ANTWERP DEFENDERS TRAPPED ON OUTSIDE

[BY LEASED WIRE.] FLUSHING, Holland, Oct. 12.—Reports that a great part of the Belgian army that fled from Antwerp has suffered defeat are current here today. A dispatch from Hulet states that thousands of King Albert's troops have crossed the Dutch frontier and surrendered for internment. The rumors persistently circulated say that the retreating Belgians were trapped between Lokeren and St. Nicholas by Germans advancing from the east and south and were routed with heavy losses.

SCHOOL DEDICATION FOR BOSTON MEANS END OF LONG FIGHT

Charles Greathouse on Program for Principal Address When Town Observes Gala Day Soon.

Boston will make a gala day of the dedication of the first high school building the township has ever had. Citizens are planning a rally which will bring out most of the residents of the southern part of the county.

Charles A. Greathouse, superintendent of instruction of the state, will be the speaker. There will be several other important speakers. The school building is the most modern in the county, although it will accommodate only seventy-five pupils. It was designed from outlines given by Superintendent Williams and Health Officer Krueger.

From the front elevation it resembles the Joseph Moore school of this city. The interior is different from any other school, however. The big assembly room and two smaller recitation rooms can be thrown open in an auditorium seating 250 persons, with a stage eighteen inches high. It has a teachers' rest room, physics laboratory, office for the principal, domestic science room and the best sanitary fixtures of any school in the county. Every new feature to add to the hygienic superiority of the building is provided. The heat is self-regulating and the water is distributed through hot building by a pressure system. Even chalk dust will be sucked away from the rooms. It is said that the Boston township fight for a high school began twenty years ago and has just ended. The township has been split, those in the town of Boston asking for the building and those outside fighting against it, because of the expense.

STUDENTS BOOST FOR PROF. RUSSELL

When Elbert Russell, progressive candidate for congress opens his campaign in Wayne county with a speech at Centerville tonight, he will be heard by a number of Richmond persons who will attend the meeting. About a hundred are going over in machines and on the traction line. A number of Earlham students are planning to attend the Progressive rally and boost for the college man with their Earlham songs and yells.

"Y" MEETS HIGH.

The Y. M. C. A. will practice tomorrow night with the high school squad. This game will not be to see who is the better but rather to help the play of both teams.

ORDER REIGNS IN ANTWERP AFTER SIEGE

Last Forts Yield and Teutons Urge Citizens to Return While Military Governs Captured City.

[BY LEASED WIRE.] ROZENDAAAL, Holland, Oct. 12.—The last forts at Antwerp have yielded to the Germans. The fires have been extinguished by German troops and normal conditions are being rapidly restored according to information received here today. Latest reports indicate that the city did not suffer terrific damage from the bombardment.

The flames and resultant loss were largely confined to the suburb of Berchem and the southeastern part of the city.

General von Bezeler, the German commander, is co-operating with Burgomaster Devos in restoring a condition of tranquility in the captured city. Couriers have been dispatched along the roads on which the city's residents fled and they are being urged to return and take up their usual occupations.

Take No Chances. Long after the forts had been evacuated by the Belgians, the Germans continued to rain shells upon the ruins in order to destroy any unexploded mines in the neighborhood. Near the southern suburbs, the Belgians had planted an elaborate network of mines, but the Germans, having been warned by residents of the city, took good care to avoid the danger zones.

The British had sent a large number of marines to Ostend, when notice was received that the Belgian army had begun to retreat to Ostend, to meet the retreating army and pick up the stragglers.

The retreating Belgians carried with them considerable amount of artillery and numerous machine guns drawn by dogs.

CITY TEAM WORKS IN SIGNAL DRILL

A good practice was held at Athletic park Sunday morning by the City foot ball team. Enough men reported for a full team and were put through practice on catching the ball and kicking. After that signals were given and plays run through. Another practice will be held Tuesday evening and at this time all that wish to try for the team must report. Two games have already been booked.

REV. JAMES PRAISES FRIENDS OPPOSITION TO EUROPEAN FIGHT

"If all the protestant churches had been as unrelenting in their opposition to war, and the war spirit, as the Friends denomination, it is my belief that war would be an impossibility with any Christian nation at this time," said H. S. James before the ministerial association today.

"That the churches have been rent asunder over difference that are non-essential," was the cause given by Rev. James for the failure of Christianity to prevent the breaking out of the present war. He said, "It seems little short of mockery for a Christian or a nation to pray for peace while at the same time they are preparing for a big fight."

In the business session of the meeting the following appointments were made for the infirmary and jail meetings. The first winter meeting at the county infirmary will be conducted by Rev. Murray Kenworthy, Oct. 25. Dr. Conrad Huber will have charge of the first jail meeting next Sunday. Rev. H. S. James was appointed chairman of the Evangelistic committee to succeed Rev. B. Earl Parker, who goes to Marion this week.

Three new members were elected to membership in the association, Rev. Mr. Motley of the Central Christian church, Rev. Mr. Kinkle of the East Main Street Friends church, and Rev. Mr. Harman of the First Methodist church.

CLEVELAND BOXER ON MONDAY'S CARD

Manager Billy Benson has announced his next boxing card for Monday, October 19, at the Coliseum. Benson says this card is a good, if not better, than the one in September.

The main go of the evening will be between Grant Kid Clarke and Billy Stein of Cleveland, O., who has whipped such men as Freddie Hicks and the Fighting conductor, Webber.

Clarke is in Richmond and will remain until after the bout. He did his first road work yesterday, going around Easthaven and around Morton park today. Clarke with Lester Williams, who will go in the preliminary with Jim Oakley of Cincinnati, will train every afternoon at the Coliseum at 2 o'clock. They will weigh in at 142 pounds. Ray Jeffries will meet a tartar in the semifinals when he goes against Phil Kath, a line of Columbus, O. Phil shows a win over Bobby Trott, who is a brother of Sammy Trott. They will weigh in at 128 pounds.

W. C. T. U. ELECTS MISS WOODWARD

Miss Mary Woodward of Fountain City, one of the county's leading W. C. T. U. officers was elected corresponding secretary at the state convention which is in session at Brazil. Other officers elected were: President, Mrs. Culla J. Vayhinge, Upland; vice-president, Mrs. Elizabeth Stanley of Liberty; recording secretary, Mrs. Rose Pierce, Sharpville; treasurer, Mrs. Clara Sears, Indianapolis. The sessions will close with a banquet presided over by Mrs. Louella McWhirter of Indianapolis this evening.

"Y" BOYS OUTLINE CANVASS AT FEAST

Somerville Expects One Hundred to Help Win State Membership Contest.

With a big feast on the program Boys' Director Somerville of the Y. M. C. A. is confident nearly one hundred boys would attend the supper tonight to complete plans for the part they are to take in the membership campaign which starts tomorrow evening. J. H. McAfee, chairman of the Boys' Work committee will preside.

Mr. Somerville said the organization of the boys would be similar to the senior organization perfected last Wednesday. Captains will be chosen, and the workers will be divided into teams. The older boys will be made captains. There will be no restriction as to the number of boys on each team.

"The boys have determined that they are going to make the men go some," said Mr. Somerville.

REFUSES PARDON TO ALONZO FISHER

Either the state board of pardons did not pass on the petition of Richard Brown, Webster young man, convicted of intent to kill Howard Starr, or the pardon was refused. The board made no announcement as to this petition when it closed its business and there is no record of the pardon having been granted.

The petition for a pardon for Alonzo Fisher, who shot and killed his wife at Eighth and Main streets in 1906, was refused. Friends of Fisher have petitioned the board several times for a pardon but because of the nature of his act, it has been refused.
