Already more than two hundred boys have signed for the Bible classes this winter. These and about one hundred others are expected to attend the banquet, which is open to all the boys of the city. The classes begin Tuesday evening, October 14.

As soon as the local classes have been organized and are running smoothly, the boys' department is planning to do extension work.

Classes will be organized in neighboring towns and rural communities. These classes will have their representative basket ball teams and will be given competent instruction and coaching both in athletics and in the Bible study.

DON'T LET BABY SUFFER WITH ECZEMA AND SKIN ERUPTIONS.

Babies need a perfect skin covering. Skin eruptions cause them not only intense suffering, but hinder their growth. Dr. Hobson's Eczema Ointment can be relied on for relief and permanent cure of suffering babies whose skin eruptions have made their life miserable. "Our baby was afflicted with breaking out of the skin all over the face and scalp. Doctors and skin specialists failed to help. We tried Dr. Hobson's Eczema Ointment and were overjoyed to see baby completely cured before one box was used," writes Mrs. Strubler, Dubuque, Iowa. All druggists, or by mail, 50c.

FESTIVAL DANCE
WEDNESDAY NIGHT

The Fall Festival dance, the real opening event of the Festival, will be held tomorrow evening in the Coliseum, and as a special feature the Festival band of fifty pieces, under the direction of Lee B. Nusbaum, will play a concert program from 7:30 to 8:15 o'clock. Dancing will follow, and it is probable that the largest crowd of dancers ever seen on a Richmond floor at one time will be present. The festival committee in charge has every arrangement made for the comfort and enjoyment of the participants.

Entry List Large.

The entry list is so large that several persons have been added to the clerical force at the Commercial club rooms to list the individual entries. So many hundred articles had been entered that no estimate of the exact number could be made this morning, although the list is more than double that of any previous festival.

For two days fifty women have been reveling in embroideries at the high school. The high school gymnasium walls have been covered with exhibits.

There will be found everything of interest to women. In addition to the needlework, numbers of pies, cakes, canned fruits and loaves of bread are being listed with the committee.

Banks Close Early.

The banks of the city have announced that on account of the Fall Festival parade, they will close at 2 o'clock Thursday afternoon for the remainder of the day. The notice is signed by the following institutions: Dickinson Trust company, First National bank, Union National bank and Second National bank.

Comment on Decorations.

Comments on the street decorations are heard on every hand. The thirty-six tall posts which are being erected on the corners of Main street and one block north on Ninth, are beautiful. Each of the four sides of the bases announce the "Fall Festival." On top is a cluster of palm leaves supporting the stars and stripes. Twined up the center of the posts are large branches of oak leaves, while the outer four supports carry twenty-eight electric bulbs with yellow shades. Between each two posts a string of shaded bulbs will span the streets.

Airmen Ready.

Special attention is being called by members of the executive committee to the change in the place of starting the aeroplane flights. Athletic park where the flights were to have been started, was declared too small, and the ascents will be made from Reid Field, Earlham college, Thursday and Friday at 11 and 5 o'clock each day. At all other times the machine will be on exhibition on the court house square.

The machine is one of the largest models, being a military tractor, which will carry one passenger. Whether the aviator, Frank Kastory, will carry a passenger will depend on weather conditions.

Appoints Judge.

Omer Whelan, chairman of the live-stock committee, reports that he has secured the following judges: Kersy Kirk, Newcastle, heavy work horses; Harry Walker, New Madison, O., hogs; Bruce Sayers, Eaton, O., light harness horses.

Friday will be the big day of the horse show, the horses being exhibited

I was married I suffered so much from female troubles and bearing down pains that I could not stand on my feet long enough to do my work. The doctor said I would have to undergo an operation, but my husband wanted me to try Lydia E. Pinkham's Vegetable Compound first. I took three bottles and it made me well and strong and I avoided a dreadful operation. I now have two fine healthy children, and I cannot say too much about what Lydia E. Pinkham's Vegetable Compound has done for me." — Mrs. LEE MANGES, R. F. D. 10, Mogadore, Ohio.

Why will women take chances with an operation or drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

For thirty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, tumors, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
