May Help You if Lungs Are Affected
Proper diet, fresh air and temperate habits are beneficial to persons suffering from Lung Trouble, but in a great many instances reports show that the addition of a medicine for this affection has materially helped in bringing about recovery. For more than fifteen years Eckman's Alternative, a medicine for "Croup and Lung Troubles," has accomplished good results. Read what it did in this case—

"Gentlemen: In December, 1908, March, 1909, and September, 1910, I was taken with hemorrhages of the lungs which continued several weeks, each time to my bed. My doctor advised me to go West. In November I started for Denver, Colo. After my arrival I met Mr. and Mrs. Brody, who, upon learning of my condition, urged me to take Eckman's Alternative. I kept on taking the medicine and improved fast. In March, 1910, I returned home. I am entirely well, have a good appetite and sleep well. When I left Denver my weight was 130 pounds. I now weigh 165, my normal weight. I thank God and you Alternative for my health."
(Signed) PAUL L. FASNAUGHT.
(Above abbreviated; more on request.)
Eckman's Alternative has been proven by many years' test to be most efficacious for severe Croup and Lung Affections, Bronchitis, Rheumatic Asthma, Stomach Colds and in upbuilding the system. Contains no narcotic poisons or habit-forming drugs. Ask for booklet telling of recoveries, and write to Eckman Laboratory, Philadelphia, Pa., for evidence. For sale by all leading druggists.

COURT POSTPONES DIVORCE HEARING

Failure of the plaintiff to have his wife at the trial, stopped a divorce trial today. The case was that of Sylvester N. Bowers against his wife, Elizabeth J. Bowers.
The trial started in the usual manner. Bowers was on the stand and testified that his wife was living at 705 North Fourteenth street.
At that time Prosecuting Attorney Reller awoke to the fact that Mrs. Bowers, whom he was defending was not in the court room.
"Where is Mrs. Bowers," asked Mr. Reller.
"It's your business to get her here," replied the plaintiff's attorney, Byram Robbins.
The case was argued but Judge Fox decided to postpone the hearing until tomorrow.

SHE ASKS DAMAGES FOR HER INJURIES

Suit For \$5,000 Filed By Edith Crull Against Local Traction Company.

Permanent injuries sustained in a street car collision last February are cited as causes for suit to recover \$5,000 from the T. H. L. and E. Traction company, by Edith Crull, Easthaven Avenue and Roscoe street. The complaint was filed in circuit court today.
The plaintiff alleges that through the carelessness of the employees of the traction company, a city car was struck and partly demolished, resulting in general injuries to her and others. The city car was turning into Easthaven Avenue from the National road when the employees in charge stopped it on the curve. The interurban, approaching at a high rate of speed, could not stop and crashed into the city car.
Miss Crull says that she cannot use her left arm and is unable to do any work. She also says that any excitement causes palsy. Her spine was also badly injured and her ribs were torn from the spinal cord. She also suffered a severe nervous shock.

FRIEND OF EATONS TELLS OF FAMILY

Ex-Judge Kelly Says Late Admiral and Wife Seemed Affectionate.

PLYMOUTH, Mass., Oct. 24.—Great throngs stormed the Plymouth court house today in expectation of hearing Mrs. Jennie May Eaton, who is accused of murdering Rear Admiral Joseph G. Eaton, tell her story on the stand.
When Mrs. Eaton, who is a large, matronly looking woman, appeared, she seemed cheerful and composed, despite the concentrated gaze which turned upon her.
The first witness called was Peter McNally, the famous swimmer who was a personal friend of Admiral Eaton. McNally taught Mrs. June Keyes, a daughter of Mrs. Eaton, to swim. McNally's testimony related to Eaton's conduct.
The witness said he had seen Admiral Eaton intoxicated a dozen times. He would talk incoherently and on subjects not commonly mentioned.
Ex-Judge George W. Kelly, of Rockland, testified he had visited the Eaton home frequently and that their relations seemed very affectionate. He said he had seen them holding hands on street cars.

BAYER'S ASSISTANCE WANTED IN SERACH

A picture and description of Joseph Ellis, alleged murderer of Joseph Schlanasky, of Indianapolis, was sent to Sheriff Bayler by Martin J. Hyland, superintendent of police in Indianapolis with the offer of a reward of \$200 for his capture.
Ellis is about 22 years old and weighs about 150 pounds. He is medium height.
The Indianapolis police are reasonably certain that Schlanasky, the Indianapolis second hand dealer, was the victim of Ellis, as the latter was known to have accompanied the murdered man to a room in the hotel where his body was found hacked and bound. The murderer secured \$20 and a gold watch. Ellis is believed to be the same man who operated in other cities under aliases, usually murdering his victims in a hotel room where he took them on the pretext of showing them samples.

Mr. J. W. Purcell, representing the American Hide and Leather company, was in the city recently visiting friends. Mr. Purcell left on an extended trip through Illinois. He will also spend some time in Denver.
Mr. Myron Gray, an attorney of Muncie, was a guest in this city yesterday.

PROSPECTS BRIGHT FOR GOOD LEAGUE

Bowlers to Organize 'City Alley Teams At Meeting Tonight.

Bowlers of the city will meet this evening at the City Alleys to organize a league for the coming winter. The meeting has been called for 8 o'clock, and a large number of devotees of the winter sport are expected to turn out.
Following the precedent of last year, prizes in merchandise will be offered to the winning teams and for individuals making the highest weekly scores. From five to seven teams will be organized, according to the number that come out for the meeting. It is the intention to play the first league game some time next week.
A delegation will call upon the Red Men after their meeting tonight to line up a team of bowlers from that organization. The railroaders of the city will not be represented by a team, but there will be several railroaders playing on other teams in the league.
There was a good crowd at the alleys last night, and some good scores were rolled. George Mashmeyer and Billy Peterson were the highest, rolling 222 and 220, respectively.

IMPOSES STIFF FINE

Judge Sentences Eadlin to 3 Months and \$25 Fine.

Three months' imprisonment in the county jail and a fine of \$25 was imposed on Robert Eadlin by Special Police Judge Abbott yesterday afternoon for cutting Bert Warner in a fight at the corner of Fourteenth and North J streets Sunday afternoon.
Hearing the evidence in the case required the entire day, about twenty witnesses being examined.
Eadlin's plea was self-defense. On the witness stand, he said he and Warner had had no trouble. According to his story, Warner left the Coleman home, where a crowd of young people were spending the afternoon, and laid in wait for him. Warner, he alleged, attacked him with a broomhandle.
He denied making any threats against Warner, and said the only reason he could imagine Warner's being angry at him was because he was with the Clay woman.
During a sharp cross-examination Eadlin became confused in many of the details of the story. As Reller fired his questions, Eadlin's women friends, who had testified in his behalf, became angry, stamping their feet and making threatening motions with their fists.

NO ACTION TAKEN ON RUSH MATTER

No action has been taken by the Democratic city committee to fill the vacancy in the ticket made by the resignation of Ben Rush, who declines to make the race for councilman from the third ward. Mr. Rush stated to the committee that he was out of the city, when nominated, had not sought the place and would not make the race.
City Clerk Bescher has been notified to leave Rush's name off the ticket. The Democratic committee will meet at once to determine whether another candidate will be substituted for Rush, or the place on the ticket left open. Immediate action will be taken as the ballots must be sent to the printer the first of next week.

ALL SUITS AGAINST S. LUCAS SETTLED

Believed \$2,000 in Addition to Property Remains of Estate.

A settlement outside of court was made in each of the three suits against the estate of Seth Lucas, now imprisoned in the Michigan City insane ward for killing his wife, Mary Anne Lucas after burning their home near Greensfork, and it is believed that \$2,000 besides property valued at half that much will remain.
Mrs. Maude DeCamp, daughter of the wife-murderer, received \$1,300 in settlement of a \$1,900 suit against Lucas filed by Joshua Allen, administrator. The \$1,900 which was contested for was that over which the bitter feeling between Lucas and his wife grew. Through threat and trickery, Lucas obtained possession of an endorsed check for that amount belonging to his wife, and refused to return it. He had invested part of it in Benton Heights property.
Besides the farm which brought \$2,300, part of which was used to pay off a mortgage, Lucas had city property and \$500 in the bank. The \$600 which was left after \$1,300 was paid to Mrs. DeCamp, reverted to the estate. The property and money is now in the hands of Sanford Hennings, guardian of Lucas. Attorney Joshua Allen is administrator of the estate and Will Bond was attorney for Lucas and is now serving in that capacity for the guardian.
The other two suits were for personal property, burned in the Lucas home, when the murderer set fire to it, after killing his wife. One was by Maude DeCamp for \$150 for loss of personal effects and the other was by the administrator for \$350 for destroyed effects. Both suits were dismissed by the plaintiffs.

FEW VEGETABLES ON LOCAL MARKET

Housewives Turn From Fresh Vegetables to Canned Goods.

Jack Frost has swung his scepter and home-grown vegetables have almost disappeared from the local markets. Save for a few scattered red-dishes, beets, onions and hot-house cucumbers, all that can now be purchased is fruits and vegetables from a distance. The housewives, recognizing the poor quality of the products now in market, have turned away from fresh vegetables for canned goods. Canned beans, peas and similar food-stuffs enjoyed a great demand during the last week.
"The only thing that can be said about the local markets is that they exhibit a striking dearth of everything," said a local marketman today.
