Rural Routes, in advance—one year, \$2.00; six months,  
\$1.25; one month 25 cents.

Entered at the Post Office at Richmond, Indiana, as Sec-  
ond Class Mail Matter.

### Safety First

In the hope of protecting the people from foolish, speed-loving motor-cyclists and automobile drivers the Safety First society, of New York city, has begun an educational campaign which should be fostered and which ought to be productive of the good results sought. This campaign was begun with a special newspaper notice which said:

"Go slow around corners and when approaching crossings. Go slow where traffic is dense and where children are playing in the streets. Stop behind street cars taking on or discharging passengers. Use tire chains on wet or slippery pavements. 'Better be safe than sorry,' it admonishes every one who sits behind a steering wheel."

This newspaper notice has been followed by the issuance of small cards bearing the following admonitions:

- "1. Be considerate.
- "2. Go slow passing children, passing vehicles, around corners, approaching crossings.
- "3. Stop at railroad crossings, behind street cars taking on or discharging passengers.
- "4. Use tire chains on wet and slippery pavements. 'Better be safe than sorry.'"

We would that every person who drives a motor vehicle could read and would heed these several admonitions. To heed them would be to make public traffic almost safe. And, too, the drivers of horse-drawn vehicles would do well to familiarize themselves with these admonitions and observe them. If, also, the pedestrian would exercise common sense in the use of the drive-ways of streets, accidents through a combination of these several essentials to safety, would be almost unknown. While the drivers of motor vehicles are censured, they are not as much at fault at times as pedestrians, a fact not fully appreciated by those who have never driven or ridden in automobiles.

The tendency of many, probably most, pedestrians is to believe, or seem to believe, they have first rights to any part of the roadway of a street. Exercising that belief they cross highways at any point and at every imaginable angle, crowd close to automobiles passing over crossings and harass the driver and do all manner of other dangerous things. The pedestrian ought to co-operate with the driver in the safety first movement and both should do all in their power to protect and conserve the rights of the other. Education, common sense, good humor and co-operation can do more than city and state laws to bring about a better and a safer condition. Now is a good time to start.—South Bend Tribune.

### The Red Cross Appeal

The sick and wounded soldiers of the nations now at war need succor and assistance beyond the powers of their own peoples to supply. Yet the war is only begun. A few months hence and the need will be a hundredfold greater than it is today.

The American Red Cross has already made response to the cry of distress. Its plans for relief are under way and, as representative of the greatest of the powers remaining neutral, upon its shoulders will rest the burden of carrying to the battlefields of Europe the help so sadly needed. It has no enemy, and its mission of mercy knows no discrimination. In the past, it has met emergencies promptly and effectively, but never has it faced so overwhelming a disaster as now confronts it.

For the victims of the Messina earthquake, the Red Cross received contributions amounting to a million dollars; two million more were raised and distributed among the Ohio flood sufferers. Armenia, Cuba, Galveston, San Francisco—they have all been as one and the same, without special favor or distinction. Today the need is already as great as in any of these disasters and, daily, it increases. Never, indeed, has there been greater call for the Red Cross service.

And its appeal to the charity and generosity of the American people should not go unheeded. Through the mayors of American cities it is asking for contributions, not of the wealthy alone, but of all alike. Something of the nature of its present service may be brought home to us, too, in its address to the public. "Ten cents," it says, "will buy enough chloroform or ether to provide a painless operation for some poor, wounded soldier." Surely, regardless of our sympathies, there are thousands of American men and women who will not be deaf to this appeal.—Indianapolis News.

## Notes From Cambridge

Mr. and Mrs. Will Kiser of Indianapolis are visiting the latter's mother, Mrs. Joe Wade, and other relatives. Mrs. May Boden spent Tuesday with relatives in Centerville.

Mrs. F. M. Murray was in Richmond Tuesday, the guest of Mrs. Phillip Murray.

Mr. and Mrs. Will Pike spent Sunday in New Castle, the guests of Mr. and Mrs. Henry Adams.

Robert Beard returned from Chicago, Monday night, preparatory to re-entering school. He has spent the summer in the employ of Sears, Roebuck & Co.

Grover Spencer of Fourmile, spent Saturday night and Sunday with Lewis Shaffer.

Mrs. Sarah Gard of Richmond will move into R. E. Brandenburg's tenement house, recently vacated by Moses Spahr and family.

Natural gas has been discovered in Hungary.

### THINK OF IT

30,000 Persons Publicly Recommend Our Remedy—Some are Richmond People.

Over one hundred thousand have recommended Doan's Kidney Pills. For backache, kidney, urinary ills, thirty thousand signed testimonials are appearing now in public print.

Some of them are Richmond people. Some are published in Richmond. No other remedy shows such proof. Follow this Richmond man's example:

J. A. Williams, cigar dealer, 118 South Third street, Richmond, says:

"Doan's Kidney Pills have done me a lot of good and I am glad to recommend them. I took this remedy when I was suffering from backache and weak kidneys and it stopped the trouble. Another of my family has used Doan's Kidney Pills with satisfactory results."

Mr. Williams is only one of many Richmond people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Williams had—the remedy backed by home testimony. 50c all stores. Foster-Milburn Co., Props., Buffalo, N. Y.

"When Your Back is Lame—Remember the Name."

### INSTALL NEW LIGHTS

CAMBRIDGE CITY, Ind., Sept. 2.—The installation of the cluster lights has been completed and Main street presents a very attractive appearance in the evening. Perhaps no other town of its size in Indiana is better lighted than is Cambridge City.

### Irrigates the Blood Knocks Rheumatism

A Remedy That Flushes the  
Blood from Head  
to Foot.

To get rid of rheumatism requires that the blood be completely flushed—not a mere makeshift as by salts and pain killers. The long record of S. S. S. is important to know. It has found its way into every section of the nation. It is the most widely used and most widely tested remedy there is for all blood troubles. And it is a known fact that rheumatism is primarily a blood trouble.

It is conceded by the closest students of the subject that rheumatism is caused in most cases by an acid condition of the blood and aggravated by the remedies commonly used for relief. In other cases rheumatism is the result of nerve depression; in still others it is the effect of some vitiated blood condition, having been treated with mercury, iodides, arsenic, and other poisonous mineral drugs.

The records of all these types of rheumatism by the use of S. S. S. is a wonderful tribute to the natural efficacy of this remarkable medicine, for it is assimilated just as naturally, just as specifically, and just as well ordered as the most acceptable, most palatable and most readily digested food. Do not fail to get a bottle of S. S. S. today, but insist upon S. S. S. Don't accept a substitute. You will be astonished at the results. If your rheumatism is of such a nature that you would like to consult a great specialist, kindly write to the Medical Dept., The Swift Specific Co., 536 Swift Bldg., Atlanta, Ga.

## BOND FAMILY MEETS

Many Members Gather at  
Jackson Park.

CENTERVILLE, Ind., Sept. 2.—The reunion of the Bond family was held at Jackson park yesterday with members of the family present from New Castle, Richmond, Webster, Greensfork, Centerville and cities in Illinois. This was one of the largest and most successful reunions ever held by this pioneer Wayne county family. A bountiful dinner was served at the noon hour.

Officers were elected as follows: President, Dr. Bond, Richmond; secretary, Joe Commons, Centerville. During the afternoon guests at the reunion heard some excellent readings by Fannie Harrell.

### BOSTON, IND.

Mr. and Mrs. W. S. Porterfield and daughter, Mr. and Mrs. Frank Jenkinson and children, Mr. and Mrs. Frank Muir and Dr. J. J. Rife returned home Monday after camping at the Chautauqua.

Mrs. Eugene Canon and daughter of Detroit, Mich., came Sunday evening for a visit with Mr. and Mrs. A. H. Piper.

Mrs. Charles Kennedy of Peru, Ind., who is visiting Mr. and Mrs. A. H. Piper, will leave the latter part of the week for West Virginia to visit relatives.

Mrs. Stiner of Cincinnati is the guest of Mrs. Fannie Packer and Mrs. Caroline Jenks.

Mrs. Bertha Farnsworth and W. A. Rinehart were Cincinnati visitors Sunday.

Mrs. P. L. Beard and Miss Mary Beard spent Monday afternoon with Mrs. Adam Eby.

Miss Marie Brattain, accompanied by friends from Liberty, motored to Indianapolis Sunday.

Mrs. Clarence Parks and Mrs. J. B. Pottenger returned home Monday evening after attending the funeral of Mrs. Stubbs, which was held at West Elkhart, O., Sunday.

Mrs. A. B. Parks was at Richmond Monday.

The Boston Dramatic club will hold a business meeting at the home of Miss Marie Brattain this evening. All members are urged to be present.

Mr. and Mrs. Everett O'Neill and daughters of Eaton spent Monday with Mr. and Mrs. John Huber.

Mrs. Flora Osborn of Liberty was the guest of Mr. and Mrs. Francis Stanley Sunday.

Miss Anna Stanley attended the Chautauqua at Richmond Sunday.

Avery Ocker has returned home after a two weeks' visit with relatives in Kansas City, Mo.

**PRESENT ORGANIST  
WITH GOLD WATCH**

CENTERVILLE, Ind., Sept. 2.—The members of the Friends' church and Sunday school boarded the car Saturday evening and went to the country home of Mr. and Mrs. Andrew Tremps, where they spent a most enjoyable evening. The affair was a surprise on Miss Cora Tremps to show the appreciation of the church and Sunday school for her faithful work as organist. Music and the social time featured the evening's amusement. Refreshments of ice cream and cake were served by the guests. Miss Tremps was presented with a beautiful gold watch by the guests.

### CENTERVILLE

Mr. John Lantz went to Milton Friday afternoon to attend the funeral of his sister-in-law, Mrs. L. F. Lantz. Mrs. Triplett of Bloomington, Ind., is visiting her brothers, Joseph Hurst and Oscar Hurst.

The Centerville high school will give a picnic at Jackson park Thursday afternoon. All members of the high school are expected to be present.

The erection of the new fire escape at the school building was completed yesterday.

An ice cream festival will be given

in the room recently vacated by the bank by the girls class of the Christian Sunday school Saturday evening. The invitation to attend is open to everyone.

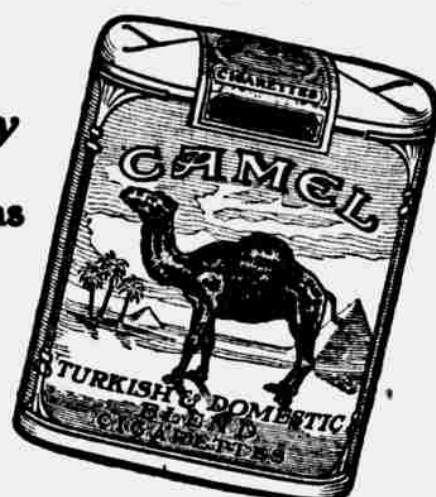

### MASONIC CALENDAR

5:00 A. M. AND 6:00 A. M.

On Sept. 9th and 10th

THE SAFE, CONVENIENT WAY TO GO

For further information see Local Agent.

## Why You Should Patronize The City Light Plant

### Just Stop and Think

for a minute what you might be paying for Electricity if the City Light Plant had not been installed. The possibilities are that you would be paying twice as much for Electricity as you are now.

### Electric Light Was a Luxury

Why, before the City Plant became a reality, electric lighting was considered a luxury, and in only a few homes was electric light used. Today, in the majority of our homes you will find electric light, this made possible by the City Plant.

### Our Factories Were Handicapped

They were forced to keep on with the old way of using steam to run their machinery, as the price of electricity was too high, and now, today, over 85 per cent of the power that propels the wheels of industry of our local factories is electricity, and this, too, made possible by the City Plant.

## \$75.00 For Street Lights Now \$35.00

Before the City Plant was installed you were paying to a private corporation for your street lighting \$75.00 per light per year, and today the City Plant is furnishing your street light at the cost of only \$35.00 per light per year. And just this year a reduction of 16 2-3 per cent on the cost of electricity was made possible by the City Plant.

Above are but a few of the many things the City Plant has done for you. Now, what are you going to do for the City Plant? There should be but one answer. That is: That you are going to let the City Plant furnish you with Electricity. The cost is less. The service unequalled. And you are helping home industry.

### Patronize Your Own Plant

## The City Light Plant
