

HUSBAND REMAINS LOYAL TO SPOUSE

Dr. Carman Will Pay for Defense of Wife Charged With Murder.

NEW YORK, July 9.—With Mrs. Florence Carman a prisoner in the jail at Mincola, accused of the murder of Mrs. Louise Bailey, who was shot to death in the office of Dr. Edwin Carman, the prisoner's husband, Nassau county officials today admitted that they expect one of the greatest legal battles in the history of New York state before they succeed in fastening the crime upon her.

The evidence against Mrs. Carman thus far gathered is purely circumstantial. The authorities believe they can establish the motive for the crime by proving that Mrs. Carman was intensely jealous of her husband, a jealousy that she manifested by attacking one woman visitor in his office, and by having a dictagraph installed with which she eavesdropped upon the physician.

Husband Backs Wife.
Dr. Carman declared today that he would use all his fortune, if necessary, to establish the innocence of his wife. Loyal to the woman who suspected him of love affairs with his women patients, he asserted that Mrs. Carman was guiltless of the crime.

"My wife will be acquitted," he cried at his Freeport home, where he was comforting his little daughter, Elizabeth, with promises that "Mamma will soon be back."

"Perhaps my wife made some foolish mistakes, but everything will come out all right."

"We shall find out who fired that shot. It's bound to come out in time. If Mrs. Carman had not gotten mixed up in this dictagraph matter her name would never have been mentioned in this case."

Though brought into the shadow of the electric chair by her arrest, Mrs. Carman's nerve was unbroken today when she awoke after a restless night. Her quarters are in a private room of William H. Hulise in the Mincola jail. She has thus far been spared from imprisonment in a cell. Her only guard is the warden's wife, Mrs. Catherine Hulise.

ALL ON PAY ROLL

GARY, Ind., July 9.—The ideal municipal government from the viewpoint of the Hoosier politician has been found at Aetna, Ind., where every voter is on the town pay-roll. Hugo Kent is mayor and alderman from the first ward. Joe Debold is clerk and all of the fifteen resident voters who do not have titled jobs, serve as deputy marshals.

PREVENT LYNCHING

MOBILE, Ala., July 9.—A mob of Loun and Laurel, Miss., citizens, who surrounded the jail at Bay Springs, Miss., early today seeking to lynch Mose Johnson, a negro murderer and robber, were driven off by the sheriff and citizens. Johnson was rushed to Jackson, Miss., for safe keeping.

NOTES FROM GIRL MYSTIFY POLICE

PETERSBURG, Ind., July 9.—The mystery surrounding the finding of a note yesterday morning by a fisherman in which a young girl, Nellie Haworth, begged that she be released from the clutches of those who are holding her in captivity, near Porterville, along the White river, about 20 miles east of here, deepened today by the finding of another note begging that the help be sent at once.

The place described by the girl's note is four miles north of the Pike County line between Dubois and Daviess counties. The Dubois county officers have been notified and will cooperate with ten hunters who left here for points along the east border of White river within a mile of the big rock where the girl claims she is being held.

LAPSING CONVERT SEEKS HIS END

GOSHEN, Ind., July 9.—Harry Floorkey, 35 years old, dependent upon a lapse from sobriety, left a note for his wife saying he would meet her in heaven and then ate bread on which he had placed rat poison. His condition today was critical.
