

PERSONAL WORKERS INTEREST SHOP MEN

Noon Meetings to Be Held
Until Honeywell Re-
vival Closes.

The work of creating interest among the laboring men and women in the Honeywell revival is being well accomplished by the noon shop meetings which have been held every day this week and are expected to continue until the series has closed. Every shop, the Honeywell party and Y. M. C. A. officials have visited, has displayed unusual interest in the religious work.

Dr. D. W. Stevenson, of the First Methodist Episcopal church, gave an interesting talk to two hundred employees of the Starr Piano Company. He talked on the subject "Fresh Air." Mr. and Mrs. Clase sang two songs.

The Rev. Lyons had charge of the meetings at the F. & N. Lawn Mower Works. Mr. and Mrs. Judge Boggs sang to the audience of factory men numbering about a hundred and fifty.

Preaches to Shops.
The Rev. J. H. McCombe preached at the Reid Fence Factory between the day and night shifts of men late this afternoon. He told the men to be good workmen they must be good soldiers. He urged them to take their stand for Christ at the Honeywell meetings.

Miss LaMont conducted special meetings for the girls at the Richmond Underwear factory at noon. About two hundred girls and young women were in the factory to hear her. She told them of the temptations which surrounded factory girls in their daily work and that by accepting Christ they might combat these evils successfully.

The Friday noon meetings will be held in the National Automatic Tool Company and the Davis Carriage Works. The speakers and singers for these meetings have not been arranged. The Honeywell party is taking an active part in the shop meetings as it is one way of informing the masses of the real value of the revival meetings.

BEATRICE WILSON GAINS DISTINCTION

Daughter of Former Center-
ville Man Popular in
Berlin.

The Continental Times, published at Berlin, Germany, under date of October 4, has the following to say of Miss Beatrice Evelyn Wilson, daughter of Harry L. Wilson, formerly of Centerville, and a brother of C. M. Wilson, 220 South Ninth street, this city:

Harry L. Wilson, a member of the American consular staff and Mrs. Wilson with their talented daughter Beatrice Evelyn, the young pianiste, have returned to their Reich street home after a pleasant outing on the Baltic coast.

"Many requests for recitals were awaiting the young pianiste during the coming season at receptions and at homes, but owing to the constant study and work in preparation for her appearance with the Philharmonic Orchestra and the two extra orchestral programs for the Panama Pacific exposition, she will be compelled to limit her time for social musicales."

Miss Wilson, on her way from school at Berlin to her present home in Portland, Ore., gave a recital at the Starr piano several years ago.

C. M. Wilson, her uncle in this city, is a member of the City Band, and vice president of the large concert band which has been re-organized recently with Lee Nussbaum as director.

For a Deep Seated Cold.
It is in cases of deep seated colds that Chamberlain's Cough Remedy is most appreciated. It relieves the lungs and makes breathing easier. It liquefies the tough mucus and makes it easier to expectorate, allays the cough and aids nature in throwing off the cold and restoring the system to a healthy condition. Mrs. C. B. Walters, Decatur, Ill., says: "Fifteen years ago Chamberlain's Cough Remedy cured me of a deep seated cold on the lungs and rid me of an aggravating cough. I have since used it when needed and it has always produced the desired results." For sale by all dealers.

BETHARD NOT TO GET MELON SLICE

Being an agent for Ford automobiles in Richmond does not necessarily mean that F. D. Bethard, proprietor and owner of the agency, will get a slice of the \$10,000,000 melon which is to be cut by the Ford company during the year of 1914. Mr. Bethard will not come in for the distribution because he is not on the pay roll of the plant. His affiliations with the company are only in the capacity of a district agent.

SMELSER TO PUT CARDS ON HOUSES

As a warning to dairymen, postmen, and others, Dr. S. G. Smelser, city health officer, has determined to place on all houses of typhoid fever. The placing of these placards will not have the effect of a quarantine, persons being allowed to go in and out if they care to, after they have been informed of the presence of the disease. Th state law makes it illegal to take milk bottles, milk tickets, bread tickets or mail from a house where there is a case of infectious disease, until the house and the contents have been thoroughly disinfected. Often Dr. Smelser said, dairymen and postmen violated the law, not knowing of the presence of the disease.

WAYNE DEMOCRATS MEET NEXT WEEK

Township Chairman to Issue
Call Tomorrow, It is
Expected.

Richard Allen, chairman of the Wayne township Democratic organization, probably will issue a call for a township convention tomorrow, setting the date for the convention either next Monday or Tuesday afternoon. At this meeting, which probably will be held at the city building, precinct committeemen will be elected. Friday night, it is understood, the Jefferson and Clay township conventions will be held. All conventions must be held before January 27. After all precinct committeemen have been chosen they will hold a meeting in this city for the purpose of electing a county chairman and other officers. The two candidates for the chairmanship are George Bayer of Richmond and Jack Harper of Cambridge City.

The two township conventions which have been held to date, those in Jackson and Washington, instructed the committeemen to vote for Harper.

Henry Farwig, president, and Joshua Allen, secretary, today issued a call for a meeting of the newly organized Democratic club at the city building tomorrow night. All Democrats are invited to attend. New members will be taken in and club and party affairs will be discussed. Rep. Gray's appointment of Merriam Straugh as postmaster of Cambridge City, just announced, was received with considerable surprise by Richmond Democrats, who believed this office would go to County Chairman Charles Doney. Cambridge people, however, are said to be well satisfied, but the appointment may cause trouble in the ranks of Democracy in the western part of the county. Other candidates for the office were B. F. Wissler, Harold Hull, Willard Pedro and John Harper. The latter is a candidate to succeed Doney as county chairman.

HUERTA MAY LEAD

MEXICO Jan. 22.—War Minister Blanquet announced today that another federal army would be put into the field to oppose the advance of General Villa against the capital. Pres. Huerta may lead the army if certain negotiations relating to the conduct of the government are settled, and the war department is able to find enough soldiers to form another division.

SULZER SUMMONED BEFORE GRAND JURY

NEW YORK, Jan. 22.—The political war which broke out between Sulzer and Tammany hall when Sulzer was impeached will be fought out to a bitter finish, according to today's developments. District Attorney Whitman invited Sulzer to go before the New York county grand jury and place up on the official record the stories he told at the John Doe investigation of state graft before Chief Magistrate McAdoo when he implicated several well known politicians. Whitman believed indictments could be secured.

Best Treatment for All Complexion Ills

(From Woman's Tribune)
I'll tell you my pances for all complexion troubles. If the skin be colorless, sallow, muddy, over-red, if it be rough, chapped, blotchy, or pimply, there's nothing that will so surely overcome the condition as ordinary mercolized wax. The wax literally takes off a bad complexion—absorbs the dead and near-dead particles of surface skin, so gently, gradually, you experience no inconvenience at all. A new complexion is then in evidence, one so clear, spotless, delicately soft and beautiful, you look many years younger. One ounce of this wax, procurable at any drug store, will rejuvenate even the worst complexion. It is smeared on like cold cream before retiring and removed mornings with warm water. The mercolized wax habit is a healthier and more economical one than the cosmetic habit.

If the skin be wrinkled or creased, bathe it daily in a solution made by dissolving an ounce of powdered saxeolite in a half pint witch hazel. This acts immediately, affecting even the deepest wrinkles.—Elsie Desmond. (Advertisement)
