### ALL PROFESSIONALS PLAY HERE SUNDAY

Richmond Baseball Fans  
Have Opportunity to  
See Big Players.

### LAST GAME OF SEASON

Owgie Bush and Dauss of  
Tiger Aggregation on  
Visitors Lineup.

Ell Cates, who pitched last Sunday for the All-star Federal league players, will be seen in the uniform of the Richmond team when the All-professionals appear here next Sunday.

Meyers, whose hitting has weakened late, will be out of the line-up and Cates will take his place in right field, probably alternating with Ureth in box.

While the local management has not yet been able to obtain an umpire for the game, the assurance is made that a high-class man will be brought here to officiate on that day.

The prices for the game will be the same as those that have ruled at Athletic park all summer, save that the price of admission to the grand stand will be increased from ten to twenty-five cents.

**Some Star Players.**  
Owgie Bush, of Detroit; Dauss the sensational left-handed finger of the Tigers, and a number of other well-known major league stars will be seen in the visitors' line-up.

This will be the last game of the season, and owing to the heavy expense incident to bringing such a high-class aggregation to Richmond, a record breaking crowd will be necessary if the management breaks even on the game.

The management of the All-professionals desired to have the price of admission to the game raised to fifty cents, but this the local club refused to do, feeling that the Richmond fans have been loyal in their support of the team all summer and should be entitled to witness the best game of the season at the same price that has obtained all summer.

**Visitors' Line-up.**  
Following is the batting order and line-up of the All-professionals:  
Bush, ss., Detroit.  
Bauman, 2b., Detroit.  
Dewling, 3b., White Sox.  
Dolan, 1b., Philadelphia Nationals.  
Manning, c., Indianapolis Federals.  
Miller, lf., and c., Brooklyn.  
Quessier, cf., Springfield Three-I.  
Scanlan, rf., Omaha Western league.  
Dauss, p., Detroit.  
Willis, st. Louis Nationals.

### BOOK THIRTEEN GAMES

Members of High Basketball  
Team to be Busy.

Director Nohr of the physical department is receiving letters from the high schools of the surrounding cities asking for games with the local school. Many of these are from old opponents of the school who are anxious for more games to decide which school has the better team. Following is the list of games booked up to the present time:  
Shelbyville, two games; Steele, of Dayton, one game; Stivers, of Dayton, two games; Anderson, two games; Evansville, two games; Marion, two games; Manual Training School of Indianapolis, two games.  
Captain Thornburg is trying to get matches with Rushville, Muncie, Cincinnati and Connersville. The local school will play schools of higher standing than heretofore.

### WINS FUTURITY EVENT

Peter Volo Lowers 2-Year-  
Old Record.

LOUISVILLE, Ky., Oct. 7.—The world's record for two-year-old trotters was broken here yesterday when Peter Volo won the futurity for two-year-old trotters, making a mile in 2:04½. Another record was lowered when Uhan, Billings' champion trotter, negotiated a quarter in 27 seconds.

### WORLD SERIES NOTES

A new feature this year was the absence of any temporary fence or roped off enclosure on the field, probably to avoid a repetition of last year's collapse of the fence at Kenway Park, which delayed a game 20 minutes.

An important change in the schedule arrangements has been made. In case of a legal tie, the teams will not play the game over again the next day in the same city, as was done last year in Boston. Instead, the teams will move to the next town and play out the rest of the schedule. If the question of supremacy depends on the tie game, it will be replayed in the city where it was played the first time. In case of a game stopped by rain before the legal number of innings has been completed, the game will be played in the same city on the following day.

### SET A NEW RECORD FOR TIME OF GAME

NEW YORK, Oct. 7.—In an exhibition game here yesterday the New York Giants defeated the Philadelphia Nationals, 4 to 1 to the entire nine innings being played in the remarkable time of 31 seconds. New York used three pitchers in the contest, Schupp, Witte and Hearne.

Telephone operators in Egypt are required to speak English, French, Italian, Greek and Arabic.

### What Connie Thinks of Battle

"Every member of my team is in grand physical condition, and despite rumors, the pitchers are all on edge. We'll have plenty of speed, splendid fielding, heavy hitting and good slab work, and this, with the usual baseball luck, will return the Athletics pennant winners. We beat the Giants in 1911, and we can repeat this year. It will, however, be a close, hard fight."—Connie Mack, manager Athletics.

### NO TRANSFER MADE OF INDIANS TEAM

INDIANAPOLIS, Ind., Oct. 7.—The transfer of the Indianapolis baseball team which was set for yesterday, has not been consummated. The owners said today the negotiations have been entirely broken off, while the representatives of the intending purchasers said they have been merely suspended for a time.

It is understood that the question of deferred payments for the stock of the club was the stumbling block. Mr. Kiser said yesterday that since the deal was off, no more attention would be given to the matter, but the owners of the team would go ahead with their arrangements for strengthening the Indians for next season.

### GIANTS PITCHING ABILITY BETTER

The following comparison of the ability of the star hurlers shows that the Giants have a bigger shade the advantage in pitching than the Athletics have in batting. There is a difference of .045 in the pitching strength of the two teams as shown by a comparison of the season's record while the difference in batting ability, if mere figures be used, is only .016 per cent.

### OPEN ALLEYS TONIGHT

"Y" Committee Wants Six  
Teams in League.

The Y. M. C. A. bowling alleys will be opened tonight for the first time this season. During the last few weeks the alleys have been thoroughly overhauled, painted and varnished in readiness for the lovers of the sport who will frequent them this winter.

A meeting of the committee that has charge of the organization of the Y. M. C. A. bowling league will be held Thursday evening to decide upon the membership of the six teams that will compose the league and to arrange a playing schedule.

It is hoped to have everything in readiness so that the league season may be opened next Monday evening.

### SHIBE SEES FIRST OF SERIES; LUCKY

NEW YORK, Oct. 7.—Among the most delighted men who saw the first ball of the series thrown this afternoon was Tom Shibe, vice president of the Athletics. Shibe, some time ago, was served with a notice that he would be expected to do his duty as a citizen during the week of the world's series by acting as a grand juror for the October court.

At the last moment Shibe through the kind offices of Assistant District Attorney Rogers of Philadelphia was excused from jury service and left immediately for New York where he arrived in time for the opening game.

### COOMBS GETS NEWS AT HOSPITAL TODAY

PHILADELPHIA, Oct. 7.—Jack Coombs, the "Iron Man" of the Athletics received news of today's battle between the Giants and the Athletics at his bed in a local hospital. Coombs suffered an attack of typhoid fever early in the season and has never fully recovered.

Coombs received the latest news from the Polo grounds through a long distance telephone connecting his sick room with the grandstand. His wife held the receiver and from time to time announced the progress of the game to the Philadelphia star.

### COACHES PLEASED.

LAFAYETTE, Ind., Oct. 7.—The Boiler Makers are preparing for the game with Northwestern which is scheduled for next Saturday. The coaches are much pleased with the workings of the forward pass in the Wabash game and expect to put it to good use during the remainder of the season.

### FEW OUT TO WORK

BLOOMINGTON, Ind., Oct. 7.—No varsity practice was held yesterday owing to the condition of the men who took part in the gruelling contest at Chicago last Saturday. Only men of the second string and those who did not get a chance in the big game were out to work.

With the return of Sheldon tomorrow practice will be resumed in preparation for the game with the University of Illinois, October 25.

### WHITE TO BOX WELSH

CHICAGO, Oct. 7.—Charlie White, Chicago pugilist, is going to get a real test on October 20. White was yesterday matched to battle Freddie Welsh, the British champion in a ten-round contest in Milwaukee, October 20. Welsh is scheduled to box Steve Ketchel in Denver on October 17 and will have practically no time to get in any training for the White match.

### GUARD PLAYERS.

NEW YORK, Oct. 7.—Closely guarded by detectives, to prevent any crank from assaulting a player which might mean the cost of the series to the team losing a man, the members of the New York Giants and the Philadelphia Americans left New York in private cars immediately after today's game of Philadelphia where the second battle of the combat will be staged.

### POSTPONE TOURNEY

The golf tournament for women which was to have begun today at the Country Club has been postponed until October 17.

### Water Bills Due Oct. 1.

The pulgat, a Burmese measure, is the only foreign measure exactly corresponding to our inch.

### How McGraw Sees Big Fight

"I am sending the best team into the fight today that has ever represented New York in a championship battle, and if the boys play the ball they are capable of playing there is no doubt but that the Giants will end the series winners. My pitchers are great and the batters have their eyes well trained for the ball. I hope Snodgrass' sore leg doesn't bother him too much."—John W. McGraw, manager of the Giants.

### CHIEF OF POLICE HAD LITTLE SLEEP

Gorman Rests Twenty Hours  
in Five Days, During  
Festival.

"Twenty hours of sleep in five days."

This was the record of Chief of Police Gorman during the days of the Fall Festival. Tuesday, Wednesday, Thursday, Friday and Saturday. The chief, backed by a force of a dozen extra police and as many or more plain clothes men, worked almost constantly during the time when Richmond's largest crowds were in the city and lawless conditions were expected.

However, not one "dip," crook, pick-pocket, rowdy, robber, burglar, nor any other form of lawbreakers operated in the city. They might have been here but they did not ply their "trades," a fact that speaks well for the reputation of the city in the future, because according to Chief Gorman, almost every town in the country of any consequence is listed among crooks and "con" men.

"In the future we shall take the same precautions for the safety of the citizens and their property when large crowds are in the city," said the chief. "But I do not believe that we will experience any trouble unless it is from young and inexperienced men who are not 'on to the ropes' and are not in with others. I believe that Richmond is now marked in flaring letters in the minds of confidence men, pickpockets and crooks of all descriptions, 'Keep out.'"

In connection with his duties at headquarters Chief Gorman was on the streets in watch for any dishonest men of whom he might have had a record or previous acquaintanceship. The regular police force worked overtime, too, the day men spending their evening's in the parts of the city most liable to be frequented by the men they were watching for. The night men reported early in the afternoons.

### PORK CONSUMPTION GREATER IN WINTER

Last Week 100 More Hogs  
Were Sold to  
Butchers.

With the approach of cold weather, there is a greater consumption of pork in the city. Richmond butchers last week used 100 more hogs than they did the preceding week, according to the books of the Glen Miller Stock Yards.

Joseph King of Center township last week brought in the best steer ever shipped from the local stock market. It was 17 months old, weighed 1,270 pounds and sold for \$8.15.

Harrington Bros. of Fountain City, marketed 55 hogs that averaged 305 pounds, totaling \$1,437.04. O. Cranor brought in 20 calves that sold for \$316.

There are more than two million acres of land under cultivation in the Transvaal.

Mr. Smith—"Good morning, Anty Drudge! Go right on up to the house. You'll find Mary busy over the washtubs, but she don't seem to mind it any more since you told her about Fels-Naptha Soap. That reminds me! Mr. Jones was praising his boy up to me the other day. He said, 'He's all wool, you can bet.' I told him I shouldn't wonder, because I notice he shirks from washing. Ha! Ha! But I couldn't say that if he used Fels-Naptha Soap, could I?"

**Fels-Naptha Soap** is the greatest help women can have, in doing their weekly washing and all their housework. It works without fuss or bother in cool or lukewarm water. Saves your time and strength because it does the hard part of the work for you.

Clothes washed with Fels-Naptha do not have to be hard-rubbed or boiled. Stains come out easily, dirt disappears. Use Fels-Naptha for everything about the home.

Buy it by the box or carton. Easy directions are on the Red and Green Wrapper.
