were made to produce half a ton of butter each year. (160 pounds is the average). An eye-opener. Get it, weed out your poor cows, and turn the good ones into record-breakers.

STRAWBERRY SECRETS is a revelation of the discoveries and methods of L. J. Farmer, the famous expert, in growing luscious fall strawberries almost until snow falls. How and when to plant, how to fertilize, how to remove the blossoms, how to get three crops in two years, etc.

GARDEN GOLD shows how to make your backyard supply fresh vegetables and fruit, how to cut down your grocery bills, keep a better table, and get cash for your surplus. How to plant, cultivate, harvest and market.

DUCK DOLLARS tells how the great Weber duck-farm near Boston makes every year 50 cents each on 40,000 ducklings. Tells why ducks pay them better than chickens, and just HOW they do everything.

TURKEY SECRETS discloses fully the methods of Horace Vose, the famous Rhode Island "turkey-man," who supplies the White House Thanksgiving turkeys. It tells how to mate, set eggs, to hatch, to feed and care for the young, to prevent sickness, to fatten, and how to make a turkey-ranch PAY.

THE MILLION EGG-FARM gives the methods by which J. M. Foster made over \$18,000 a year, mainly from eggs. All chicken-raisers should learn about the "Rancocas Unit," and how Foster FEEDS hens to produce such quantities of eggs, especially in winter.

DRESSMAKING SELF-TAUGHT shows how any intelligent woman can design and make her own clothes, in the latest of fashion. The author has done it since she was a girl. She now has a successful dressmaking establishment and a school of dressmaking. Illustrated with diagrams.

SHALL I FARM? is a clear, impartial statement of both advantages and drawbacks of farming, to help those who have to decide this important question. It warns you of dangers, swindlers, and mistakes, tells how to start, equipment needed, its cost, chances of success, how to get government aid, etc.
