ATTEMPT TO ROB CHURCH FOILED. An attempt to rob the United Brethren church was foiled when the

burglar searched in vain for the collection plate deposit box. The collections had been removed from the usual place of deposit. It is thought the intruder gained entrance through the cellarway on B street, sometime Sunday afternoon.

Sunday night chairs and books were found in disorder. The desk of the Sunday school superintendent was ransacked. The police have no clue as to the identity of the robber.

LIGHTS GO OUT. For a quarter of an hour last evening the city was plunged in darkness owing to the breaking of an eccentric rod on one of the engines at the municipal light plant. The iron rod broke while the engines were running at highest speed and for a time endangered the lives of the electrical engineers.

But they stopped the big wheels of the steam engine and made repairs restoring the plant about fifteen minutes later.
