

"PREACH IN TERMS OF DAY," SAYS CATES

Local Minister Declares It Is Duty to Bring Personal Touch in Work.

INDIANAPOLIS, Feb. 17.—"Methodism Preaching" was the subject of an address of the Rev. Arthur Cates, of Grace M. E. church, Richmond, at the meeting of the Indianapolis Methodist Ministerial Association yesterday. "The mission of the minister today is different from that of the minister of some fifty years ago," the Rev. Mr. Cates said. "Sermons on doctrinal subjects almost exclusively were the order of the day then. In these busy days the minister must bring a personal touch into his work, a personal experience with religious principles, if he would be successful."

The speaker suggested that there was too much extemporaneous speaking in the pulpit today, and that sermons were delivered without enough attention to the forms of diction and manners of expression. Sermons in this manner lose their effectiveness, the speaker declared.

THE BEST COUGH MEDICINE
"We have been using Chamberlain's Cough Remedy for the past month and consider it an indispensable. Its effect is almost instantaneous, and there is no use talking. It is a dead shot on a cough or cold. We do not say this for pay but because we consider Chamberlain's Cough Remedy the best made, and want the people to know it and use it."—Columbus Safeguard, Columbus Junction, Iowa. The above editorial appeared in the Columbus Safeguard almost forty years ago. At that time the sale and use of Chamberlain's Cough Remedy was confined to a few counties in Iowa. It now enjoys a world wide reputation and many thousands have testified to its excellence. For sale by all dealers.

THE EASIEST WAY TO END DANDRUFF

STOP FALLING HAIR AND ITCHING SCALP.

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy, every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better. If you want to keep your hair looking rich, do by all means get rid of dandruff, for nothing destroys the hair so quickly. It not only starves the hair and makes it fall out, but it makes it stringy, straggly, dull, dry, brittle and lifeless, and everybody notices it. You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.

McMAHAN FUNERAL WAS HELD TODAY

Gene McMahan was laid to rest this afternoon at Earlham cemetery. This morning a large number of people called at the McMahan home on North Fifth street to pay their last respect to the unfortunate but cheerful king of Richmond newshoys, whose care-free, sunny disposition had won him hundreds of friends in all walks of life, but not an enemy.

Among those who visited the McMahan home this morning were Mayor Robbins, John McMinn of the board of public works, Prosecutor Keller, Market Master McKinley, Building Inspector Hodgins, several police officers and newspaper men.

Floral tributes filled the room, and the little fellow looks so natural in death that Harry Hodgins whimsically remarked that Gene looked as though he had met the Grim Reaper with a smile and a kindly joke.

TAKES NO CHANCES; WEIGHT IS HONEST

Weights and Measures Inspector McKinley yesterday sighted off his starboard bow a laden coal wagon tacking heavily through a snow covered street near the market house.

"Halt," rang out McKinley's voice in sharp command. The coal wagon hove to.

"I've gonna search you," said McKinley.

"I have I got the right to protest?" bellowed the irate driver.

"Sure you have, but I'm gonna search you," replied McKinley.

The way the inspector conducted his "search" was to place the wagon on the official scales and he was gratified to discover that the load was not an ounce "short."

If McKinley ever finds a "short" load somebody is going to have the opportunity to arise in police court the next day and say, "Good morning, judge."

Cured a Severe Backache.

"I had been a great sufferer with backache so that I was unable to bend. A friend recommended Dr. Jones' Liniment and the first application gave me relief. One bottle entirely cured me."

"A few days ago a lady called who complained of great pains in her back. I gave her a little of Dr. Jones' Liniment and she was relieved immediately after applying it. We are recommending it to all our friends."

So writes M. P. Stutzman, of Hedges, Pa. Pains in the back are often mistaken for kidney trouble, and so-called kidney cures and plasters are resorted to, which, failing to relieve, only tend to aggravate the disease and prolong the suffering. Dr. Jones' Liniment relieves Rheumatism, Neuralgia, Headache, Cramps, Cold in Chest, or any pain or ache that can be reached by external application.

Ask your neighbors what Dr. Jones' Liniment has done for them. Sold by A. G. Luken & Co., Foster Drug Co., J. A. Conkey Drug Co., C. Thistlethwaite, and All Druggists.

RICHMOND WOMAN CAUSE OF TROUBLE

CONNERSVILLE, Ind., Feb. 17.—Mrs. Daisey Crawley of Richmond, Ind., was a caller at the court house to inquire whether her husband, Earl Crawley, from whom she had been separated since 1907, had ever secured a divorce and if he had ever taken out a marriage license. Finding he had taken neither action, she called at the Crawley home, where her husband has been living with another woman, and told her story. When Crawley returned home his Richmond wife had departed and the other woman, very indignant, told him either he or she would have to vacate the premises at once. It is reported Crawley did the vacating and is now rooming in this city. Since his thrilling experience, Crawley has entered suit for divorce. Whether Crawley ever went through the marriage ceremony with the woman he has been living with of late is not known. Crawley is well known in Richmond. The Richmond woman wants a divorce so she can marry another man.

To Eckman's Alternative, a remedy for Throat and Lung Troubles, has been given the fullest credit of restoring health in a large number of cases. Read this—

"Gentlemen: In the winter of 1908 I had an attack of Grippe, followed by Pneumonia, and later by Lung Trouble. In the winter of 1909 I had cough, night sweats, fever and raised quantities of awful-looking stuff and later I had many hemorrhages, at one time three in three successive days. Milk and eggs became so distasteful I could keep nothing down. Three physicians treated me. I was ordered to the mountains, but did not go. Eckman's Alternative was recommended by a friend. After taking a small quantity I had the first quiet night's sleep for weeks. My improvement was marked from the first. I gained strength and weight and appetite. I never had another hemorrhage and my cough gradually lessened until entirely gone. I am perfectly well."

CHILDREN IMPORE FOR FATHER'S LIFE

INDIANAPOLIS, Feb. 17.—Probably the most severe test to which a governor can be subjected fell to the lot of Governor Ralston today when two little children came to him with a plea that he save their father from the electric chair. It was the final effort in behalf of John Cherka, the Indiana Harbor wife murderer, who will pay the penalty of his crime with his life in the electric chair of the Michigan City prison next Friday morning. The appeal of the children failed for Cherka to be saved from death.

Make This and Try It for Coughs

This Home-Made Remedy has no Equal for Prompt Results.

Mix one pint of granulated sugar with 1/2 pint of warm water, and stir for 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents' worth) in a pint bottle; then add the Sugar Syrup. Take a teaspoonful every one, two or three hours.

This simple remedy takes hold of a cough more quickly than anything else you ever used. Usually conquers an ordinary cough inside of 24 hours. Splendid, too, for whooping cough, spasmodic croup and bronchitis. It stimulates the appetite and is slightly laxative, which helps end a cough.

This makes more and better cough syrup than you could buy ready made for \$2.50. It keeps perfectly and tastes pleasant.

Pinex is a most valuable concentrated compound of Norway white pine extract, and is rich in guaiacol and other natural pine elements which are so healing to the membranes. Other preparations will not work in this plan.

Making cough syrup with Pinex and sugar syrup (or strained honey) has proven so popular throughout the United States and Canada that it is often imitated. But the old, successful mixture has never been equaled.

A guaranty of absolute satisfaction, or money promptly refunded, goes with this preparation. Your druggist has Pinex or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.
