

RUSSIAN ARMY LOSSES HEAVY AT IVANGOROD

Austrians Take 4,600 Prisoners and Defeat Two Divisions of Czar's Forces in Sanguinary Battle.

BY STEVEN BURNETT, Staff Correspondent of the International News Service.

VIENNA, Oct. 24.—Defeat of two Russian divisions at Ivangorod and the capture of more than 4,600 prisoners by the Austrians, are announced in an official statement issued here today. The Austrian monitor Temes, which has been aiding in the operations against Servians, has been sunk by a mine in the Save river.

"Our heavy artillery was especially active yesterday in the battle south of Prezemysl," says the statement, "and today severe fighting developed on the banks of the lower San, where, at several points, we allowed the enemy to cross the river. These Russian forces have now been strongly attacked by our troops and pressed against the river."

FRIENDS CONFIDENT OF QUICK RELEASE FOR MRS. CARMAN

[BY LEASED WIRE.]

MINEOLA, N. Y., Oct. 24.—The defense in the trial of Mrs. Florence Carman, charged with the murder of her husband, Dr. Edwin Carman, and the friends of the Carman family expressed the most confident belief that the defendant would be speedily acquitted.

Following the introduction of rebuttal testimony by the state, John G. Graham, chief of counsel for the defendant, began summing up for the defense at 1:47 o'clock. He asked that Mrs. Carman be acquitted on the ground that the testimony against her was not strong enough to warrant any other verdict.

As the famous murder trial drew into its third phase Mrs. Carman, her husband, Dr. Edwin Carman, and the friends of the Carman family expressed the most confident belief that the defendant would be speedily acquitted. So confident were the members of the Carman family that Mrs. Carman would be freed that a home coming party in Precept was spoken of. A considerable portion of the final testimony introduced by the defense related to the action of the bloodhounds which were taken to the scene of the crime on the night of the murder.

ADMIRER KIDNAPS GIRL TO PREVENT DATE WITH RIVAL

A pretty 19-year-old girl was kidnapped last night by a well known Richmond young man to prevent a rival from taking her to a dance.

The kidnapping created a sensation for a few hours. The parents of the girl had the town searched in an effort to find her.

At 5 o'clock she was met by the young man, who offered to take her home in his machine. Instead of driving to her home he took her to Eaton, O., where she remained with friends until 10 o'clock.

The girl declares the speed of the machine was such as to prevent her from jumping and returning to the city. She says she pleaded with her captor, but he refused to notify her parents or permit her to return in time to attend the dance.

The father of the girl threatened last night to file charges against the young man. No action has been taken, and it is said the incident will be dropped.

JAPANESE PAPERS CLAIM FORTS TAKEN

Tokio on Unofficial Reports Prepares to Celebrate Victory of Troops.

TOKIO, Oct. 24.—Unofficial reports printed in the Japanese newspapers today say that Tsing Tao has fallen. The admiralty refuses to confirm the reports, but the city is making preparations to celebrate the great victory.

It has been definitely learned that the cruiser Takachiho, reported at first to have been blown up by a mine, was torpedoed and sunk by the German torpedo boat S-90, which was subsequently beached to escape capture. The crew of the S-90 escaped to neutral territory with important documents which the boat had been ordered to get through the Japanese blockade.

ST. ANDREWS PAYS TRIBUTE TO DEAD

Roell Heads Procession of Churchmen on Annual Pilgrimage to Cemetery.

The annual pilgrimage to St. Andrew's Catholic cemetery will take place tomorrow from the church.

At 2:30 o'clock the little children from the Sunday school classes and the members of various St. Andrew's societies will form in line and march to the burial ground. They will be accompanied by the Knights of St. John in full uniform.

The pilgrimage is in observance of All Souls day, which is November 2. However, the annual decoration takes place earlier in order to have the open air service.

There will be prayers over the graves and the church choir will sing hymns while the mounds are being covered with flowers. The graves will then be blessed by the clergy.

Father Roell will preach his annual All Souls day sermon in the open air. This will conclude the pilgrimage. If weather conditions are bad, the pilgrimage will be postponed a week.

CHARITIES COUNCIL MEETS TO DISCUSS UNUSUAL APPEALS

The first meeting of the central council, which will consist of a body of persons interested in Richmond charity, will take place Monday under the direction of John Melpolder, managing secretary of the Central Bureau for Charity and Social Service.

At the central council meeting cases of peculiar difficulty will be presented, discussed and decided on by vote as to the proper course of treatment. Specific measures to prevent pauperism, disease, vice and crime will be taken up for consideration and action.

Secretary Melpolder has written the ministers asking that several delegates be appointed to represent each church. Others not delegates may attend if they are interested in the treatment of charity.

The meeting will open at 3 o'clock. There will be no formality and those present will discuss in round table style the difficulties which the council encounters.

HOSPITAL SHIP REPORTED SUNK

[BY LEASED WIRE.]

LONDON, Oct. 24.—The French ship Marie Henriette, with hundreds of wounded soldiers aboard, has been wrecked on the French coast, near Cape Harveleur, according to dispatches received here and is believed to have sunk.

The dispatch indicates that the vessel sent "S. O. S." calls for help and that other French ships rushed to the rescue, but that the last word received from the vessel said that all her lights were out, indicating that her engines had been put out of commission by water.

FEDERAL MANAGERS SCOUT PEACE PLAN

Gilmore Says League Will Hold Out for Recognition of Terms.

(By FRANK G. MENKE.)
Sporting Editor International News Service.

NEW YORK, Oct. 24.—"Peace" hub! You aren't eager for peace," declared James A. Gilmore, president of the Federal league, just before he went into session with the magnates of the league here today.

"Last spring, even before our league opened, I said that when peace did come that it wouldn't be of our asking. I said that organized baseball would make the first overtures and that if we ever entered organized baseball we would do so on our own terms. What I said then still goes."

Plank joins.
It was reported today that Eddie Plank, the famous pitcher of the Athletics, had signed with the Federal league and that he would play next year with Chicago or with Cincinnati. If a Federal league team is put into the Ohio city, Plank was reported to have been in New York early today conferring with Federal league magnates. None of the moguls attending the Federal league meeting would discuss the report.

APPEAL TO STATE ON PHONE SERVICE

The public utilities commission of Indiana will be called on by the public service committee of the Commercial club for a ruling concerning payment for service not rendered.

Taking a specific case, the committee in its meeting last night asked the city attorney to draw up a complaint which will cover this point on all public service commission charges. The case brought up was against the telephone company which refused to rebate on a telephone out of service for eighteen days.

The company's officers do not believe that the commission will permit a rebate. The question is one which has never been decided in this state and the commission informed the club that it would gladly take the case if it were formally presented.

While the governor's voice is giving him trouble, he will speak. He also brings with him Judge Duncan, chairman of the public utilities commission, who will relieve the governor and do the bulk of the speaking.

STUDY INHERITANCE TAX BRINGS PUZZLE TO COUNTY OFFICERS

County officials have taken under consideration a legal question which will arise in collecting the inheritance tax on the study estate.

Anticipating the difficulty, Treasurer Chamness probably will write to the state board of accounts asking for an interpretation of the law. Two leading law firms have been consulted and both have different interpretations.

The law provides for a widow's exemption of \$10,000. Above that amount a tax of one per cent must be paid on \$25,000. For more than \$25,000 the tax is one and one-half per cent. The question is whether the \$10,000 exemption is included in the first \$25,000 mentioned in the law, above which the tax is one and one-half per cent. In widows' inheritances of \$35,000 or more, there is a difference of \$150 in the tax as collected under the two opinions.
