

## SCHOOLS WILL GIVE LINCOLN PROGRAM

Many Classes to Read Address Delivered At Gettysburg.

Approximately 3,700 students of the Richmond public schools will receive a half holiday tomorrow afternoon in memory of Abraham Lincoln. One hundred and five years ago, February 12th in Hardin County, Ky., the noted emancipator was born.

While there is no concerted celebration in the city schools, each school will have a program. In some schools the reading of President Lincoln's Gettysburg address will feature the memorial. Brief talks by some of the teachers or principals concerning the life of the martyred president will be a part of the celebration.

In the lower grades of the public schools the spirit of the day will be celebrated with more enthusiasm. The teachers have divided the time of the lessons, devoting a few minutes to giving recitations.

According to instructions of the school board, schools will be dismissed at the noon hour and the students will not return until Friday morning. The morning classes will be shortened so as to permit the devoting of an hour or more in a general assembly at the literary and musical students will be placed on the program for the assembly meeting. In schools where the orchestras are organized they will assist in the celebration by playing patriotic marches and selections.

In the primary grades the rooms have been decorated with large pictures showing scenes in the life of President Lincoln.

## A HAPPY CHILD IN JUST A FEW HOURS

If Cross, feverish, constipated, give California Syrup of Figs."

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels and you have a well, playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed, liver gets sluggish and stomach disordered. When cross, feverish, restless, see if tongue is coated, then give this delicious "fruit laxative." Children love it, and it cannot cause injury. No difference what ails your little one—if full of cold, or a sore throat, diarrhoea, stomach-ache, bad breath, remember, a gentle "inside cleansing" should always be the first treatment given. Full directions for babies, children of all ages and grown-ups are printed on each bottle. Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Hand back with contempt any other fig syrup.—Adv.

## RECOUNT ASSURES KEEVER OF VICTORY

Recount of ballots in certain voting places, which had been discarded because more than one candidate had been voted for the same office, resulted in the final announcement that Claude Keever had won the race for the Progressive nomination for county clerk by seventeen votes.

The result after the recount showed the following figures:

Clarence Mote	313
Claude S. Keever	555
Park R. Gipe	558
Lucius C. Harrison	170
Charles E. Potter	518

By the unofficial vote announced yesterday, Keever had been nominated by a margin of four votes over Gipe. As it was ascertained that some ballots had not been counted where more than one man was running for the same office had been voted for, it was decided to recount the ballots in those particular voting places.

### GETS JAIL SENTENCE

Having obtained employment driving a moving wagon, William Van Sickle, according to the police celebrated, and with a load of furniture proceeded about his new business. At Fifth street and Fort Wayne avenue, he could no longer hold the horses in hand and fell from the driver's high seat to the street. The police found him, and this morning he began an eleven days' sentence in the county jail. Van Sickle was willing to accept any kind of a jail sentence, he told the court, because he thought the moving van had run over him.
