

## INDIANA CITIES REPORT BIG VOTE

Trouble Starts At Terre Haute and Several Arrests Result.

### REPUBLICAN HURT

Dispatches from the cities and towns of Indiana tell of heavy voting early in the day, with great interest shown in the election by the supporters of all tickets. The election was proceeding quietly in nearly all cities. An exception was Terre Haute, where the Donn Roberts-Crawford Fairbanks Democratic machine attempted to run things to suit itself by causing the arrest of detectives engaged by citizens to watch the polls and also the arrest of anti-Roberts election officers.

Trouble started early in the notorious Sixth ward, the red light district of Terre Haute, where Miller Davis, the Republican city chairman, was knocked down and beaten by a slugger. Several prominent business men, who presented credentials as election officers, were arrested and placed in jail. These men went to the polls in accordance with a decision by Judge Fortune, giving the Progressives, as represented by Chairman Cowan, representation on the election boards. The arrests were made, it was alleged on orders given by supporters of Donn Roberts.

At Rising Sun, Mayor Steele appointed ministers to all districts near the polling places, for the purpose of seeing there were no liquor law violations. The ministers had found fault with the administration for alleged lax enforcement of liquor laws, and Mayor Steele, it was said, intended to bluff the ministers by offering to make them special policemen. The ministers accepted the challenge and were sworn in last night.

### ARRESTS AT TERRE HAUTE.

Deputy Sheriffs Take Anti-Roberts Election Officers Into Custody.

TERRE HAUTE, Ind., Nov. 4.—Trouble started early in today's election, and as a result of the Donn Roberts-Crawford Fairbanks Democratic machine disregarding the orders of Judge C. M. Fortune to recognize Progressive party election officials, several prominent business men, who presented credentials and insisted on serving were arrested by the police and put in jail.

## STATE RESTS CASE IN DAVIS TRIAL

EATON, O., Nov. 4.—The state rested its case in the trial of Elwood Davis, charged with the murder of Franklin Bourne, whose body was unearthed on his farm last June. The afternoon was observed as a holiday. Examinations of witnesses for the defense will be begun tomorrow morning.

Much of the testimony of the state's witnesses this morning tended to implicate another man whom witnesses swore they had seen around the Bourne farm, but were unable to identify. Stanley McDonald, the young man who discovered the decomposed body in the garden, testified that he had seen another man helping Davis plow the ground.

Elmer Baldwin, a well-known farmer, said that when driving to Canfield one day in April he saw two men driving in a Bourne wagon. He identified one of them as Elwood Davis, and the other he did not know. The substance of interviews with the defendant formed the greater part of Sheriff Wertz's testimony. He testified that he had in his possession a piece of carpet taken from the Bourne home with a spot on it, which Dr. F. M. Michael had analyzed as blood.

## HURT IN RUNAWAY

Benjamin Behnen, a gardener living south of the city, suffered a broken leg and arm this afternoon at one o'clock, when the horse he was driving ran away, throwing him to the ground. At Fifth and South N streets, the back strap broke, frightening the horse. The wagon was overturned. Behnen was thrown out, the fall fracturing his right arm and left leg.

## 3,496 VOTES CAST 2 O'CLOCK TODAY

Twenty-five of the twenty-nine precincts at 2 o'clock this afternoon showed that a total vote of 3,496 had been cast at that time. It has been estimated that the total number of voters in Richmond at the present time number close to 6,000, and it is believed that the time the polls close between 85 and 90 per cent of the total vote will have been cast.

A Progressive worker at the 25th precinct polling place charged this afternoon that liquor was being given out by some Democratic workers. This polling place is at the Fourteenth street mission.

### How to Make Better Cough Syrup than You Can Buy

A Family Supply, Saving \$2 and Fully Guaranteed.

A full pint of cough syrup—as much as you could buy for \$2.50—can easily be made at home. You will find nothing that takes hold of the ordinary cough more quickly, usually conquering it inside of 24 hours. Excellent, too, for spasmodic croup, whooping cough, bronchitis, etc. Mix one pint of granulated sugar with  $\frac{1}{2}$  pint of warm water, and stir for 2 minutes. Put  $\frac{1}{2}$  ounce of Pinex (fifty cents' worth) in a pint bottle, then add the Sugar Syrup. It keeps perfectly. Take a teaspoonful every one, two or three hours.

This is just laxative enough to help relieve a cough. Also stimulates the appetite, which is usually upset by a cough. The taste is pleasant.

The effect of pine and sugar syrup on the inflamed membranes is well known. Pinex is a most valuable concentrated compound of Norway white pine extract, rich in guaiacum and other natural healing pine elements. Other preparations will not work in this combination.

This Pinex and Sugar Syrup remedy has often been imitated, but the old successful mixture has never been equaled. It is now used in more homes than any other cough remedy.

A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. Your druggist has Pinex, or will get it for you. If not, send to The Pine Co., Ft. Wayne, Ind.

## NO INTERURBANS TO INDIANAPOLIS

Interurban cars on the line between Richmond and Indianapolis, are still unable to go farther west than Cumberland, a small town, ten miles east of that city.

Superintendent Gordon said this afternoon he did not know when service would be re-established through to Indianapolis. This, he said, would depend on conditions there.

### Mrs. Crabb Sues Golden For Grocery Settlement.

An account for groceries delivered to William B. Golden, a North Eighth street grocer, owing from 1908 to 1910, is the basis of a suit filed in circuit court by Cora B. Crabb, owner of a grocery at Tenth and North streets. The account amounts to \$112.43, with interest at six per cent, the complaint says. Mrs. Crabb demands \$125. She alleges that Golden purchased groceries and refused to pay for all of them, charging the larger part of them until the account grew to more than \$100. He then withdrew his trade from the grocery, she says.
