While Richmond was abed with blanket a foot thick drawn around its chin, Boreas landed here with both feet late Saturday night, and by 6:15 o'clock Sunday morning had pushed down the thermometer to eight degrees below zero. The heaviest drop in the temperature this season was between midnight Saturday and 6 o'clock Sunday morning, when a sixteen degree fall was registered.

When the snow stopped falling Sunday night there was more than three and one-half inches of deeply drifted snow on the ground, the accumulation of the four preceding days. Friday's fall measured two and one-half inches, with one inch Sunday. Trains were delayed yesterday morning and afternoon when the snow was falling, and street cars were unable to run for several hours. This morning the schedule was resumed and trains running on time. Telegraph and telephone lines near Richmond did not suffer from the weather.

The measurement of snowfall, starting Tuesday as it was taken at the Water Works pumping station was as follows:

MECHANICAL-HUMAN IN CITY THIS WEEK

"Stone," the so-called mechanical human, who is making a trip around the world on a wager of \$1,000, is exhibiting his powers at the Theatatorium this week. Whether or not the figure is mechanical or human rests with the observer, as the supposedly automaton has the ability to read, write, drive an automobile, ride a horse and many other stunts that a human can.

ED MASHMEYER DEAD

Insurance Man Answers the Summons to Beyond.

Edward Mashmeyer, aged 40, died today after a short illness at his home, 111 South Sixth street. Mr. Mashmeyer has been connected with the Mutual Life Insurance company here for the last eight years and was formerly a merchant.

He was a son of Gerhard Mashmeyer, who came here in 1847 from Germany, and was once one of the leading citizens of Richmond. The family has been well known here for more than sixty years.

Edward Mashmeyer formerly owned a shoe store at Eighth and Main streets. Disposing of the property, he entered the employ of his brother, George Mashmeyer, and eight years ago went into the insurance business.

He was a brother of George and Oscar Mashmeyer, both well known residents. He is survived by his wife and four children and a sister, Mrs. George Cutter.

Funeral arrangements have not been made. Friends may call at the home any time.

GIRL ENDS OWN LIFE BY TAKING POISON

(Continued from Page One.)

that time she is said to have been subjected to occasional fits of despondency.

Saturday she had been confined to her bed in the morning, and early in the afternoon, but suddenly arose and dressed, telling her sister she was going to town to get some medicine. The sister thought nothing suspicious regarding her actions. Upon going to town she visited a physician where she received small bottles of medicine, which were found in her pockets. The medicine found, however, was not of a character which would be deadly.

It is believed that on her way home in the street car she hesitated about taking the poison, but after jumping from the steps of the car, put the bottle to her lips and hiding it by a large muff she was carrying, drained the small vial.

Coroner Pierce was summoned, and after an investigation it is believed his verdict will be suicide. He held an autopsy late this afternoon.

The girl survived by her father and mother, Mr. and Mrs. Al Brown, a sister, Mrs. Van Belen, of Detroit; four brothers, Bert, of Toledo; Silas, of Lagrange, Ill.; Garfield and Kerney Brown, of Richmond. Funeral services will be held tomorrow afternoon at 2:30 o'clock at the home. Interment will be in Earlham cemetery.

AGENT WILL USE SLIDES IN LECTURES

Stereopticon pictures will be used in the schools of Wayne county hereafter by County Agent Cobb to illustrate the series of lectures he is making in the township high schools. The agent arrived today and Mr. Cobb has taken about fifty Wayne county farm views which he will show. Several hundred slides will be made showing farm conditions in Wayne county, and in addition to these, Mr. Cobb will also show the slides issued by the Purdue extension course from time to time.

Cambridge City has asked for an illustrated lecture this week, and arrangements have been made with other towns in the county to have lectures later in the months.

"DRYS" CIRCULATE PETITION IN CHURCH

Twenty-five Men Sign Paper At South Eighth Street Church.

The first petition to be circulated by temperance forces in Richmond received signers at the South Eighth Street Friends yesterday morning. More than twenty-five men placed their names on the petition.

In the seventeen churches which united in the revival services and other meetings a call was extended for volunteers to assist in the circulation of the papers, and many offered their assistance.

This step is the first taken since the resolution to wage a dry campaign was passed by the Citizens Committee of One Hundred.

The matter of securing signers for the petitions is the all important one in the entire campaign. Should the drys obtain the required number of signatures then the commissioners must grant an election.

It is expected that the public presentation of the petitions will be made at the mass meeting tomorrow night in the tabernacle.

Although the dry leaders are divulging no information regarding the work of petition circulators, it is expected that factories, stores and business houses will be canvassed for signers within the next two or three days.

DEFECTIVE FLUES CAUSE OF BLAZE

Within the last twenty-four hours three fire calls have been made to the department and in each case a defective flue has been the cause of the blazes. A call was made at 715 1/2 North Thirteenth street, but the damage was small. Last evening the Akron House, on North Tenth street, was the scene of a small blaze resulting from a defective chimney. A third fire at 72 Ft. Wayne avenue compelled the department to make a run but the damage was small.

POLICE PROTECT POLISH CHURCH

SOUTH BEND, Ind., Feb. 16.—Fear of further trouble in the vicinity of St. Casimir's Polish Catholic church kept the police and a large number of special deputy sheriffs busy patrolling the neighborhood today. Between 200 and 250 persons will be arrested the police declare this afternoon as the result of the riot which two thousand members of the church took part yesterday, while preventing the Rev. Father Stanislaus Gruza from taking possession of the parish house.

FINED FOR ASSAULT FIFTY TAKEN INTO CHURCHES SUNDAY

Stewart Smashes Traveling Photographer.

Pleading guilty to a charge of assault and battery on John Grey, a traveling photographer, Mayor Robbins gave Earl Stewart a fine of \$10 and costs and 30 days in jail in police court today. Harry Noland, a partner, received a fine of \$5 and costs. The fracas is said to have taken place Saturday night in front of the Wayne Hotel on Main street. Grey testified that he knew neither party but was accosted by them when he stepped from the door of the hotel.

Testimony showed that Noland had called in the door of the hotel for a man named Charles Spencer, but that Spencer refused to heed the call. Soon after Noland had called, Grey came through the lobby and started out the door. He had just stepped out the door when he was accosted by the men. A few words passed and a moment later Stewart struck Grey twice, once in the jaw and a second time in the nose. Noland denied the fact that he struck Grey with a cane.

DIES IN HOUSE SHE ENTERED AS BRIDE

Mrs. Esther Parry Overtaken By Death At Age of Ninety-five Years.

In the house which she entered as a bride seventy-five years ago, and where she has spent her entire life of almost ninety-five years, Mrs. Esther Vernon Parry died at noon today of senility. She was the widow of Robert Parry, the well-known Quaker, who died nineteen years ago. Funeral services will be held at the late home, 226 North Ninth street.

Mrs. Parry was married to Robert Parry at Pennellton, Ind., in October, 1839. Her parents were Quakers from Chester county, Pa., and the Vernon family is still well known in the Quaker church there and in Indiana. She was also a sister-in-law of William Parry, one of the leading Friends, and for many years superintendent of the G. R. & I. railroad.

She is survived by seven children, eight grandchildren and five great-grandchildren. Her children are Geo. P. Parry of Richmond, Mrs. Grace G. Hunt of Fresno, Cal., Noah Parry of Richmond, Ella F. Moon of Beaver Dam, Wis., Mrs. Sarah J. Stratton of Richmond, William P. Parry of Chicago, and Miss Esther Parry of Richmond, who was at home with her mother.

Mrs. Parry was born in Pennsylvania December 5, 1844, and came to Indiana when she was a young girl. She was married in her twentieth year.

FIFTY TAKEN INTO CHURCHES SUNDAY

Total Number of Professed Converts Who Have Joined Churches Is 875.

In eleven of the seventeen churches which united in the Honeywell campaign more than a half hundred additional professed converts were accepted to membership Sunday. This brings the total above the 875 mark, out of the 1,600 who stepped forward at the meetings.

The Central Christian church received twenty-three new members yesterday morning. This brings the total of its members received to 197. The Earlham Heights church held its first communion and 33 were accepted to membership. At the First Presbyterian church the Rev. T. J. Graham extended the invitation to two which now makes a total of thirty additions to the church roster.

The Rev. Mr. Murray, First Christian church, added four new names now making a total of forty-one new members since the revival. With the seven new members at the United Brethren church the additional membership numbers 102. The total of 120 new members for the Main Street Friends church was reached when six new members were added to the church roll, yesterday.

Despite the blustery weather, eight persons were baptised at the First Baptist church by the Rev. W. O. Stotard. That church now has a total of fifty-three baptisms since the evangelistic meetings. One member united with the South Eighth street Friends church yesterday, the Rev. Francis C. Anscombe reporting that the total is now forty-seven. The church will hold a reception Wednesday evening in the church parlors for the purpose of welcoming new members in church fellowship.

The Rev. T. J. Graham spoke at the Second Presbyterian church last evening, telling the new members of the work they had entered. He spoke of the work of the men who assisted in the success of the revival campaign, but said that in the end it was God who was responsible for the large number of conversions.

WITHDRAWS PAPERS IN DIVORCE SUIT

Mrs. Marie Hughes, whose divorce suit was heard in circuit court Friday, withdrew papers today without prejudice. The defendant was Lawrence L. Hughes. The couple married in 1912 without the consent of Mrs. Hughes' parents. It was not stated whether she would refile suit. Insufficient grounds in her first complaint were said to be the cause of the withdrawal of the papers. Judge Fox had made no decision in the case.

ARREST J. LEVY, ALLEGED SWINDLER

Chief Goodwin received a communication from the Cincinnati police notifying him of the arrest of Jack Levy, wanted in Richmond for embezzlement. He is alleged to have collected \$50 for punchboards used in Richmond cigar stores after he had been discharged from duty as representative of a Chicago firm. Sergeant McNally started for Cincinnati this afternoon to return Levy to this city.

CLARA MORGAN DIES

Succumbs After Illness of Several Years.

After lingering in poor health for years, Clara J. Morgan, 30, died late Saturday at the home of her father, Charles W. Morgan, 227 North Tenth street. Miss Morgan was well known here and is a sister of Charles Morgan of New York and John Morgan of Richmond. Her father also survives. The funeral will be held at the St. Paul's Episcopal church tomorrow afternoon at 2 o'clock, the Rev. J. S. Lightbourn having charge of the services. The casket will not be opened in the church. Burial will be in Earlham cemetery. Friends may call at the home any time.

NO ELECTRIC LIGHT SYSTEM FOR ASYLUM

It is probable that no electric light system will be installed in the poor farm for several months at least, as figures secured by the county commissioners have shown that the cost of getting electric current to the farm will be more than \$1,000 for poles and wire. Cost of current lost between Centerville and the farm must also be paid for. The commissioners may try to contract with the T. H. I. and E. traction company for electricity as a high tension wire runs within one thousand feet of the farmhouse. In either case a transformer and other electrical machinery will be needed.
