# EARTHQUAKE SHOCKS ACCOMPANY STORM

Baltimore Gripped By Blizzard Rocks As Earth Trembles Over State.

BALTIMORE, March 2.—The blizzard which raged in Baltimore was accompanied by earthquake shocks, three distinct tremors being felt here. Reports from various sections of the state today said that the damage done from the storm would be extensive and the financial loss heavy.

No trains have reached here since yesterday afternoon, and shipping is at a standstill. Telegraph and telephone wires were blown down, and rail traffic is stopped.

The fifty-mile wind ripped the roof from the main workshop of the Maryland state penitentiary.

# MARK E. BATES DEAD

The funeral of Mark E. Bates, formerly well known in this city, was held at Liberty yesterday. The following from here attended: Mr. and Mrs. Frank Chambers, Mrs. Horace Ratliff and Mrs. Ben Ratliff, of Springfield, Ill. Mrs. Bates was formerly Miss Laura Ratliff of this city.

# CARD OF THANKS.

We desire to extend our heartfelt thanks to our friends and neighbors for their sympathy and assistance, and also the beautiful floral offerings, at the death of our beloved wife and sister, Georgiana Wayne. We also wish to thank the Rev. Thomas J. Graham for his kind words of consolation, Wilson, Pohlmeier and Downing undertakers, for their prompt and faithful service; also the pall bearers and singers.

Eugene L. Wayne.  
Mr. and Mrs. J. C. Rife.

# OUCH! ACHING JOINTS, RUB RHEUMATIC PAIN

Rub Pain Right Out With a Small Trial Bottle of "St. Jacobs Oil."

Rheumatism is "pain only." Not one case in fifty requires internal treatment. Stou drugging! Rub soothing, penetrating "St. Jacobs Oil" directly upon the "tender spot" and relief comes instantly. "St. Jacobs Oil" is a harmless rheumatism cure which never disappoints and cannot burn the skin.

Limber up! Quit complaining! Get a small trial bottle of "St. Jacobs Oil" from any drug store and in just a moment you'll be free from rheumatic pain, soreness and stiffness. Don't suffer! Relief and a cure awaits you. "St. Jacobs Oil" is just as good for sciatica, neuralgia, lumbago, backache, sprains and swellings.

# Car Load of "Coffin Nails" Goes Through City For China

My Lady Nicotine may claim America, the land of the free, as her permanent and official address but just the same China, the land of laundry, in fact the Chinese dream pipe is becoming more obsolete each year and the Pall Mall, Fatima, Omar, Piedmont and other brands are being used more by increasing numbers.

This is evinced by the fact that today a car load of cigarettes went through Richmond, bound for Pailu, Hong Kong, Foochow, Kaitungfu and other cities in the Chinese empire.

You can use your own figures on the number of cigarettes in the Pennsylvania freight car. Someone estimated the number at about 2,000. The car is 36 feet in length, eight in width and twelve in depth, making a total of 3456 cubic feet. Figuring twenty cigarettes to a package and twenty packages to a carton and four cartons to a cubic foot, you get a total of 5,606,400 cigarettes to a box car. Any way it is quite a few "pills" even for China to smoke in one day and this is what some local Chinamen say.

Take it from Don Wing Lee, 613 Main street, it's some smoke.

# CHRISTIANITY GROWS

Dr. Zwemer Holds Church Uplifts Masses.

"The Christian religion is an astonishing religion," declared Dr. Zwemer, head of the Student Volunteer movement, in speaking at the West Richmond Friends church yesterday morning. He spoke on "The Future of Christianity."

"The religion is Christ is far different from the other religions promulgated," asserted the speaker. "It is different in its social programs. No religions except the Christian, has ever tended to raise womanhood to a higher social level. In fact the tendency has been to subjugate womanhood and keep her in darkness as far as religious matters are concerned.

"In the Christian religion there is a lack of the idea that caste determines a person's standing in the community. With many other religions the principles of the creeds are themselves founded on class positions."

# LICENSES RENEWED

March Liquor Business Requires Officials' Attention.

March liquor business demanded the attention of the county commissioners this morning on the official opening of the March term of the commissioners court. One-fourth of the liquor licenses in Richmond expire the first week in March and without exception these were re-issued.

Twelve retail licenses were granted and two were issued to wholesalers. The latter were Louis Liff of the Minck Brewing company and J. F. Bowlett of the Jung Brewing company. They are entitled to sell at wholesale in quantities of less than five gallons.

Clarence Jessup, Will Kline, Luke Bowing, Frank Puthoff, Alphons Collett, Matthew Miller, Henry Shannon, William Patterson, H. V. McLeland and Dave Bromley were the retailers to whom licenses were granted.

The fourteen licenses cost a total of \$7,000 of which \$3,500 goes into the city treasury.

# BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute.

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets. These pleasant little tablets do the good that calomel does but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.

Most headaches, "dizziness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." Note how they "clear" clouded brain and bow they "perk up" the spirits. At 10c and 25c per box. The Olive Tablet Company, Columbus, O.

# MANY DEPOSITORS IN POSTAL SAVINGS

Henry Deuker Reports \$1,300 Deposited During the Month of February.

Despite of the shortness of February and the numbers reported to be out of work, \$1,300 was deposited in the postal savings bank and an increase in the number of depositors of six, was made, it is shown in the report of Assistant Postmaster Deuker. The net increase in deposits was \$913 with \$391 withdrawals. The total deposits in the Richmond office now are \$10,570. This amount does not make a showing for the office because \$2,800 of postal savings certificates were taken up in government bonds on the first of the year.

Mr. Deuker reported an increase of \$300 in deposits over February 1913 and an increase of \$600 over February 1914. He was much pleased with the report he sent to the postal savings department of the post office in Washington.

"We had expected small deposits and had not contemplated adding any new depositors," he said. "Our net increase in depositors was six and during the month forty-four persons made deposits, some of them a number of times."

The Fountain City post office has received orders to discontinue the postal savings department there because there is little patronage. Those depositors may be transferred to Richmond.

# BEATEN BY BEGGAR

CHICAGO, March 2.—Michael McDonald, 81, was in a serious condition today as the result of being beaten by a beggar who had asked him for a dime last night. McDonald did not have a dime and when he refused the beggar's request the man beat him into unconsciousness. A neighbor found the aged man near frozen in the snow.

The development of powerful and reliable airplane motors have enabled French aviators to do most of their daring flying with monoplanes with a wing spread of not more than twenty-five feet.

# A CHILD'S LAXATIVE IS "SYRUP OF FIGS"

Made from fruit—Can't harm tender stomach, liver and bowels.

If your little one's tongue is coated, it is a sure sign the stomach, liver and bowels need a gentle, thorough cleansing at once. When your child is cross, peevish, listless, pale, doesn't sleep, eat or act naturally; if breath is bad, stomach sour, system full of cold, throat sore, or if feverish, give a teaspoonful of "California Syrup of Figs," and in a few hours all the clogged-up constipated waste, sour bile and undigested food will gently move out of the bowels, and you have a well, playful child again.

Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. They also know a little given to-day saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company." Don't be fooled!

# STUDENT VOLUNTEER MOVEMENT—TOPIC

The Student Volunteer movement as a recruiting service for the foreign missionary work was the smile drawn by Harry Dickey, speaking at the First English Lutheran yesterday morning. Mr. Dickey is attending a theological seminary preparatory to taking up work as a missionary.

Mr. Dickey attended the meeting of the Student Volunteer association in Kansas City during the holidays and from his impressions told the audience of the enthusiastic meeting.

"The plan of the Student Movement is to furnish at all times students in the theological work an opportunity to enter the foreign fields," said Mr. Dickey.
